Dear Faithful Parishioners,

Each year we have a Co-op Mission Appeal Weekend. Last year we sponsored Building Hope in Kids – Uganda. St. Patrick Primary Boarding School in Uganda was founded by Fr. Julius to help educate children and end the cycle of generational poverty in Uganda. He was planning on being with us in August to update us on the school, but because of Covid-19 he was unable to come. Next week we will have our appeal. Please go to page 6 of the bulletin for a summary of Building Hope in Kids – Uganda.

In Christ,
Fr. Steve Willard

ANNUAL DIOCESAN APPEAL

ADA 2020
\$163,009 GOAL

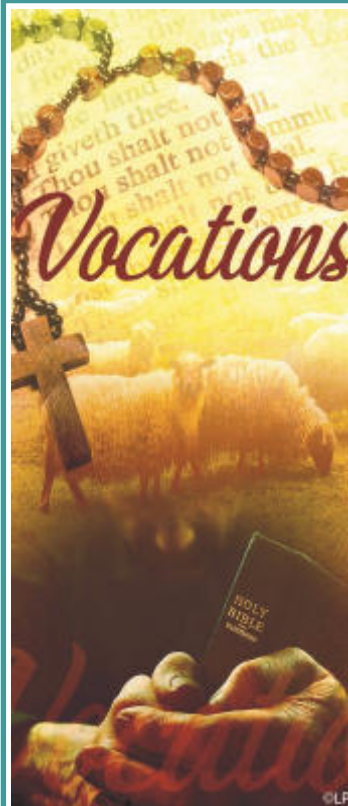

■ Pledged ■ Needed

We have received 325 pledge cards totaling \$140,973 but still short of our goal of \$163,009.

There is still time for you to help us reach our goal. If you have not yet made a gift to the ADA, we invite you to do so. There are extra envelopes and pledge cards in the vestibule.

Every dollar raised to make our goal supports important diocesan ministries and every dollar raised over our goal will be kept in the parish. To those who have contributed, we are most grateful.

Please join us for a Holy Hour for Vocations this Tuesday, November 10th from 6:30 – 7:30 pm in the Church.

**SOCIETY OF ST. VINCENT DE PAUL**

In today's Gospel Jesus challenges us to "stay awake" by taking time to seriously look at ourselves, the priorities of our lives, and how we are growing spiritually.

Ask yourself "What would Jesus Christ do?" and then make your gift to the Society of St. Vincent de Paul so that those who are suffering will be able to celebrate Thanksgiving.

For our home visit supplies, we need cleaning products. Please place your donations in our gray bin in the church lobby. For more information about our ministry, contact

Building Hope in Kids – Uganda ... What have we been up to in 2020?

(Thank you, Fr. Steve, for allowing us to share this with the St. Vincent dePaul congregation!)

What began as Fr. Julius's dream to build a boarding school in his native land has not only become a reality, but has grown way beyond what he could have imagined! In November, 2019, St. Patrick Nursery & Primary Boarding School in Uganda celebrated the completion of its first year in operation – thanks to the generous support of many of you. So, now you may be asking...

What has happened at the school in 2020?

The second year of school operations began Feb. 3, 2020 with 513 students. 158 of them were able to attend thanks to sponsorships by generous donors in the USA. However, due to the global Covid-19 pandemic, the Uganda government closed all schools and most of the country in March. Despite that, construction at the school campus continued: the Teachers Quarters, with apartments for 15 teachers, has been completed, and a security wall is now being constructed around the campus. In late September, the Uganda President announced that schools could reopen on October 15th – but only for students in the final years of primary and secondary schools, in order to prepare for their National Advancement Tests. So all 25 students in Primary 7, along with their teachers and support staff, are now on campus – and working harder than ever!

What's to come in 2021?

We hope to begin classes for all grades, pre-school through Primary 7, at the start of the next Uganda school year, in February, 2021, subject to the Uganda government's decision. As funds are raised, we'll begin the design and construction of a Chapel. (The student body has grown so much, there's not really enough room for the entire school to celebrate Mass in the Dining/Multi-Purpose Hall.)

Can you help us in our mission?

Fr. Julius knows the way to end the cycle of generational poverty in Uganda is by providing the best education to as many children as possible - - especially those whose families can't afford a very good, private school.

To help Fr. Julius make his dream a reality, Building Hope in Kids – Uganda was incorporated in 2017 as a 501(c)(3) to build and support a premium-quality boarding primary school. Our Board of Directors works extremely hard to be excellent stewards of all donations, and Fr. Julius is a master at making sure every dollar counts. Since 2017, the land has been cleared and six buildings have gone up: the classroom block, a dining/multi-purpose hall, administration offices, two dormitories for 300 students each, and housing for 25 teachers and staff. The cost so far? Less than \$1.5 million! After the security wall is completed, the chapel is our most pressing need. A separate nursery school building will eventually complete the campus.

You can help us in our mission with prayer, donations to our capital fund, and sponsorships for students. Links for donating and signing up for future sponsorships are on our website, buildinghopeinkids.org. Checks can be mailed to BHIK-U, PO Box 612, Washington, IL 61571. Your donations are eligible for matching gifts from a number of area employers, including Caterpillar and State Farm. You may contact Board President John Grillot for help applying for employers' matching gifts: grilljw@gmail.com, 309-696-4846.

Thank you for your support!

~ Fr. Julius Turyatoranwa, PhD.

May God grant you His choicest blessings!
