## 14th Sunday in Ordinary Time

In our parish, the Marriage Prep team was answering questions from the engaged couples. One brave young man raised an interesting question: how do you know for sure if the person you love is the right one for you? How can you be sure this is the one to marry? There was a pause in the conversation as the team pondered the question and then various answers were offered about trust, faith, vocation and making it work. One of the guys, who had been married for 38 years, had a great answer. He had been sure she was the one to marry because every day, before and then after the wedding, she made him a better man, a better husband, a better father and a better Christian. And he hoped he did the same for her.

Our history as a Church and as a nation is filled with examples of those who have made other people better by their words, example, brave deeds or powerful vision. It is a heritage that calls us to greatness, to be a light to the world and a beacon of hope. Today we give thanks for our nation and pray for our leaders and our citizens. May we each do what is necessary to make us all better people, better Americans and better Christians.

**Obituary**  
**St. Richard's Furnace**  
**Born in 1966**  
**Died July 2019**

Surrounded by loving family, good friends, parishioners and parish pastor.

Say "Goodbye" to our faithful old furnace, circa 1966, faithful to the end. It is the size of most living rooms. The old hot water heater is being extracted too. It has been dormant for decades, and takes up a lot of space.

Rest in peace to both of these original pieces of the property.

All asbestos involving these machines was extracted this past week, in preparation for their removal. Our new system, much smaller and much more efficient, will be installed during the month of July.

**Thanks for all your generous help in making this happen.**

Dear Parishioners,

I am pleased to inform you that our parish now has a solution to make donating simple and easy, while at the same time keeping the process safe and secure. **Beginning today, online giving will be available for parishioners who would like to donate to our Furnace / AC fund**, or weekly offerings as well, without writing a check or turning in a paper form.

We are working with WeShare, a Liturgical Publications Inc company; a publisher of communication tools for churches for almost forty years. LPi demonstrates the highest security standards, and we are excited to partner with them.

Our new Online Giving system will allow you to make your donations without writing any checks or needing to remember to bring your envelope to church each week. You can set up a recurring weekly or monthly payment, allocate different amounts for different funds, and view complete, accurate financial records at any time. You even have the option to print donation slips if you would still like something to put in the collection basket each Sunday. Making changes can be done from your own home without the need to send paperwork to the parish office. **No information about your bank or credit card accounts passes back and forth on paper, making the process private and secure.** And, it saves all of us time so is a win-win for our parish.

Those who wish to continue to use traditional methods of offering may do so, however, we ask that you prayerfully consider making the change to this electronic giving solution. Yours in Christ,

Freedom is a cherished gift.  
 We value our personal freedom and make great effort,  
 even sacrifices, to protect it.  
 We need to recognize that true freedom is responsible freedom;  
 only then will we know how to use it.  
 An issue is not what we are able to do but what we ought to do.  
 God created us free and gave us the ability to make choices.  
 Personal freedom is manifest in the exercise of that power.

## Thomas Leonard Memorial Scholarship Awards

### Congratulations to our 2019 Golf Scholarship recipients listed below.

This year we have 12 recipients. We are most proud of their academic, athletic, and Spiritual accomplishments in their lives. We pray for them well in their future education on the high school and college levels they are entering, and assure them of our spiritual support.

We thank all of those who work so tirelessly throughout the year organizing and carrying out this wonderful Parish Activity to benefit our Youth. This effort takes enormous amounts of energy and sacrificed time on behalf of these recipients by our committee members.

We only hope that those who benefit will help in the future to benefit others.
