[Star Wars: The Force Awakens Big Figs 31' and 48'](#)

Licensee: JAKKS Pacific

MSRP: \$34.99 for 31'; \$99.99 for 48'

Available: Now

Our 31 inch Massive Big Figs have 5-7 points of articulation and a signature weapon ready for battle. **Kylo Ren:** A dark warrior strong with The Force, Kylo Ren commands First Order missions with a temper as fiery as his unconventional Lightsaber. **First Order Stormtrooper:** Equipped with sleep armor and powerful weapons, the Stormtroopers enforce the will of the First Order.

Standing at a whopping 48 inches, our Colossal scale Big Figs are interactive with an amazing motion detection feature. When you enter the room, they will recognize your presence and respond with movie lines and sound effects. The Stormtrooper also has an additional elbow joint to allow him to pose with his blaster.

Hot Wheels® Star Wars Kylo Ren™ and BB-8 Character Cars

Licensee: Mattel
MSRP: \$3.49 each
Available: Now

This sleek, ominous racecar takes command of the road with the speed and intensity of the dark warrior, Kylo Ren. The villain's mysterious hood drapes over the rear fenders of the vehicle to cloak its identity, while the cockpit captures the form of his warrior-like helmet. Kylo Ren's tri-bladed Lightsaber runs along the side trim, using the power of the Force to thrust this machine into hyperdrive with a fiery burst of propulsion!

Lively spirit and quick intelligence radiate from this engaging hot rod, always ready to spin into action like the loyal Droid, BB-8™. Geometric curves and seamlessly integrated wheels give the vehicle a high-tech appeal, enhanced by its exposed motor and ingenious electrical components. A low dome completes its compact profile, ensuring a speedy dash into action when the rear booster ignites.
