This year's AQS spring quilt week in Paducah was my first! I have to say....I've never seen so much quilting fun all in one place in my life! If you could imagine it, you could probably find it!

The quilts were amazing...I stood back in awe many times as I wandered the rows of delightful treasures!

We had lots of laughter, spent lots of money and made plans to spend more next year...after all, we have a whole year to save up...right?
