

Statewide Dual Credit

Recommended Postsecondary Textbooks and Resources

Postsecondary faculty members participating in the statewide dual credit course development process recommend the following textbooks and additional resources to aid high school statewide dual credit teachers in aligning instruction to postsecondary rigor and expectations. This list is not compulsory, but schools may choose to adopt one or more of the following textbooks for statewide dual credit courses. For more information on the statewide dual credit program, please visit our [website](#).

American History II
