**CHASING GOD**  
**by Angie Smith**

Matt Casey  
June 6 - July 11  
Joy 122

Religion is exhausting. Chasing God trying to shape a theology to suit our taste, the times or the current crises is fruitless. Come learn to follow Jesus and not chase who you think He is. Learn to look at Him and not for Him.

**WHEN WE SAY OUR FATHER**  
**by Adrian Rodgers**

Matt Casey  
July 18 - August 29  
Joy 122

A study of the Model Prayer in Matthew 6. Prayer changes us. How does Jesus want us to live, based on how He taught us to pray?

## Elevate 11:00 AM

At Sherwood, we believe spiritual growth is important. For that reason, we challenge every person to do life with other believers in a Connect Group. A Connect Group is an environment of biblical community where students can feel welcome and accepted, encounter Christ and His Word and be disciplined. Our groups spend time in God's Word through Bible-based curriculum. Each group is encouraged to study the Bible weekly and hang out quarterly.

## **HORIZONTAL JESUS**

6:30 PM | FAITH 209

June 2 - June 30

by Tony Evans

Steve Dzuiban + Billy Guin

Discover how your vertical relationship with God is connected to horizontal relationships with others. Loving God is vertical love. Loving others is horizontal love. Jesus showed His disciples how these two loves are intertwined in practical ways. While our relationship with God is based on faith alone, He warns and encourages us to see that the way we treat people affects our experience of Him. In this study, you'll learn how to apply biblical principles drawn from several one-another passages in Scripture. In doing so, you'll reap blessings in your vertical relationship with God.

## **BOOK OF PHILIPPIANS**

6:30 PM | FAITH 209

July 14 - August 4

Steve Dzuiban + Billy Guin

Although Paul was writing from prison, joy is a dominant theme in this letter. The secret of his joy is grounded in his relationship with Christ.

## EVERYDAY THEOLOGY

by **Mary Wiley**

6:30 PM | FELLOWSHIP 103 + 104

June 2 - July 28

Holley Richardson

Theology is the study of God, what He has done, is doing and will do in the world. And it's not just for those with formal education or those who work at your church. It's for you in your everyday moments, questions and decisions. It's for the big and little, the exciting and mundane. Our theology is the basis of our faith and touches every part of our existence. In this 8-session study by Mary Wiley, explore 8 essential doctrines: Scripture, God, Jesus, the Holy Spirit, humanity, salvation, the church and the end times. Know God more deeply as you examine these foundational truths.

*\*Childcare is available for all studies.  
Workbooks may be purchased in The Source.*
