Patrons visiting a restaurant or bar must be seated, prohibits more than four patrons from being seated at the same table or booth, requires that patrons who are not

from the same party must be seated two meters apart if separated by a physical barrier or three meters if not separated by a physical barrier, and also mandates that owners must collect the first and last name, telephone number, and email address of all dine-in patrons for 30 days in case there is a need for contract tracing
