

The ideal skill set — the PMI Talent Triangle $^\circ$  — is a combination of technical, leadership, and strategic and business management expertise — and now, digital skills.

NetCom Learning has been approved by Project Management Institute, Inc. (PMI®) to issue PDUs for the courses/events listed in this document.

### **Understanding the PMI Talent Triangle®**

Along with technical skills, today's Project & Program Managers also need Leadership and Strategic skills, considering the complex business and competitive global marketplace.

### What is Talent Triangle?

PMI Talent Triangle is an ideal combination of technical, leadership, and strategic and business management expertise. These are the most sought-after skills from the employers to support long-range strategic objectives contributing to the company's growth.

#### Who is PMI Talent Triangle for?

The Talent Triangle by Project Management Institute (PMI)®, can benefit any professional, willing to earn Professional Development Units (PDUs) in all the three areas. It helps the professionals to develop balanced skills in order to get their certification renewed over a defined period of time.

### Which industries does Talent Triangle apply to?

It applies to project managers across industries, including IT, services, finance, commerce, business processing, logistics, telecom, research, and more.

## **Does NetCom Learning provide Talent Triangle training?**

Yes, NetCom Learning provides programs aligned to PMI's Talent Triangle. Pls, visit the below-given list of courses that are approved for earning PDUs from PMI.

We hold expertise in providing customized training to corporates with a hands-on case-study driven approach. We manage learning to hone your skills and help you deal with your professional development responsibilities.

# How to Claim PDU's

The PDU Claim code is a new feature that will allow you to more easily claim PDUs from a PMI approved education provider. A PDU claim code can be issued by any PMI approved education provider including PMI, R.E.P.s, PMI chapters, and the PMI Global Accreditation Council.

The PDU claim code will be a 10-digit alpha-numeric value unique to each course (example: 201908TNCL).

Follow the steps below to claim PDUs for attended events:

- 1. Log in to CCRS
- 2. Click on Report PDUs (left column)
- 3. Below 'PDU Claim Code' on the page, select 'I have a claim code' and enter the PDU claim code for the course attended.
- 4. Click on 'Apply'
- 5. You will see information on the event and the distribution over the PMI Triangle for the various certifications
- 6. Fill in the dates of the activity and tick the box that the claim is accurate and click on the SUBMIT button

Learning Delivery

We are NetCom Learning. We promote the values of lifelong learning.

NetCom Learning is an award-winning global leader in training, learning solutions, and talent development. Since 1998, we've been in the business of helping organizations reach optimal performance results and address challenges by managing all aspects of organizational learning.

With a team of dedicated and knowledgeable learning professionals having deep subject-matter expertise, NetCom Learning has serviced over 80% of Fortune 100 companies. We've helped over 10,000 organizations achieve their business goals by covering a full complement of Managed Learning Services, including IT and business training, curriculum design and content development, learning delivery and administration, consulting and advisory services, and management of learning technology.

We believe that an organization's ability to learn—and translate that learning into rapid action—is the ultimate competitive advantage.
