# Early Childhood Camp Descriptions (18 months – 5 years old)

## **Ahoy, Matees! \$325**

Arrrrgg! Has your child ever wanted to be a pirate? Come join us for this fun-filled week of pirate fun! We pirates will be using maps to find treasure! Some of our exciting pirate activities include map making, coconut bowling, pirate bingo, creating telescopes, making pirate treasure slime, walking the plank, and so much more! Let your little one be a pirate for a week!

## **Soaring into Space \$325**

3...2...1...BLASTOFF! During this exciting week of camp, we will be learning about astronauts, constellations, the planets, and about our moon! Some of our out-of-this-world activities include moon phases, constellation designs, rocket ship building, space yoga, solar system rotations, moon rocks, and balloon rockets! Let your little one become an astronaut for a week!

## **Arts and Crafts Week \$325**

Does your child love arts and crafts? Then this camp is the right one! Paint-filled squirt guns, bubble art, foam sidewalk chalk, and tie-dye shirts will help you beat the heat. Come ready for some serious outdoor summertime art fun and lots of color!

## **Crazy Colors \$325**

This color-filled camp will give our young campers a chance to paint, mix, draw and spray colors! Using the outdoor space as well as the interior tables, our little campers will be encouraged to have fun while being creative! We'll read Mouse Paint and No More Paint and create our own colorful crafts!

## **Tiny Tykes Challenger Soccer Camp \$375**

Over the past 25 years, Challenger Sports' vast army of international coaches have helped hundreds of thousands of boys and girls learn, improve, master, and fall in love with the sport of soccer. The British Soccer Camp program will contain Challenger's own brand of innovative practice, coached games, camp world cup, cultural education, character building, and FUN! Each camper will receive a t-shirt, ball, and jersey package.

# Early Childhood Camp Descriptions

## 18 months – 5 years old (continued)

### **Let's Go Camping! \$325**

Who wants to go camping? During our camping week we will learn about hiking trails and what to look for on a hike. We will learn how to set up a tent and talk about the gear needed for a successful camping trip! We will learn about animal tracks, how to make s'mores and go on our own trail hike! Some exciting camping activities include nature scavenger hunts, flashlight games, making binoculars, and more! Make your little one a happy camper!

### **Splash! \$325**

Get ready to be wet! We will enjoy LOTS of water play, underwater crafting, action rhymes, as well as singing & dancing! After lunch each day, we will wind down with an ocean-themed story time and then be ready to rest as Baby Beluga sings us to sleep for an afternoon nap. We will complete our fun by mixing up a batch of "Shark Bait" to end our week together!

### **Into the Jungle \$325**

Does your little one love animals or have they ever wanted to go to the rainforest? Come explore what it looks like and sounds like to be there! We will travel to South America and go into the Amazon Rainforest! We will find toucans, monkeys, jaguars and more! We will learn about the different layers of the rainforest and the animals that live in each one. Some fun jungle activities include snake building, rain sticks, climbing through vines, a "monkey see monkey do" game, and more! Come on a jungle safari with us!

### **On the Beach – Ocean Adventure \$325**

Be sure to pack the sun hat! In this camp, children will play in the sand on our beautiful outdoor playground and enjoy some splash time too! We'll read Clark the Shark and Hermit Crabs and make our own crafts such as a shark puppet and hermit crab to take home.

# Lower Elementary Camps (children entering Kindergarten – 2<sup>nd</sup> grade)

## **Adventure Camp \$375 with Ms. Mallory**

This camp is for thrill-seekers looking for an exciting escape from the summertime blur. This camp has been a favorite of ECD campers for over 10 years! Get ready as we go on a different expedition every day to some of the most popular destinations around the Denver area. Current health restrictions/guidelines will guide us as we chose our destinations this summer. Some of our favorite destinations over the years have been Boondocks, hiking, Jump Street, IMAX, and more. Spend the week with your friends as we hit the road on the ECD bus for a different adventure every day! This camp is for rising K-2<sup>nd</sup> graders.

## **Summertime STEAM \$325 with Ms. Walsh**

Using the great outdoors as our platform, our STEAM camp will promote discovery, exploration and inspiration. With the students' curiosity as a guiding force, we will answer their questions through hands-on learning projects. Curious about cloud formation? We will jump into learning about the water cycle and develop our very own water sheds. Curious about why worms cover our sidewalks after a rainstorm? We will build worm hotels and discuss the importance of nutrients in our soil. Science, Technology, Engineering, Art and Math will be the components we touch on each day to encourage all learners to appreciate the world around us!

## **A Little STEAM for Everyone \$325 with Ms. Walsh**

Curious about how things around us work? Interested in snap circuits, makey makey's, or other basic circuitry? Perhaps launching rockets or designing catapults with water balloon is your thing. Join us for a fun, hands-on experience that will satisfy your curiosity for science, tinker with technology, design a prototype to solve a problem, and apply your mathematical thinking in a meaningful way. Release your little engineer to the endless possibilities.

## **Challenger Soccer Camp \$375 with Challenger Staff**

Over the past 25 years Challenger Sports' vast army of International coaches have helped hundreds of thousands of boys and girls learn, improve, master, and fall in love with the sport of soccer. The British Soccer Camp program will contain Challenger's own brand of innovative practice, coached games, camp world cup, cultural education, character building, and FUN! Your professionally coached sessions typically include: Individual Foot Skills, Fakes, Moves and Turns, Freestyle Soccer, Technical & Tactical Instruction, Small-Sided Games, Daily World Cup Style Tournament, and Fantastic Cultural Experiences.

# Lower Elementary Camps (children entering Kindergarten – 2<sup>nd</sup> grade)

## **Snapology Camps \$375 with Snapology Staff**

These active camps teach S.T.E.A.M. concepts through hands-on play, using LEGO bricks and other learning tools. Our camps are designed to spark imaginations, encourage creative reasoning, and learn skills specific to the camp topic (coding, robotics, physics, engineering, animation, architecture, etc). Kids come out of Snapology camps with improved problem solving, critical thinking, cooperative play, teamwork, and presentation skills. Shh...don't tell them it's educational. We are all about FUN! Please request additional information about each camp from our camp director, Sarah Mahoney at [smahoney@evergreencountryday.org](mailto:smahoney@evergreencountryday.org).

## **Chess Wizards \$375 with Chess Wizards Staff**

Chess Wizards is a national program that will come to ECD to offer this summer camps for children going into K through 2<sup>nd</sup> grade. Through a combination of chess and other fun camp activities, Chess Wizards has developed an interactive day camp format that keeps children both physically and mentally engaged during their time with us. Team chess games, puzzles, skill-building, recess time, and physical activities all play an important role in this well-rounded curriculum. A typical day in this camp includes exploring a technical chess concept and fun group challenges which focus on specific chess thinking patterns. Our instructors have hundreds of activities in their Chess Wizards toolbox, such as mini-tournaments, full-class chess games, or creating and designing a unique chess piece to be used in a practice game with new friends. We'll also do our own take on classic fun camp activities, like blob tag and scavenger hunts. Our instructors work hard to provide an exciting learning environment and allow our students to make lasting memories that they will carry with them through the upcoming school year and beyond.

## **Everything Evergreen \$325 with Mr. Buening**

Does your child want to learn about nature, explore the Evergreen trails while making new friends and building confidence? This is a hiking camp for Kindergarten through 2<sup>nd</sup> graders who want to explore some of our beautiful local trails. Each day will be a new adventure! Campers should bring good shoes, a small pack with extra clothing, lunch, snacks, sun protection, and a water bottle. The camp leader will lead the group on trails suitable for everyone. There will be plenty of rest stops for games, reflections, and good conversation.

# Upper Elementary and Middle School Camps (students entering 3<sup>rd</sup> – 8<sup>th</sup> grade)

## **Quest \$375 with Mr. Olson**

Come join Mr. Olson for a week of “quests” as we head out on a different adventure each day. Depending on what will be safe for us to visit this summer, some possible quests ideas will be a trip to the Museum of Nature and Science, mini-golf, laser tag, swimming, fishing at Evergreen Lake, hiking, exploring mines, and visiting the Denver zoo. Although we can't promise we will do each of these things because some are health and weather dependent, we are sure to have a week of fun and excitement!

## **Mountain Biking \$325 with Ms. Goudie**

This camp will give campers the opportunity to learn basic bike maintenance - changing tires, lubing chains, cleaning bikes, etc. Riding many local trails hand-picked by Jill Goudie to suit the age and ability of the group, riders will learn about safety and bike etiquette. We will also ride at some different bike parks in the Denver area, Golden, Lakewood, and Ruby Hill to enable the children to improve their riding skills by riding ramps, berms, small jumps and rollers, while having a lot of fun. There are two planned activities each day. A trail ride in the morning followed by a picnic lunch at a nearby park. The children have a little free time to play after lunch before we leave for our second activity. This may be a field trip to a local bike shop or a visit to a bike park. On the last day of camp, we hope to go to Evergreen lake and have some paddleboard fun.

## **Harry Potter \$350 with Mrs. Lavin**

Congratulations, you have been accepted into Hogwarts School of Witchcraft and Wizardry! Come join Mrs. Lavin, 10th grade English teacher at Evergreen High School, for some magical adventures as you begin your studies as a wizard. Students will be sorted into houses, make their own wands, play Quidditch, learn about magical creatures, master spells, and participate in other enchanting classes just like Harry Potter and his friends. We will hone our reading comprehension skills while having fun with magical games, spellbinding discussions, and mystical crafts.

## **Percy Jackson \$350 with Mrs. Lavin**

Do you love learning about valiant heroes and fierce monsters? Join us as we become Greek warriors through our study of the amazing Percy Jackson series! Students will craft their own armor, create art projects based on ancient myths, compete in Olympic games, and battle some wild creatures of Greek lore. Get ready to become a demigod and follow your mythical journey like Percy and his friends!

## **Everything Evergreen \$325 with Mrs. Knabenbauer**

Does your child want to learn about nature and explore the Evergreen trails while making new friends and building confidence? This is a hiking camp for students going into 3<sup>rd</sup> through 8<sup>th</sup> grade in the fall. Each day will be a new adventure, exploring some of our local trails. Campers should bring good shoes, a small pack with extra clothing, lunch/snacks, sun protection, and a water bottle. Mr. Buenning, the camp leader, will lead the group on trails suitable for everyone. There will be plenty of rest stops for games, reflections and good conversation.

## **Tech Extravaganza \$325 with Mrs. VanArsdall**

This camp is for anyone who is interested in trying out different tech experiences! With Lego Robotics, web design, 3D printing, movie making and more, we will spend the week focusing on one aspect of tech each day. All skill levels are welcome, and students may bring their own devices with parent permission or use camp-provided equipment. It is sure to be a fun week!
