"ABOUT TOWN"

Stanhope Fire Station Officially Opened

More than one hundred people witnessed the official opening of the Stanhope Fire station last month

Minister for Emergency Services, the Hon. Jane Garrett, unveiled the plaque at the opening of the new Stanhope Fire station.

Amongst those present were the member for Euroa, Steph Ryan and local Campaspe Shire Councillor, Adrian Weston, together with a member of the CFA state management committee, Mr Ross Coyle.

The station was opened by the Minister for Emergency Services, The Hon. Jane Garrett, who, in her opening speech, praised the efforts of the Stanhope Brigade for their 70 years of continuous service to the Stanhope District and the support the local community has given the brigade during all those years. She said the brigade certainly deserved the modern new facilities which cost \$510,000.00.

The Operations Manager for District 20 of the CFA, Peter Taylor, was also full of praise for the Stanhope brigade, mentioning in particular, the prompt action of the brigade in keeping to a minimum of damage, the fire which recently Fonterra experienced, which has put the cheese manufacturing plant out of action ever since. He said the damage could have been much worse if it had not been for the support the Stanhope brigade received from other brigades within the district. He also stressed the need for more females to join the brigade.

The Minister then presented medals to a number of long serving members. Brigade captain, Peter Dent, thanked all those who attended and gave mention to some of the older brigade members, who are now retired. In particular he mentioned Alec Nelson who is about the only surviving member of the original brigade.

Long serving members, Len Armstrong and Norm Cheong then cut the 70th birthday cake to celebrate the opening of the new station.

STANHOPE FIGHTS FRUIT FLY

See page 2 for more information on the fight to rid Stanhope of this pest. Pamphlets are available at the Stanhope Business Centre and other shops in Stanhope

HELP STANHOPE FIGHT FRUIT FLY - BE INVOLVED -

Rid your trees of fruit fly

In the past few years Fruit Fly has devastated backyard fruit trees throughout Stanhope township.

The Stanhope & District Development Committee is urging all those, with fruit trees in their backyard, to act immediately to rid the district of this pest, which destroys a wide variety of fruit and vegetables.

Some useful hints.

If you do not value your fruit trees, then remove them altogether to save your neighbours trees from becoming infested.

Always collect any fallen fruit and place it in a sealed black plastic bag and leave it in the sun for a few days, then place in waste bin.

Purchase fruit fly traps from farm supply stores or nurseries and install in trees. Or you can make your own.

The time to act is NOW. Male fruit flies hatch in August and Females in October.

Recipes to catch Fruit Fly.

Recipe No.1.

To attract Males.

Take 2 litres of water, 1/2 cup sugar, 1 teaspoon of Vanilla Essence, 2 tablespoons of cloudy ammonia.
Mix.

Pour 2 cups into a 2 litre milk bottle. Cut 2 holes of 1 cent size each side of each bottle, 2/3 of the way up between the lid and the mixture.

Do the same with another bottle. Hang in tree. Repeat every 2 weeks.

To attract Females.

For 2 x 2 litre bottles.

Take 1 heaped teaspoon of Vegemite, 1/2 cup of hot water, 1/4 cup of brown sugar, a finely chopped banana peel.

Fill to 1 litre with cold water. Cut 2 small holes near the top close to the lid.

Pour half the mixture into each bottle. Hang in tree. Repeat every 2 weeks.

Recipe No. 2.

Take an empty 2 litre milk bottle with lid on. Add approx. 1/2 cup of Apple Cider Vinegar and a drop of dish washing liquid.

Make a two holes (approx 5 mls diameter) near the top of the bottle. Hang at least one of these in each of your fruit trees.

Replace mixture every few weeks.

Post Office

V/Line Agency

We have just been accredited as the V/Line agent for Stanhope, taking over from Chris & Mary-Ann Shaw. Tickets can be purchased, or vouchers exchanged for free seniors travel, during office hours between 9.00am and 5.00pm Monday to Friday.

Stock Lines

We are getting new stock in regularly with the lead-up to Christmas. Please call in anytime to check out our great range including various gift lines, books, gift cards and confectionery.

The Post Office is running a special on all iTunes gift cards, with 20% off the purchase price between 7th to 18th September 2015.

Stanhope Tennis Club

The AGM was held last month with a good roll up of keen members to discuss the upcoming season. The following people were elected to the executive positions:

- Fleur Nurse President
- Dillon Poole Vice-President
- Helen Lavery Secretary
- Stephen Browne Treasurer

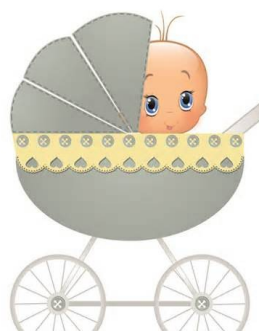

We are hoping for a very promising season with some exciting initiatives to help strengthen our club. We will be entering a team in Premier 2 (combining with Dhurringile Tennis Club) and Goulburn 2 of the Goulburn Murray Lawn Tennis Association, while also looking to an increase in junior teams, which should see plenty of tennis played at Stanhope this season. We would like people to register their interest in playing tennis before the end of September.

We will be holding an "Open Night" at the courts on Thursday 17th September from 4.30pm for all existing and new junior and senior players, or if anyone just wants to come and try tennis. For further information, please contact Fleur on 0432 379509, or Stephen on 0487398982.

We also have a presence on  Facebook, so please like us to check out our regular updates.

Fire Brigade Ladies Auxiliary

The brigade has been blessed to have such a good Ladies Auxiliary, they play a very important part in the brigade makeup. Over many years this small group of women have given the Brigade wonderful support. They are regularly fund raising, and have financed extra equipment for the brigade, which was not issued by the CFA.

Norm Cheong and Len Armstrong cut the 70th Birthday cake

They also do catering for functions and general tidying up around the station. They are the ones who financed the morning tea at the opening and had that lovely 70th Birthday cake made by Shirley Armstrong and beautifully decorated by Courtney Walsh. Blake Rosenberg was there with his camera to snap photos of the many visitors, well done Blake.

Stanhope Firemen regularly attend many Fire Brigade Competitions held State wide, both senior and junior members competing. The trophies they have won, now fill the display cabinets.

The Stanhope Fire Brigade, which has been in existence since 1944, has always been involved doing Voluntary Community service. They have, for over 40 years been the organisers of the Annual Royal Children's Hospital Good Friday Appeal and during that time have collected well over \$100,000 for the Appeal. Each year a donation is made to the Yooralla Appeal, and they sponsored the Elford Scholarship, which is given to a grade six student at the Primary school. For many years they entered a float in the Mardi Gras parade and they assist each year to hose out and clean the swimming pool for the start of summer.

We say farewell to the old station and with the opening of the new station, we wish all who serve the brigade a safe and happy future.

Fire Brigade Long Service Awards

Following are those who received long service awards at the opening of the new fire station. They were presented by the Minister.

Long serving member David Rue being presented with his long service medal by the minister.

- Lachlan Armstrong - 5 year certificate
- Grace Blair - 5 year certificate
- Jack Cockroft - 5 year certificate
- Amber Robinson - 5 year certificate
- Nick West - 5 year certificate
- Simon Harrison - 10 year medal
- John Lucardie - 15 year medal

Tara's Bargains Opens

"Tara's Bargains" opened in Stanhope on the 9th of August.

There is a great range of children's underwear, some men's and ladies' clothing and little bits of giftware. A suggestion box is supplied for any ideas on stock to get in. Please come in and have a look for yourself!

Stanhope's Top Ten Footballers (part three)

As the excitement continues with “Yabby’s” top ten greatest footballers that have played for Stanhope this month we highlight numbers 4, 3 and 2. In the past 2 months we have seen number 10 – Brenton Gray, 9 – Ian McDonald, 8 – Roy Barrett, 7 – Gavin Exell, 6 – Ellis Hicks and 5 – Charlie Gustavson.

4 – Hec Downing – Played senior footy for Stanhope at age 14 in 1928 which was a remarkable effort as there was no junior or reserves football during this era. His was a baker by trade and after several years of brilliant and consistent footy at Stanhope he moved to Rosebud for work and went on to win a league medal with Rosebud in the Mornington Peninsula League. After a couple of years at Rosebud he returned to Stanhope and immediately made an impact at Stanhope once again. He was a very versatile footballer who played full forward, centre half forward and in the centre. He was a left footer who was very tough and had great pace with a strong pair of hands. Hec was an important player in the 1931 premiership side as an 18 year old and he was also one of the best players in the very strong 1944 premiership side. He signed with Melbourne in the VFL who were extremely keen to get him to join their list but did not play with them. Hec was approached by Kyabram to play for them and played a few permit games with them, and he immediately impressed the interleague selectors who picked him to represent the GVFL against the strong Ovens & Murray Football League where he starred at full forward kicking 4 goals. He also won a club best and fairest at Rushworth (Colliver Cup) in 1937. Towards the end of his career he moved to Boolarra where he purchased the local bakery and played a few games with them before retiring, and then assisted them for many years as a club trainer. Hec was a great clubman who followed the fortunes of Stanhope for many years after he moved away, and was a cousin to another very talented Stanhope footballer – Aub Downing. He regularly returned to Stanhope to catch up with many of his old mates including Banjo Pattison, Gillie Cochrane, Buster Haw, Tom Ryan, Alex Nelson and Andy Laws just to name a few, and also to watch the local footy or cricket. He was also a really good all round cricketer who played “A” grade for Stanhope and represented the KDCA for many years. A real gentleman and one of Stanhope’s all time greats who made a real impact on and off the ground.

3 – Bill Buzza – Played with Stanhope in the 1920’s and 1930’s mainly playing as a centreman and centre half forward. He was a very tough player, and a lovely drop kick as well as a very strong overhead mark. He kicked many goals for Stanhope, and both Essendon and North Melbourne tried to get him to the VFL but he remained at Stanhope. Bill commenced his footy

career with Dookie-Caniambo in 1926 and then played with Katamatite in 1927 where they went on to win the premiership that year. In 1928 he moved to Stanhope and for many years was able to play for Stanhope in the KDFL and also play for the very strong Rushworth sides in the GVFL, as games were played on Saturday’s and Wednesday’s. He starred in the 1931, 1936 (captain) and 1938 premiership sides for Stanhope in the KDFL, as well as playing in two premierships with Rushworth (1932 & 1933) during his 4 year stint at Rushworth. Bill was also keenly sought after by Rochester who offered him 3 pounds per game but he was content to stay with his local club. He also played in a premiership for Cobram in the Murray League towards the end of his career. Bill was also known as a forward thinker of the rules and systems of the game where he put many ideas to the league administrators (including the VFL) with many of these now in place. Was one of many of the Buzza family that have a long and proud history of farming and sport in the Stanhope area. A genuine star of the game who could easily have been Stanhope’s best ever player.

2 – Keith “Snowy” Dunstall – Very speedy and clever centreman / onballer with great skills who could read the play extremely well and always seemed to be in the right position to gather the ball. He was a great overhead mark and was well known for taking a few screamers, and was very clean with his ball disposal by hand and foot, and always got high numbers of possessions. His disposal was very clean and he continually fed the ball forward making it very easy for the Stanhope forwards to be on the receiving end of his passes. Snowy was a very consistent player as highlighted by the number of votes and awards that he received throughout his wonderful career. He played with Stanhope during the 1940’s and 1950’s and also played with Girgarre, where he won a McNamara League Medal in the KDFL in 1946. In 1948 he won the GVFL Morrison Medal as well as the club best and fairest in the same year, as well as winning club best and fairest awards in 1954 and 1956. His last few years were played at Girgarre, but Stanhope were very fortunate to have such a great player pull on the maroon and gold jumper for many years, where many of today’s footballers would be in awe of this champion. A very skilful player and a pleasure to watch.

RAINFALL

August rainfall less than half average.

With only 21.8 mls of rain, Stanhope received less than half of the average rainfall of 43.3 for August.

The highest August rainfall was in 1958 when Stanhope received 136 mls and the lowest was in 1944 when only 0.8 mls fell.

Stanhope Monster Garage Sale

Pictured are some of the bikes at McEwen Place.

Members of the public at the garage sale enjoyed a surprise visit from the Bendigo branch of the Ulysses Motor Cycle Club. A large number of beautiful bikes roared into town and parked at McEwen Place. Club members were on their way to lunch in Shepparton and called in at Stanhope where they enjoyed a rest stop and a look at the stalls lining the main street. Stanhope looked a very busy little town for the visitors instead of a normally quiet Sunday.

Pictured are Michelle and Kassie from the Stanhope Primary School Parent Club who with their helpers cooked a marvellous BBQ.

Also in use for the first time at this month's Monster Garage Sale was the BBQ trailer which has been purchased and modified thanks to a grant from FRRR. The modifications are still to be completed with fridges and a table to be fitted into the trailer, but it was great to use as is and quick to set up. The BBQ trailer is available for community use by contacting Graham on 5857 2760 .

Community Health Nurse

Alice, a Community Health Nurse came to talk to us about healthy drinks and how to clean our teeth properly.

Alice performed an experiment with yeast, warm water and sugar to represent soft drink, germs / bacteria and plaque.

We all got a goodie bag with a new toothbrush being the highlight. Afterwards we prepared and ate healthy chicken soup for lunch.

Remember to phone 58572297 / 0428760771 or drop into the centre to secure your place at Stanhope kindergarten for 2016.

Men's Shed

The men have been busy lately fitting the community BBQ trailer with storage boxes, drinks storage and a table. It is great to use now but soon will be even better. The BBQ trailer is now available for use by community groups \$20 per day to cover gas and insurance. Contact Graham on 5857 2760.

The garage sales held at the shed on Monster Garage Sale days have proved popular. There are lots of items for sale, call in on a Monday Wednesday or Friday morning for a look.

Exercises for Men are held every Friday morning from 9am and are a fun way to achieve better strength and balance. These are followed by the coffee and bull---morning. The Planned Activity Group is having a music afternoon at the shed on Sept 7 at 1pm with a popular local artist entertaining. There is even talk of a skit by Men's Shed members! All welcome.

Wooden Christmas decorations are currently being made and painted. We have reindeer, cheery Santas, Christmas trees in varying sizes, Santas riding motor bikes; it's all happening at the shed.

The Annual General meeting is scheduled for Wednesday 30th September at 7pm at the shed. Please come along and hear about the year's activities and future plans.

I am very, very upset.

I was so upset I decided to stay home and see if I could help my mate Max get rid of some fleas.

Yes, I am extremely upset, cos you know why?

Well, on Sunday 16th there was this big opening of the new fire station on the highway and there were a lot of important people there as well as a lot of locals, many of them are my friends. I believe there were invitations sent out to many, many people and what's upset me is *I didn't get an invitation* - I am not happy.

You know, I spent a fair bit of time there when they were building it - I helped by picking up things they had left lying around - keeping the place tidy.

I did a flyover on Sunday and saw all those cars and people there, I was so upset I almost crashed. Anyhow, I can't understand the CFA, I could be a great help to them. Everyone knows I get around this area probably more than anyone, and from my vantage point, up nice and high, I could act as a fire spotter and tell them when and where a fire was.

More importantly, I could act as a spotter of fire bugs and dob them into the cops or the brigade. I could save people lots of stress and damage to their properties, if only the brigade would give me the job - I would do it all for nothing, just a bit of a feed now and again, like the fire blokes.

Brayden Foley's adventures with his horses

Otway View William, a miniature Shetland was the first pony to help develop a very special young man's understanding & enjoyment of horsemanship, riding and competing. Brayden acquired a severe brain injury at birth which resulted in epilepsy and numerous intellectual and physical difficulties. As a 2.5 yr old colt, Otway View William selected Brayden as his new owner even though Brayden was actually at a stud to look at an older and much more experienced pony. While it seemed ridiculous matching any 2.5 yr old child with a 2.5 yr old unbroken colt, their connection was unmistakable from the first moment they met. Brayden was the 1st and only person to ride Billy for many years and they were extremely successful in the open show ring winning hundreds of ribbons & sashes. At that stage they could not be members of an RDA club due to their young age. Brayden out grew Billy, so we broke him to harness. Look out for the 'Flyin Lion' at the pony trots.

It came time to finding a bigger riding horse, again Brayden was taken to meet experienced horses, however another unlikely match was found. As Mum was inspecting Caerleon Peridot a 3 year old Welsh A who had never seen a child, Brayden then aged 7.8 climbed up on the gate, shook it like crazy and made siren noises. Horses nearby scattered, but Caerleon Peridot trotted straight up to Brayden, stretched out his neck and sniffed him in fascination. Again another unlikely but inseparable bond was formed. Brayden was adamant that this was to be his new horse. He broke Peri in doing superman impressions which involved extreme noise and lots of flapping of both arms and legs. Peri took everything in his stride without blinking an eye and within 3 months they had qualified in open events for the Nationals and Royals. By now Brayden had turned 8 and still needed to be on a lead at competitions as following judge's directions was not possible & we needed to ensure he didn't ride off into the sunset. At this stage competing in open events became more difficult and political on occasion, though not at APSB events. Unfortunately one such particularly upsetting incident shattered Brayden's equine spirit and he turned his back on horses altogether. Thankfully after six months an old mate came to the rescue from Rani Park Stud and asked Brayden to do him a favour by taking extra special care of Carisma Park Sunlight for 6 months. Brayden agreed and got back in the saddle very successfully to the delight of all involved. RDA comps were the next step. It was with no surprise that Caerleon Peridot and Brayden excelled from the start winning numerous sashes at Melbourne Summer Royal. Special Olympic events were next, and again this pair continued to wow both spectators and judges. After 3 events, often competing against much older riders they have never been unplaced with 3 gold medals & 7 silver medals to date.

The next one..... last year Brayden had picked this colts mum a year ago to be his future galloway, a magnificent TB X Aussie by Bimberdeen Brigadier (or did she pick him?). Unfortunately she bowed a tendon so she was put in foal to Mahogany Park Mr Bauris. Earlier this year her then unhandled colt foal just came up and sat on the front of Brayden's motorbike at 4 months old, in a 30 acre paddock. He wouldn't move until Brayden gave him a scratch and asked him to, so according to both of these boys RaLAXeSon By My Side will be Brayden's galloway of the future.

Brayden's family would like to thank the many people and judges who haven't glared or tut tutted, but rather chose to smile, congratulate, cheer and high five a young man who often sings, yells and yahoos as he competes.

EIGHT GOOD REASONS TO JOIN CERT

There are many reasons why people do not join the CERT team:

Reasons against joining	Reasons for joining
I'm too busy	You can give as little or as much time as you're able to
I have work and family commitments	The shifts are flexible to fit in with your life
It's not paid work	There are great investments made in staff, including training and support programs & conferences.
I don't have the skills to do it	Full training is provided before you start and ongoing training and support is provided too.
I don't know anyone	You'll get to meet new people and be part of a team
I can't stand the sight of blood	Most CERT jobs are very straight forward and simpler than you think
It sounds scary	CERT jobs are always attended by two members and are always backed up by paramedics. An expert is also available by phone to answer any questions and there are clear protocols to follow
I couldn't do it	You'd be surprised what you can achieve when you challenge yourself

Joining CERT will give you some great skills for yourself and your community. It would look great on your resume and provide some great skills for life.

Come along and explore your own reasons for joining the CERT Team at our information night on 21st October 7pm CERT Office, Godley Place Stanhope.

For more information, contact Neville Cowie on 0438 572 314.

Great Success with Fruit & Veg.

Susie McCraw with part of the fruit and veggie display at the Stanhope Supermarket.

Dave and Susie McCraw are extremely pleased with the acceptance by the Stanhope community with their efforts in providing fresh fruit and vegies.

Members of the staff together with Dave and Susie say the feed back from their customers is extremely positive. Although Dave says it has certainly kept all of them on their toes with the extra work and probably with extra customers.

One of the great advantages customers are finding that the opening hours suit many more locals, especially those who work out of town. They can now shop for their fruit and vegies any day of the week.

A great service for readers.
For people who are unable to
access the Stanhope Library, Books on Wheels
is a great free service.

A volunteer will deliver books of your choice or will
select books for you. This free service is provided
by the Stanhope Business Centre and the Shire of
Campaspe. For inquiries phone the Business
Centre on **5857 2866** between 11.00am and
3.00pm Monday to Friday.
