Mechanical/Performance

Engine	3.5-Liter V6 DOHC 24-Valve Dual VVT-i; 268 hp @ 6200 rpm; 248 lb.-ft. @ 4700 rpm
Emission Rating	Ultra Low Emission Vehicle II (ULEV-II)
Ignition	Electronic, with Toyota Direct Ignition (TDI)
Motor Type	-
Voltage	-
Battery Type	-
Voltage	-
Transmission	6-speed Electronically Controlled automatic overdrive Transmission with intelligence (ECT-i) and sequential shift mode (SE model adds paddle shifters)
Drivetrain	Front-Wheel Drive
Body Construction	Unitized body with front and rear anti-vibration sub-frames
Suspension	MacPherson strut front suspension with gas-filled shock absorbers and stabilizer bar; dual-link independent MacPherson strut rear suspension with gas-filled shock absorbers and stabilizer bar (SE adds sport-tuned shock absorbers and springs, strut tower and trunk-mounted braces)
Steering	Electric Power Steering (EPS); power-assisted rack-and-pinion
Turning circle diameter, curb to curb (ft.)	36.7
Brakes	Power-assisted ventilated 11.65-in. front disc brakes; solid 11-in. rear disc brakes with hydraulic brake booster, Electronically Controlled Braking (ECB) system and Star Safety System™

Exterior Dimensions (in.)

Overall height, unloaded	57.9
Overall width	71.7
Overall length	190.9
Wheelbase	109.3
Ground clearance	6.1
Track (front/rear)	62.0/61.6
Coefficient of drag (Cd)	0.28

Interior Dimensions (in.)

Head room front/rear without moonroof (with moonroof)	NA (37.9/38.0)
Shoulder room	58.0/56.6
Hip room	54.5/54.5
Leg room	41.6/38.9

Weights/Capacities

Curb weight (lb.)	3460
EPA passenger volume (cu. ft.) without moonroof	-
EPA passenger volume (cu. ft.) with moonroof	101.3
Cargo volume, ⁷ rear seatbacks up (cu. ft.)	15.4
Fuel tank (gal.)	17
Seating capacity	5

Tires

Type	All-season
Spare	Temporary

---	----------

EXTERIOR

LED low- and high-beam headlights with auto on/off feature

LED Daytime Running Lights (DRL) with on/off feature

Color-keyed heated power outside mirrors with manual folding feature

Power tilt/slide moonroof with one-touch open/close with jam protection, driver and front passenger illuminated vanity mirrors, and rear-seat reading lights

17-in. alloy wheels with Super Chrome paint and P215/55R17 tires

Washer-linked intermittent windshield wipers

High Solar Energy-Absorbing (HSEA) glass

Acoustic noise-reducing front windshield

Dual chrome-tipped exhaust

INTERIOR

Dual zone automatic climate control with air filter and rear-seat vents

Entune™ Premium Audio with Navigation¹ and App Suite² — includes Entune™ Multimedia Bundle⁹ (7-in. high-resolution touch-screen display, AM/FM CD player, MP3/WMA playback capability, six speakers, auxiliary audio jack, USB 2.0 port¹⁰ with iPod®¹¹ connectivity and control, advanced voice recognition,¹² hands-free phone capability, phone book access and music streaming¹³ via Bluetooth®¹⁴ wireless technology), Entune® App Suite,² HD Radio™,¹⁵ HD predictive traffic and Doppler weather overlay, AM/FM cache radio, and SiriusXM All Access Radio¹⁶ with 3-month complimentary trial

Entune® App Suite² — includes Bing™, Facebook Places, iHeartRadio, MovieTickets.com, OpenTable®, Pandora®¹⁷ and Yelp™; real-time info including traffic, weather, fuel prices, sports and stocks. Access to Entune® App Suite² services is complimentary for three years. See toyota.com/entune for details.

Qi wireless charging¹⁸Backup camera¹⁹Smart Key System²⁰ on front doors and trunk with Push Button Start and remote illuminated entry

Leather-trimmed multi-stage heated front seats with seatback pockets; 8-way power-adjustable driver's seat with power lumbar support; 4-way power-adjustable front passenger seat

60/40 split fold-down rear seat with center armrest with cup holders

Cruise control

Leather-trimmed tilt/telescopic 3-spoke steering wheel with Bluetooth®¹⁴ hands-free phone and audio controls

Optitron instrumentation with speedometer, tachometer, coolant temperature, fuel gauges; TFT Multi-Information Display with customizable settings, odometer, tripmeter, current/average fuel economy, distance to empty, speed, TPMS,²¹ shift-position indicator, navigation with turn-by-turn directions (where equipped)

Wood-grain-style interior trim

Power door locks with shift-linked automatic locking feature with anti-lockout feature

Power windows with driver and passenger-side auto up/down, jam protection in driver position and retained-power features

Rear window defogger with timer

Auto-dimming rearview mirror with compass

Overhead console with maplights and sunglasses storage

HomeLink®²² universal transceiver

Covered center console with sliding cover, armrest and storage

Illuminated glove compartment

Two 12V auxiliary power outlets

Dual sun visors with sliding extensions

Two front and two rear cup holders; two front door and four rear door bottle holders

SAFETY/CONVENIENCE

Star Safety System™ — includes Enhanced Vehicle Stability Control (VSC),²³ Traction Control (TRAC), 4-wheel Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)²⁴ and Smart Stop Technology® (SST)²⁵

Ten airbags²⁶ — includes driver and front passenger Advanced Airbag System, driver and front passenger seat-mounted side airbags, driver and front passenger knee airbags, rear seat-mounted side airbags, and front and rear side curtain airbags

Driver and front passenger Whiplash-Injury-Lessening (WIL)²⁷ seats

3-point seatbelts for all seating positions; driver-side Emergency Locking Retractor (ELR) and Automatic/Emergency Locking Retractor (ALR/ELR) on all passenger seatbelts

LATCH (Lower Anchors and Tethers for CHildren) includes lower anchors on outboard rear seats

Child-protector rear door locks and power window lockout control

Energy-absorbing collapsible steering column

Front and rear energy-absorbing crumple zones

Side-impact door beams

Tire Pressure Monitor System (TPMS)²¹ with direct pressure readout

Battery-saver feature: deactivates interior lights after 20 minutes

Engine immobilizer²⁸

Anti-theft system with alarm

ToyotaCare²⁹ featuring a no cost maintenance plan with roadside assistance³⁰

Warranties

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components for hybrid vehicles are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable Owner's Warranty Information booklet for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable Owner's Warranty Information booklet for details.

Accessories: For accessories purchased at time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months or 36,000 miles (whichever comes first) from the vehicle's in-service date, which is the same coverage as the Basic coverage of the Toyota New Vehicle Limited Warranty.

For dealer-installed accessories purchased after the new vehicle purchase, the coverage is 12 months or 12,000 miles (whichever comes first) from the date the accessory was installed on the vehicle, or the remainder of the above 36 months or 36,000 miles Basic coverage from the vehicle's in-service date, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

For customers (non-dealer) installed accessories purchased after the new vehicle purchase, the coverage is 12 months or 12,000 miles (whichever comes first), from the purchase date of the accessory.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

TOYOTA CARE

ToyotaCare

Covers normal factory scheduled service. Plan is 2 years or 25K miles, whichever comes first. The new Toyota vehicle cannot be part of a rental or commercial fleet, or a livery or taxi vehicle. See plan for complete coverage details. See participating Toyota dealer for details.

1. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability and accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway; updates may be available at an additional cost from your dealer. See your Navigation System Owner's Manual for details. 2. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 3. Contact with the Safety Connect® response center is dependent upon the telematics device being in operative condition, cellular connection availability, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or receive emergency service support. Enrollment and Telematics Subscription Service Agreement required. A variety of subscription terms is available; charges vary by subscription term selected. 4. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are several limitations to the function, detection, range and clarity of the monitor. For a complete list of limitations and directions regarding use of the monitor, please see the Owner's Manual. 5. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. To learn more, see your Owner's Manual. 6. Installed MSRP is the Manufacturer's Suggested Retail Price for accessories installed by the manufacturer. Actual prices for dealer installed accessories may vary. Please see your local Toyota dealer for pricing. Prices and product availability are subject to change without notice. 7. Cargo and load capacity limited by weight and distribution. 9. Entune™ is a trademark of Toyota Motor Corporation. Always drive safely, obey traffic laws and focus on the road while driving. Services vary by phone/carrier. Functionality depends on many factors. Services subject to change. For enrollment and more details, see toyota.com/entune 10. May not be compatible with all mobile phones, MP3/WMA players and like models. 11. iPod® and iPhone® are registered trademarks of Apple Inc. All rights reserved. 12. Advanced voice recognition capabilities vary by head unit. 13. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 14. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 15. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 16. SiriusXM services require a subscription after 3-month trial period. Subscriptions governed by SiriusXM Customer Agreement available at www.siriusxm.com. If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 17. PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. 18. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. 19. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 20. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 21. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your Owner's Manual for details. 22. HomeLink® is a registered trademark of Johnson Controls, Inc. 23. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details. 24. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 25. Smart Stop Technology® operates only in the event of certain simultaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your Owner's Manual for further details. 26. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your Owner's Manual for further information/warnings. 27. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. 28. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help, or you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. 29. Covers normal factory scheduled service for two years or 25,000 miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska. 30. Does not include parts and fluids, except emergency fuel delivery. 31. Installation not included. See your local Toyota dealer for installed pricing. Prices and product availability are subject to change without notice.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. All information in this eBrochure is based on data available at time of posting, is subject to change without notice and pertains specifically to continental U.S.A. vehicles only.
