Between Two Shelves

The Cabell County Library has started a podcast. *Between Two Shelves* is available on Spotify, Apple Podcast, Google Podcast, and Anchor. Tune in for our twice a month visit with library staff, authors, and interesting and informative story tellers. Don't forget to add it to your favorites or "Like"!

The Friends Script

Well, I must say that all good things eventually come to an end, and my time as Friends President is one of those good things! An experience I'll never forget. By the time you read this column, someone else will be the new Friends President.

I am a firm believer in "fresh eyes," encouraging someone else with different viewpoints, following others with different viewpoints, in a progression. That way, things will advance. I have had this position for four years now and it is time for someone else to step up and provide those "fresh eyes" I spoke about. The Friends have survived Covid-19 and all that has entailed. And I'm reporting to you that we are in good shape, both physically as well as financially.

We are back on track with having our thrice yearly Book Sales, which is a major fundraiser for our group. But, more importantly, the Friends continue to support the Cabell County Public Library with our efforts as well as with our money. The Friends continue to underwrite the Summer Reading Programs for both children and adults, details of which can be found in this issue of *The Connection*. The Friends provide funding for all manner of repairs to the buildings in the CCPL system. We support guest speakers and other special programming too.

Most importantly, the Friends have provided funding for the new branch library building in Barboursville. Enough funding that our name will appear as sponsoring one of the rooms within the library itself! If you have not yet visited the new building, treat yourself and take a little drive to Barboursville and see for yourself what everyone is talking about!

Of course, it goes without saying that the work of the Friends could not happen without you, the dues paying member! Not only do the Friends collect membership dues, but we also have major donations from certain Friends members that are used for various projects in the CCPL system. Thank you Friends for all that you give. Please continue to make the Friends a major part of your gift giving. That money makes all the difference in the world!

All that being said, I will continue to serve as a Friends Board member. I promise to do all that I can to support this wonderful group, the Friends of the Cabell County Public Library.

Goodbye.

William Patton, President
Friends of the Cabell County Public Library

The Director's Column

Hello! If you are reading this, you might be wondering: who is Breana Bowen, and where is Judy Rule? If you have not yet heard, Judy retired in March after a lengthy 54-year career. I was selected to follow in her footsteps as the Library Director. For those of you who might be curious, I am from this region and I have worked for the Cabell County Public Library for the past nine years as the Assistant Director for Youth Services. Before then, I worked for the Columbus Metropolitan Library. I decided to move back home to give back to the area that raised me. I love libraries and helping people, and I feel blessed to have been given this opportunity to serve the Tri-State region through library work.

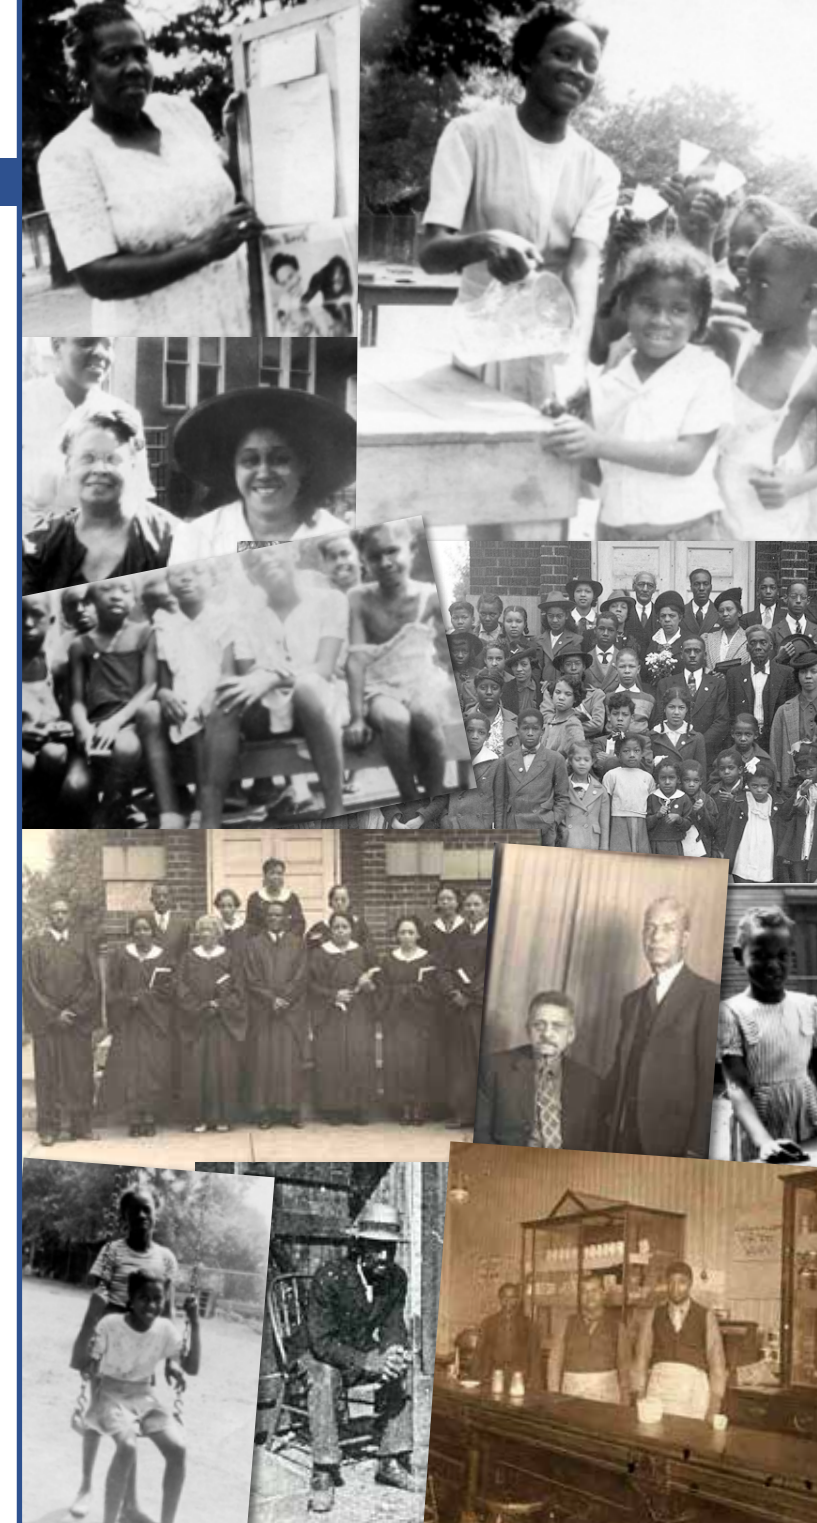

Now that we have that out of the way, this is an exciting time of year – Summer Reading time! The staff have created some wonderful programs for you; they are listed throughout the pages of this newsletter. Please attend a program or two this summer and tell a friend about the exciting things happening at the library. We always appreciate your word-of-mouth advertisements!

Since our last Connection, many great things have happened at some of our libraries. The new Barboursville Library is nearly complete and is open to the public. It is absolutely beautiful! The Gallaher Village Library had new siding put on the exterior of the building, and will have some internal renovations as well. The West Library's sunroom is being renovated courtesy of the Friends of the Cabell County Public Library. By the time you are reading this, the outside mural at the West Library should be complete or almost complete. The mural was made possible by the Institute of Museum and Library Services as a part of our award for being given the National Medal and valued library supporter Leslie Petteys. The mural gives a nod to many regional authors. Go check out all of these library updates when you have time!

I would like to share a very exciting announcement with you – beginning July 1, 2022, the Cabell County Public Library and all branch library locations are going **Fine Free!** We want to do away with barriers keeping individuals from checking out materials. We will still charge for lost and damaged items; however, daily fines will no longer accrue for our users. More information about this service will be provided within the coming month.

With that, I would like to end my first Director's Column. I hope you all have a beautiful summer, and I hope to see you at the library!

Breana Bowen, Director
Cabell County Public Library

Author Visit with Richard Hartman

Sat., June 4. 2:00 – 4:00 P.M.

Join us as we host author Richard Hartman in a celebration of his latest work *A Night in the Woods and Other Absurdities of Life*. Richard is a native West Virginian who has held a wide variety of public service jobs, ranging from forest ranger to administrative law judge, to adjunct faculty member. His writing reflects the various, and often humorous experiences he has had in these various roles. He currently lives and writes in South Charleston.

Author Visit with Shelia Redling

Sat., July 30, 2:00 – 4:00 P.M.

The Cabell County Library is delighted to host an appearance by Huntington's very own Sheila Redling. Writing as S. G. Redling, Sheila has been wildly successful with nine mysteries/thrillers. Her work and workshops have influenced countless aspiring authors. Sheila will speak upon her craft, the trials of publishing, and will answer any questions you may have. This is an in person event which will also be streamed.
