**Kalamata's Kitchen**  
Sarah Thomas  
Created by Derek Wallace  
Illustrated by  
Jo Kosmides Edwards  
HC: 9780593307915  
GLB: 9780593307922  
EL: 9780593307939  
Ages: 4–8  
Theme: Cooking

Tomorrow is Kalamata's first day at a new school, and she's nervous! What if the kids aren't friendly? Or worse, what if they don't like alligators?! If only Kalamata and her alligator friend, Al Dente, could go to back to the Indian spice market they visited this summer, maybe she'd remember how to feel brave when new experiences seem scary.

Luckily for Kalamata, all the magic required for her journey is right in her own kitchen! As Kalamata and Al Dente transport themselves to a magical land filled with tasty ingredients, she realizes being brave is exciting! And most important, she learns that when we're nervous about trying new things, food can comfort us and remind us to stay curious, courageous, and compassionate.

Frances Gilbert  
 Illustrated by Vin Vogel  
 HC: 9780593303573  
 EL: 9780593303597  
 Ages: 3–7  
 Theme: Action & Adventure

FLERK. Nope. Never open the door, or else . . . OH NO!  
 The kids in this book opened the door!! Slime is everywhere!  
 It's icky and sticky and gloppy and gunky. There's no hiding it.  
 And now it's on the move, heading for the school, ready to take  
 over the whole town! Well, it truly takes a village to defeat this  
 fluorescent menace. Not until every construction worker, cook,  
 kid, and member of the marching band pitches in does the slime  
 get divided and conquered . . . until one tiny blob is left, *glerp*,  
 that fits neatly into a lunchbox. Whew! Well, that takes care of  
 that, right? *Phlop*.

Not since *THE BLOB* has a tenacious, tensile terror so paralyzed  
 and terrorized a suburban landscape. In every town, in every  
 home with children lurks this menace. With its hilarious deadpan  
 tone and nearly as many onomatopoeic noises as *The Book with  
 No Pictures*, this clever storytime hit will captivate children and  
 grown-ups alike. Slime lovers, who are legion, will relish every  
 glorpy word!

Just like most cats, this cat lives an extremely comfortable life. But he has his problems, too!

The sunspot he's trying to bathe in won't stop moving. He keeps getting served dry food instead of wet. And don't even get him started on the vacuum—it's an absolute menace! And the nosy neighbor squirrel just can't seem to mind its own business. Will this cat ever find the silver lining?

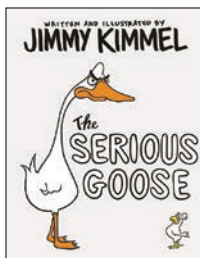

## Cat Storage Baskets

**What you'll need:** 25-foot piece of 1/4 inch jute rope, tacky glue, hot glue, embroidery floss/string, pink button, googly eyes

- 4 Cut three 4-inch pieces of embroidery floss and knot them in the center. Lay the basket on its side, ears up. Glue the knot and whisker ends to the basket, then glue a pink button to the knot.
