Sense and Sensuality

Jesus Talks to Oscar Wilde on the Pursuit of Pleasure

Ravi Zacharias

Why versus why not?

Playwright, dramatist, poet, critic—Wilde openly defied the mores of Victorian society. And his literary repertee fueled an “if it feels good, do it” humanistic philosophy that is still prevalent in the world today. In an imaginative dialogue, Oscar Wilde asks Jesus Christ to respond to this question about critical lifestyle choices. Their talk vividly illustrates the arguments for both sensual pleasure-seeking and moral moderation.

Key Points/Quotes

- **Internationally known author:** Ravi Zacharias is the most notable international Christian apologist in the world today, and arguably the most widely-respected and effective.
- **Relevant:** In the tradition of C.S. Lewis and G.K. Chesterton, Zacharias offers critical, down-to-earth insight for modern minds on the relevance of Christ's message against humanism, hedonism, and the Western culture of “Selfism.” His work and voice are recognized in academic, Evangelical, and political circles.
- **Popular style:** “Creative apologetics” involving conversations with Christ are hot—either in small formats like *Dinner with a Perfect Stranger* (over 500K sold), or longer books like *The Shack* (w/ over 8M in print). The original 96-page hardcover has sold well at \$9.99 since August, 2002.

The Lamb and the Fuhrer

Jesus Talks with Hitler

Ravi Zacharias

What could Adolf Hitler and Jesus Christ possibly have to talk about?

Adolf Hitler spilled the blood of millions for his own sake. Jesus Christ shed his own blood for the sake of millions. Hitler set himself up as a god and the masses succumbed. Jesus Christ was God in the form of lowly man. Hitler created a living hell for the masses. Jesus endured hell to save the masses. Hitler's name is synonymous with power, evil, and genocide. Jesus' name with love, peace, and life. Put the two in a room together and you won't believe your ears. The third compelling book in Ravi Zacharias' Great Conversations series addresses fundamental issues of life and death, the evil of violence in light of the value of human life, and other tough issues in modern society.

Key Points/Quotes

- **Internationally known author:** Ravi Zacharias is the most notable international Christian apologist in the world today, and arguably the most widely-respected and effective.
- **Relevant:** In the tradition of C.S. Lewis and G.K. Chesterton, Zacharias offers critical, down-to-earth insight for modern minds on the relevance of Christ's message in speaking to one of the most reviled men in history, as well as to one of the greatest atrocities of mankind.
- **Popular style:** "Creative apologetics" involving conversations with Christ are hot—either in small formats like *Dinner with a Perfect Stranger* (over 500K sold), or longer books like *The Shack* (w/ over 8M in print). The original 98-page hardcover has sold well at \$9.99 since Sept, '05.

A Waist Is a Terrible Thing to Mind Loving Your Body, Accepting Yourself, and Living Without Regret

Karen Scalf Linamen

Inspiring, encouraging, practical help from a trusted author speaking to a woman's most conflicted relationship—her struggles with her own body.

What woman looks in the mirror and feels entirely satisfied with the person who looks back at her? The doubts and questions keep coming: Is she too fat or too thin, too tall, not athletic enough? Should she color her hair, stop wearing yellow? And what do other people think of her? Serial dieter Karen Linamen who, like Oprah, is way too familiar with up-and-down weight gain/loss, helps women develop a healthy and positive, yet realistic, relationship with their own body. Through her own soul-baring stories and the stories of other women, plus her trademark humor, wisdom, and warmth, Linamen shows women the difference between achieving the perfect body (an impossibility) and coming to terms with the body they have (a very real possibility).

Key Points/Quotes

- **This top-tier felt need is a struggle for every woman, whether she is currently on a diet, has recently failed with a diet, or has sworn off dieting.**
- **A freeing message that will be embraced by women who are beaten down by society's definition of beauty (a fashion-model body with famine-victim contours).**
- **Honest, practical help from Karen Linamen, a highly trusted source of wisdom, motivation, and encouragement. In this book she provides daily motivation to become your best, seasoned with a healthy acceptance of who you are today.**
- **A successful author, Linamen has written eleven books for women which have established her as a sought-after source of help and motivation toward a happier life.**
- **The added faith element is low-key and nonthreatening, so readers from any faith tradition will be encouraged to seek help and strength from God.**

Praise for Karen Linamen:

- "Funny, forthright and unforgettable... Linamen's life is comparable to a leisurely read of the Sunday comics, and she tells all." —*Publishers Weekly* "...the queen of good humor and common sense." —*Literary Guild*

Radical: First Steps Questions (and a Few Answers) About a Christ-Radical Life

David Platt

A simple, inexpensive, and intriguing Q&A booklet that gives all Christians, from young to old, an inside look at the profound and powerful challenge that is the life-changing book *Radical*.

Pastor and author David Platt has launched a challenge to the Christian world in his life-changing new book, *Radical*. The booklet *Radical: First Steps*, is an intimate Q&A with the author about the challenges of living a Christ-radical life, how it impacted him and his family, and how the church he pastors has responded to the challenge.

How did the author himself come face to face with the radical challenge of Christ in the gospel? How did he find the courage to call his mega-church to radical choices that defied the American dream? What are the stories and examples of lives changed that he has seen from Christians who dared to live a radical life?

Through these and other questions, David will help readers identify obstacles that may be standing in the way of authentic discipleship experience. Then, once these are addressed and resolved, readers will be challenged to commit to a one-year Radical Experiment—and highly motivated to say “Yes!” The five steps of the Radical Experiment are:

- Pray for the entire world
- Read through the entire Word
- Sacrifice your money for a specific purpose
- Spend time in another context
- Commit your life to a multiplying community.

Key Points/Quotes

- Brief, easy-to-read
- Exclusive, private interview with the author of *Radical*

Radical

Taking Back Your Faith from the American Dream

David Platt

A daring call for Christians to believe and do the gospel according to Jesus—even if it flies in the face of success according to the American evangelical church.

When billions have never heard of Christ and 26,000 children die daily of hunger-related causes, why are so many evangelicals satisfied with a church culture that promotes comfort, security and personal success? Is it possible that well-intentioned Christians have confused the American Dream with the real message of Jesus?

David Platt thinks so. In *Radical*, he leads readers into a bracing encounter with what Jesus actually said following him would require. The book is illuminated by David's own story: At just 27, he was invited to lead a much admired megachurch deep in the Bible Belt. But he and his flock soon discovered that their ideas of Christian success were fatally skewed by popular but unbiblical assumptions.

Told with honesty, humility and urgency, *Radical* delivers a moving call to trade in convenient beliefs for authentic discipleship—and a motivating promise of the transformation that will follow for individuals and communities.

Key Points/Quotes

- **Respected, new voice:** As a highly respected, new voice for younger evangelicals, Platt is an in-demand speaker at Together for the Gospel, the Southern Baptist Convention, and their International Mission Board.
- **Visibility:** More than 100,000 people visit the Brook Hills website (www.brookhills.org) each month; more than 20,000 subscribe to his podcast or download his sermons each week. David has been featured in *Christianity Today* online and *Outreach Magazine*.
- **Global platform:** He is becoming known as a Bible teacher at evangelical seminaries and training schools around the world.
- **Strong affinity with leading voices** that are reaching younger evangelicals: John Piper, Francis Chan, Mark Driscoll and Mark Batterson.
- **Key verse:** "If anyone would come after me, he must deny himself and take up his cross and follow me." Matthew 16:24

A Novel

Kristen Heitzmann

From the best-selling author of the *Rush of Wings* series and the *Michell Family* series comes *Indivisible*, a fast-paced, suspenseful tale of separation, longing, and unity that explosively examines the balance between light and dark.

Something sinister is happening in the mountain community of Radcliff, Colorado. When Police Chief Jonah Westfall finds pairs of animals sewn together, he commits to solving the mystery before the twisted behavior can escalate. His investigation forces him to involve candle maker Tia Monroe, a childhood friend, who refuses to let him hurt anyone she loves again; veterinarian Liz Rainer, new to town; and Piper, the young baker running the local bakery. Haunted by his past, Jonah beats back his personal demons to protect the town and the people he cares about. Nothing will keep him from uncovering a desperate soul wounded by

The Last Christian

A Novel

David Gregory

From the best-selling author of *Dinner with a Perfect Stranger* comes this spell-binding story of an America that has lost its faith—and the woman destined to save it.

A.D. 2088. Missionary daughter Abigail Caldwell emerges from the jungle for the first time in her thirty-four years, the sole survivor of a disease that wiped out her village. Abby goes to America and discovers a nation where Christianity has completely died out. But a larger threat looms. The world's leading artificial intelligence industrialist has perfected a technique for downloading the human brain into a silicon form. Brain transplants have begun, and with them comes the promise of eternal existence. Abby and Professor Creighton Daniels uncover a plot to force the entire planet to convert to this "transhuman" status—forever losing all possibility of a connection with God. As they grow closer to learning the truth, Abby and Creighton find themselves in a race for their lives, and humanity's spiritual future hangs in the balance.

Key Points/Quotes

- **Best-selling author:** Gregory's books, including the best-selling *Dinner with a Perfect Stranger* and *A Day with a Perfect Stranger*, have climbed to well over a half a million copies in print, with translations in several different countries and in numerous formats, including box sets.
- **Unique concept:** This one-of-a-kind hybrid novel matches the pacing of Dan Brown with the scientific postulations of Michael Crichton and the philosophical underbelly of David Gregory's apologetic books.
- **Audience—new and old:** Fans of David Gregory's previous books will receive this new book with enthusiasm while new readers unfamiliar with the *Stranger* books will gravitate to Abby's story and the type of gripping fiction that immerses readers into a new, fascinating world.

Blind Hope

An Unwanted Dog and the Woman She Rescued

Kim Meeder with Laurie Sacher

The true account of how a blind dog opened the eyes of a young woman in search of redemption, leading her on a journey from selfishness to selfless love, offers spiritual insight to anyone willing to explore the life-changing power of self-sacrifice.

As owner and operator of Crystal Peaks Youth Ranch in central Oregon, Kim Meeder witnesses life-changing interactions between animals and children on a regular basis. Thus, she's inspired but not surprised when one of her staff members shares a story of her own.

A chance to rescue an unwanted dog is a perfect opportunity for Laurie to prove to herself that she's kind, generous, and unselfish. Expecting to find a delightful canine companion, Laurie is dismayed when the dog she meets is homely, defiant, and going blind. In a flourish of tears, Laurie confesses that Mia, her discarded, unattractive mutt, is a wretched creature—just like her.

Descriptive scenes and heart-to-heart conversations between Laurie and Kim reveal an inspirational story of a blind dog that taught a searching young woman how to love unselfishly and embrace an unseen hope.

Key Points/Quotes

- As in her previous books, Kim's talent for storytelling will captivate readers. The poignant story of Laurie and Mia will tug on every reader's heart as each chapter reveals a theme relevant to their own lives.
- *Blind Hope* extends Kim Meeder's ongoing legacy of hope and healing through stories that capture the miraculous and transforming power of human-animal interaction.
- Meeder challenges readers to explore the personal benefits of pet rescue and self-sacrifice.
- *Blind Hope* illustrates the redeeming power of God's selfless love even for imperfect and selfish people.

Two Brides Too Many

A Novel

Mona Hodgson

In *Two Brides Too Many* by Mona Hodgson, mail-order brides and a Colorado mountain mining camp set the stage for a romantic, Wild West romp certain to appeal to fans of historical romances and fast-paced adventure.

Kat and Nell Sinclair are headed west, to the boisterous, booming mining town of Cripple Creek, Colorado, to start new lives for themselves as mail-order brides. Aboard the train, romantic dreamer Nell carries a photo of her intended close to her heart and imagines an exciting and love-filled future, while her pragmatic older sister, Kat, resigns herself to marriage as a duty, not a delight. But when the ladies disembark at the train depot, neither fiancé Patrick Maloney or Judson Archer awaits them with open arms. The well-bred Sinclair sisters find themselves unexpectedly alone in the wild, frontier town—a place where fire threatens to reduce the buildings to rubble, the working women strut the streets, rogues will gamble for the shoes on one's feet, and God's grace is found among the most unlikely of folks.

Key Points/Quotes

- **Popular genre:** As a historical romance with a late nineteenth century setting, *Two Brides Too Many* is perfect for fans of best-selling authors Tracie Peterson, Lauraine Snelling, Deanne Gist, Tamara Alexander, and DiAnn Mills.
- **Sisters focus:** Sisters are complicated creatures and universally appeal to women. The relationship between the two Sinclair sisters is honest, enjoyable, and heartwarming.
- **Romantic:** Kat and Nell Sinclair are set to be mail-order brides, but can they love their intendeds? What does God have in mind to challenge these young women? The romantic aspect of the story, as the women are wooed, is one of the cornerstones of its appeal.
- **Lively characters:** The Old West comes to life in this action-packed novel with delightful characters like the old miner Boney Hughes and the dancing landlady, the widow Hattie Adams.

Flight of Shadows

A Novel

Sigmund Brouwer

A suspenseful, futuristic tale filled with conspiracy and challenging themes, *Flight of Shadows* is an action-packed sci-fi thriller that irresistibly draws readers in—and doesn't let them go until the final page.

In *Flight of Shadows*, popular author Sigmund Brouwer continues the story of Caitlyn, the girl with wings, who hopes to blend into life on the Outside, beyond the religious control of Appalachia. But soon she's forced to run again, this time from an organization after her body's genetic information. But they're not the only ones pursuing her. Bounty hunter Mason trails her, obsessed with revenge, and government agent Carson Pierce wants more than her wings. Though her survival is aided by Razor, a mysterious and talented illusionist skilled in evading the control tactics of the officials and police, her creators are just as strongly motivated to capture Caitlyn as she is to escape.

Key Points/Quotes

- **Action-packed:** *Flight of Shadows* is a fast-paced, action-packed read that follows the rapid pace of *Broken Angel* but can be read as a stand-alone novel.
- **Best-selling, popular author:** Sigmund Brouwer has written eighteen highly acclaimed novels and has close to three million books in print.
- **Challenging questions about religion and faith:** *Flight of Shadows* explores the concept that while religion can mislead and distort faith, faith itself is relevant, real, and of vital importance to individuals and society. *Flight of Shadows* urges us to look past organized religion and see God.
- **Visionary elements:** Author Sigmund Brouwer explores a possible future society where a complicated caste system has developed from the world's challenges with immigrant issues.

Praise for

Broken Angel:

- "Addictively readable...terrific pacing is surpassed only by the character development." —*Publishers Weekly*
- "Brouwer has the uncanny ability to create a believable, fictional society and draw his audience into the very heart of it." —*FaithfulReader*

Nowhere, Carolina

A Novel

Tamara Leigh

From RITA Award finalist Tamara Leigh comes *Nowhere, Carolina*, a story about the disappointments in life and how these events are redeemed by what happens in spite of one's dreams.

Head cheerleader Maggie Pickwick made some mistakes in high school, but the one that became a blessing is the pregnancy everyone said she should abort. If not for the kindness of a Christian woman, Maggie might not have kept her baby and found God. Twelve years later, Maggie is pursuing a career, raising her daughter, Devyn, and has no intention of marrying simply to provide a father figure, despite her daughter's insistence. Things change when Devyn's father comes back to town—if Reece is really the father, that is. Only DNA will tell, but Reece wants nothing to do with Maggie, no matter how churchgoing she seems now. In the end, Maggie will have to trust God if she wants to give her daughter the father she needs and prove she has learned to love beyond herself.

Key Points/Quotes

- **Can be read as a standalone novel:** Though the second book in the Southern Discomfort series, *Nowhere, Carolina* can be read without having read the previous book, *Leaving Carolina*.
- **Up-and-coming author:** Leigh's previous experience writing romance fiction earned her thousands of fans in the general market and a growing following in the Christian market. As southern romantic comedies, the Southern Discomfort series is not to be missed.
- **Heart of the novel:** *Nowhere, Carolina* shows how deeply a mentor can impact someone's life, especially their spiritual and personal growth, and the importance of not allowing fear to lead one into deception and sidetrack one's faith.
- **Southern setting and colorful characters:** Filled with beautiful North Carolina descriptions, particularly of the Pickwick mansion and the delightful small town Pickwick and its inhabitants.
- **Readers guide:** Questions at the back of the book are perfect for facilitating group discussion.

Shades of Morning

A Novel

Mario Schalesky

***Shades of Morning*, by Christy Award-winning author Marlo Schalesky, is a powerful story of lost love, painful regret, and the chance for new beginnings.**

Ever since Marnie was young, she's written down all her regrets, all her sins, and all her sorrows on pieces of paper and stored them away in a locked box. The box reminds her to try harder, to be kinder, to always give others a second chance. Everyone, that is, except herself. Then Marnie's world is unhinged when she discovers her sister has died in an accident, leaving Marnie to care for a fifteen-year-old nephew she's never met. As her nephew Emmet works his way into her heart, probing letters from Taylor Cole, her sister's attorney and the man Marnie once loved, become Marnie's lifeline to truth and healing. Just as she begins to take steps into the light and closer to finding forgiveness, another man shows up—a man of secrets and half-truths, determined to destroy Marnie.

Key Points/Quotes

- **Love story with a twist:** Like Schalesky's previous books, the Christy Award-winning *Beyond the Night* and *If Tomorrow Never Comes*, this stand-alone novel packs the intrigue of mysterious characters who come into focus as past and present secrets collide.
- **Strong writing:** Vivid descriptions and believable, intricately-developed characters immerse readers into this evocative tale of tragedy and triumph.
- **Contemporary women's drama:** Mario Schalesky's characters, writing, and storylines will appeal to the readers of other popular, beloved writers of women's drama, like Karen Kingsbury and Robin Lee Hatcher.
- **Redemptive themes:** God's gifts in our lives don't always come in pretty packages. Often they come wrapped in ways we don't like and don't want. But God uses these unwanted gifts to free us from sin, regret, and to transform our lives and make us new.
- **Key verse:** "The Sun of Righteousness shall arise with healing in His wings..." —Malachi 4:2 (NKJ)

Churched

One Kid's Journey Toward God Despite a Holy Mess

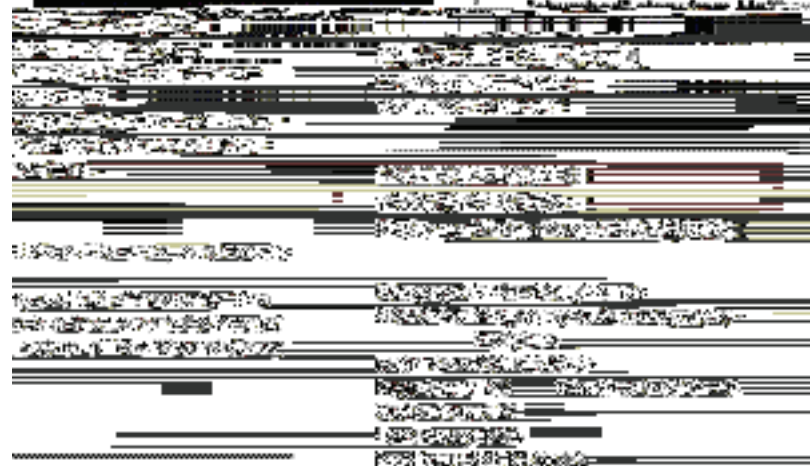

Matthew Paul Turner

In the tradition of personal stories like *Naked* and *Running with Scissors*, Matthew Paul Turner combines humor, truth, and heart in *Churched*, the compelling narrative of life inside the walls of the local church.

Churched details an American boy's experiences growing up in a culture where men weren't allowed to let their hair grow long enough to touch their ears ("an abomination"), women wouldn't be caught dead in a pair of pants (unless swimming), and the pastor couldn't preach a sermon without a healthy dose of hellfire and brimstone. Matthew grapples with the absurdity of a Sunday school Barbie burning, the passionate annual boxing match between the pastor and Satan, and the terror of rapture movies—while growing into a young man who, amidst the chaotic mess of religion, falls in love with Jesus.

Untamed

How the Wild Side of Jesus Frees Us to Live and Love with Abandon

Lisa Harper

This intriguing look at the daring words and unpredictable ways of Jesus challenges Christian women of all ages to let their faith run wild.

Whether or not they recognize it, many people's mental picture of Jesus suggests a mellow, mild-mannered Messiah—more Clark Kent than Superman. But author and speaker Lisa Harper notes that the Jesus revealed in the Bible is infinitely more compassionate and unnervingly more confrontational than we tend to believe. Certainly no one left an encounter with him feeling indifferent! Through an accessible study of select Bible passages, woven into her engaging story-driven style of writing, Harper challenges readers to toss aside their limiting preconceptions and discover a Savior whose love for them cannot be tamed.

Key Points/Quotes

- A popular speaker whose busy schedule includes more than 40 retreats and conferences each year, the author is known to the hundreds of thousands of women who have experienced her unique story-driven approach to biblical exposition.
- Lauded by Max Lucado as one of the "best Bible tour guides around," Lisa Harper is a trusted teacher who holds a master's of theological studies from Covenant Theological Seminary.
- An accessible and engaging read. Lisa Harper's blend of girl-next-door insights and theological substance help readers feel as if they're connecting with a close friend over a cup of coffee.
- Readers will be challenged to re-examine the effects of their own ongoing encounter with Jesus as they consider the intriguing truths revealed in his encounters with people in the Bible.
- A bolder, wilder faith will spring to life in readers' hearts as they gain a clearer perspective of who Jesus is and how ferociously He loves them and fights on their behalf.
- Interactive questions and conversational tone make this a perfect resource for small groups and Bible studies as well as for personal growth.

When pastor Jordan Rau accepts a position with a European missions agency, his decision is not based on an opportunity to serve God, but on the monetary rewards the position would bring him. However, shortly after his family's arrival in Germany, Jordan's priorities dramatically change after his young son, Chase, is murdered. Abandoning his faith in God, Jordan becomes obsessed with finding his son's killers and delivering justice by his own hand. Anna Finch and the Hired Gun

A Novel

Kathleen Y'Barbo

In *Anna Finch and the Hired Gun* by Kathleen Y'Barbo, an avowed wallflower chases her dream of being a reporter and winds up caught between infamous gunslinger Doc Holliday and a Pinkerton agent bent on revenge.

Still unmarried at age twenty-five—and not sure she wants to marry, anyway—Anna Finch finally gets her chance to fulfill her dream of becoming a reporter when she has a chance meeting with infamous gunslinger Doc Holliday. Her efforts are hampered, however, by the Pinkerton agent hired to keep her away from the charming attentions of a womanizing nobleman. Jeb Sanders can't believe he's being forced to babysit a rich girl, but once he realizes she's in contact with Holliday, his need for revenge trumps everything else. As Anna and Jeb become tangled in Doc Holliday's story and each other, will their opposing goals tear them apart—or bring them together?

Key Points/Quotes

- **Popular genre:** *Anna Finch and the Hired Gun* is set in 1880s Denver, a world that combines the Wild West with the genteel society of the wealthy.
- **Up-and-coming author:** With *The Confidential Life of Eugenie Cooper*, Kathleen's previous novel, and now *Anna Finch and the Hired Gun*, Kathleen is set to establish herself as one of the best voices in historical fiction today.
- **Romance:** From the setting itself—the glitzy mansions of silver barons, the breathtaking beauty of the Colorado landscape—to the storyline, *Anna Finch and the Hired Gun* is full of romance and adventure.
- **Fun historical elements:** With appearances by such historical figures as Doc Holliday, Wyatt Earp, and members of the famed Pinkerton Agency, *Anna Finch and the Hired Gun* knows its setting and period well but maintains a playful attitude.
- **Sequel that can be read as a standalone:** Though it's a sequel to *The Confidential Life of Eugenie Cooper* and features many characters from the first book, *Anna Finch and the Hired Gun* can be read as a standalone.

The Iron Wagon

A Novel

Al and JoAnna Lacy

Back by popular demand, John Brockman from the *Journeys of the Stranger* series and Breanna Baylor from the *Angel of Mercy* series return in *The Iron Wagon*, with all the adventure, romance, and historical authenticity of the Lacy's previous novels.

At age 21, Paul Brockman—son of John “the Stranger” Brockman and his wife Breanna—becomes a lawman like his father. His strong fists, skillful quick-draw of a Colt .45 revolver, and his unwavering faith in God come in handy as a deputy U.S. marshal. When Paul transports five killer outlaws to the federal prison in an iron wagon, he meets lovely Lisa Martin, a genuine Christian young lady, a little over a year younger than himself. Lisa needs a ride to Yuma, Arizona and Paul takes her with him as he drives the iron wagon. But when angry Apache Indians surround the wagon, Paul faces the greatest test of his skills—and his faith—he’s ever known.

Key Points/Quotes

- **Third in series:** This is the third novel in the thrilling Return of the Stranger trilogy, following *Outlaw Marshal*.
- **Proven storytellers:** With over 3 million books in print, the Lacy's have been entertaining readers since 1980 with novels set in fascinating locales, relatable characters fans love to cheer for, and inspirational storylines that tug at the heartstrings.
- **Biblical:** All the Lacy's' books clearly present the biblical truth about Jesus Christ and the path to eternal life.
- **Enduring genre:** Fans of movies *3:10 to Yuma*, *The Assassination of Jesse James by the Coward Robert Ford*, the *Comanche Moon* TV miniseries, and the *Justice Rider* novels by Chuck Norris will enjoy the Lacy's' books. The charm of *The Iron Wagon* is reminiscent of classic Westerns starring Gary Cooper and John Wayne.

The Signature of God, Revised Edition

Conclusive Proof That Every Teaching, Every Command, Every Promise in the Bible Is True

Grant R. Jeffrey

A detailed defense of the Bible's trustworthiness, to reassure believers whose faith has been challenged by the strident attacks of the New Atheism.

Is the Bible a legend, or the fanciful history of an ancient, superstitious tribe, or the wishful thinking of followers of a self-styled messiah? "It is none of these!" insists biblical scholar and prophecy expert Grant Jeffrey. In *The Signature of God*, Jeffrey establishes that God guaranteed the accuracy of his written self-revelation in a surprising variety of ways. Jeffrey draws on the work of ancient secular historians, modern archaeologists, computer analysis, cosmologists, and a variety of scientists, as well as corroborating biblical texts, to prove that the Bible is accurate in its historical, scientific, and supernatural claims.

Key Points/Quotes

- Revised and updated, this new edition includes 9 percent new content and revisions throughout.
- A broad-based argument that draws from the fields of cultural anthropology, textual criticism, archaeology, medicine, science, and ancient Middle-Eastern history.
- An international bestseller English-language editions of this book have sold nearly 550,000 units, with more than 100,000 units sold in 24 other languages.
- This is a pressing topic, with spokespersons for the New Atheism continuing to attack the validity of Christian faith.
- A recognized expert, Grant Jeffrey hosts a twice-weekly prophecy program on TBN, which reaches the homes of 20 million viewers.
- A diverse audience awaits. Sceptics will read the book to see what the opposition is saying. Christians will read it to bolster their beliefs and to find arguments that defend the reliability of the Bible.

Turning Your Heart Toward God

Kay Arthur, David and BJ Lawson

This six-week, no-homework study of the Beatitudes and what it means to live a truly blessed life provides an excellent resource for leaders and members of Bible study groups, Sunday school classes, and small groups.

In his well-known Sermon on the Mount, Jesus identified certain attitudes that bring God's favor: weeping over sin, demonstrating meekness, hungering and thirsting after righteousness, showing mercy, nurturing peace, and more. Some of the phrases have become so familiar that we've lost sight of their true meaning. This fascinating study from the Bible experts at Precept Ministries International guides readers into a new understanding of what it means to be blessed by God and how to align their hearts with his priorities.

Key Points/Quotes

- A popular, best-selling Bible teacher, Kay Arthur is beloved around the world, and her national radio and television programs reach a potential worldwide viewing audience of over 94 million.
- The desire to be blessed by God is nearly universal, and study groups will appreciate this lively look at how the Beatitudes affect their daily choices.
- More than 700,000 copies of the popular 40-Minute Bible study series have been sold already, with 18 previous books in the series.
- With no homework required, the six easy-to-use studies in every guide meet readers right where they are and can be covered in just 40 minutes.
- Designed for on-the-go people, every book in this series contains all a group needs to complete the study, including the verses printed right in the book. This makes it an ideal resource for lunch-hour Bible study groups, neighborhood studies, or Sunday school classes, as well as for busy people who want to study the Bible for themselves.
- Using the inductive approach made popular by Kay Arthur, readers will discover for themselves the rewards that come from cultivating heart attitudes that please God.

The Charlatan's Boy

Jonathan Rogers

Twain meets Tolkien in *The Charlatan's Boy* by Jonathan Rogers, the fantastical adventure of a boy searching for the secret of his own origin.

Grady is an adolescent orphan who tramps around the island of Corenwald with a huckster named Floyd. He doesn't know who he is or where he came from, and Floyd is vague on the matter, as he's more concerned with their struggle to cobble together a living. They look back with longing on the prosperous days when they toured their "feechie act" in Corenwald's frontier villages, but nobody believes in feechies—the mythical wild tribesmen who supposedly inhabit Corenwald's swamps—any more. Since feechie scares were good for business in years past, Floyd decides to manufacture one. The plan works, but Floyd's hoax takes on a life of its own, devolving into widespread panic. Eager audiences become angry mobs, and the hucksters are put to flight. In the ensuing chaos, Grady discovers a clue that sets him on a journey to discover his true identity.

Key Points/Quotes

- **Identity plot:** Like other heroes created for the fan and up reader—Harry Potter, Percy Jackson, Charlie Bucket, and Hugo Cabret—the charlatan's boy doesn't know where he has come from or where he should be going, a theme that connects powerfully with young readers in the process of discovering where they fit in the world.
- **Vivid setting and rollicking adventure:** When a traveling charlatan's scheme leads to widespread panic, the results are hilarious, then terrifying, and finally reveal deep secrets in this frontier fantasy filled with characters who live and work beyond the edges of polite society—cattle drovers, hunters, timber cutters, swamper, and raftsmen.
- **Distinctive American tone:** While much of the fiction in this category carries a distinctly British tone, due primarily to the British authors who dominate it, *The Charlatan's Boy* pays homage to Mark Twain's America, where the boy reminds readers of the great, mystical places and dialect specific to the US South.

The Pirate Queen

A Novel

Patricia Hickman

In *The Pirate Queen*, author Patricia Hickman's lyrical, honest storytelling brings to life a Southern woman who wakes up one day and finds she has lost herself.

Saphora Warren, a wealthy socialite, has packed her bags and plans to run away to her family's Outer Banks vacation home, her special place. After a party, she steals upstairs to gather her belongings and leave, but is interrupted by the arrival of her surgeon husband, Bender, who has come home in the middle of the day. He tells her he is sick, dying of cancer, and he wants her to take him to their home in the Outer Banks to die. The summer Saphora planned to spend alone, figuring out who she has become, devolves into a cauldron of domestic havoc as her very needy grown children, grandchildren, and other friends and relatives descend on her private haven. But out of the chaos and grief comes redemption as Saphora rediscovers her family—and herself.

Key Points/Quotes

- **Award-winning author/speaker:** Hickman's work has been praised by critics, readers, and peers in such glowing terms as quirky, beautiful, a triumph, humorous, intimate, deep, and a virtual feast for the senses. She has won two Silver Angel Awards for Excellence in Media and her novel *Katrina's Wings* was a *Romantic Times* Reader's Choice Gold Award winner. *Painted Dresses* was a *Pulpwood Queens* selection in January, 2009.
- **Powerful family themes:** Saphora Warren desires autonomy and believes she must out her family ties to achieve it. However, in the crucible of an unexpected family crisis, she realizes she can find joy in her life and in her family, even if it isn't what she may have chosen for herself.
- **Redemptive message:** Like a pirate looking for buried gold, the main character, Saphora, learns to see the treasures hidden within broken people and situations that others would overlook or simply avoid.
- **Southern setting:** The beautiful Outer Banks of North Carolina and the tourist town, the "sailing capital," of Oriental, North Carolina serve as home for Saphora Warren's vacation home and family drama in *The Pirate Queen*.

Saturday Morning

A Novel

Lauraine Snelling

A compelling novel of friendship and faith from best-selling and award-winning author Lauraine Snelling, *Saturday Morning* explores the strength of women's relationships in overcoming life-shattering crises and their ability to nurture hope in the lives of others.

Hope Benson is a driven woman, determined to do all she can for the broken souls who come to Casa de Jesus, a women's shelter in the heart of San Francisco. One of her community efforts is the Saturday Market, where a diverse group of people gather to sell their wares or sample the offerings in the parking lot of the shelter. To this setting are drawn three women whose lives hold little in common with Hope and those she seeks to help—but who are nonetheless broken in their own ways. When an unscrupulous conglomerate threatens to displace the shelter with a commercial development project, the four women join their meager forces in hopes of saving this much-needed haven. As they forge friendships amid the fires of adversity, they find their own longings for home answered in unexpected ways.

Key Points/Quotes

- **New value price:** This new edition is available for only \$6.99, making it an irresistible buy.
- **Popular author:** With a strong record of best-selling works, Lauraine Snelling proves yet again in *Saturday Morning* that she deserves her loyal readership.
- **Fresh setting:** While so many recent novels have focused on small-town or rural settings, *Saturday Morning* breaks away from the pack by highlighting close relationships among residents in an urban setting, providing a rich, authentic glimpse of San Francisco life.
- **Celebrates the strength of women:** Broken by personal tragedy, characters pool their meager resources to help women with even greater needs, and in the process discover a previously untapped, God-given strength residing deep in their souls.
- **Spiritual relevance:** The theme of trusting in God is woven throughout the storyline, prompting us to examine our own reluctance to reach out to the individuals God brings into our lives.
