

SUN CITY WEST, AZ

Welcome to America's premier
golf resort retirement destination

Welcome!

Welcome to the Recreation Centers of Sun City West, and your new future in active-adult resort living! We are confident you've chosen the absolute best golf retirement community in the nation, and we're proud to build upon the Del Webb legacy that's earned us an international reputation for excellence.

As a new Owner-Member of our Association, you are another asset in this fine community, and we encourage you to take advantage of the many recreational, social, educational and physical activities offered by the Rec Centers.

This packet contains valuable information and, while we understand if you're overwhelmed right now with all the activities and amenities your new community offers, we ask that you take the time to review it carefully. We also recommend you keep it handy so you can refer to it often; it is an invaluable source of information about the Recreation Centers.

Similarly, we recommend you visit our official Association website, suncitywest.com, for the latest news, current events and up-to-date information. You also will begin receiving our monthly

newsletter, the Rec Center News (delivered free the last Wednesday of each month in the Sun City West Independent), which contains details about all there is to see and do here.

Please plan to attend one of our Newcomers' Orientations and Coffees. They are held three times a year (January, April and October) and are an enjoyable and convenient way to discover more about the Recreation Centers and other community organizations. They also provide a wonderful opportunity to meet other newcomers. No other forum packs in so much useful information about this community.

You will want to visit all the recreation facilities and learn about the programs available to you. Our friendly staff members have a wealth of experience and are happy to assist you as you participate in the active lifestyle that is the hallmark of Sun City West. If you have any questions or concerns about the facilities or programs, please feel free to stop back in the Member Services Office or call our main number at 623-544-6120.

Congratulations on selecting the incomparable Sun City West as your home. We know you'll be as proud of this Association as we are!

Sun City West is an unincorporated community within the Northwest Valley of Maricopa County. Opened by Del Webb in 1978, the community was completed in 1997 and includes about 17,500 homes and nearly 29,000 residents.

Sun City West is age-restricted, and at least one resident in each household must be at least 55 years old. No one under 19 is allowed permanent residency, although the Association abides by all Fair Housing Laws and the Americans with Disabilities Act.

As an unincorporated entity, the community is governed by the Maricopa County Board of Supervisors. The Recreation Centers of Sun City West Inc. was set up by Del Webb to operate the community's recreation centers, golf courses, library, bowling center and other Association property. The "Rec Centers," as the Association is known, is governed by an elected nine-member Governing Board. The directors are volunteers, receiving no compensation for their service.

The Governing Board is responsible for setting policies and for hiring a General Manager. The General Manager, in turn, is responsible for hiring professional staff to carry out those policies.

TORCH

Want to learn more about how an unincorporated community, with no centralized city government, functions as well as Sun City West does?

The No. 1 way to learn the ins and outs about life in unincorporated Sun City West is by taking our seven-week TORCH Citizens Academy.

TORCH stands for Tapping Our Resources, Citizens and Heritage. The Academy is held every fall and spring; each academy is seven consecutive Thursdays,

about four to five hours per class. It's a big commitment, but that's because it's such a comprehensive class. You will learn about Sun City West's history, its governance, how it operates in cooperation with our sister non-profit organizations that help Sun City West provide the many services we need, without the

high taxes that come with incorporation.

SIGN UP FOR TORCH

Registration forms are available online at suncitywest.com, or by calling the Governing Board Executive Assistant at 623-544-6115.

You'll learn about our budgeting and finances, recreation and golf divisions, facilities maintenance, public relations and marketing, bowling, library and more. You'll hear from the experts who head those areas, and enjoy behind-the-scenes tours unavailable to the public.

You'll hear from leaders of other community groups such as the Sun City West Foundation, Posse, PORA, PRIDES, Fire District, Community Fund, Sun Health, Helping Hands, Benevilla and more.

TORCH classes are limited to about 42 students to ensure the best experience possible. That means classes fill up quickly, so we encourage you to sign up early.

Since it began in Spring of 2009, hundreds of residents have graduated from this prestigious academy better versed in all things Sun City West. We highly encourage you to join this elite group.

Governing Board

Governing Board Office

623-544-6115

gb@suncitywest.com

The Governing Board is an elected body of nine resident Owner-Members who establish bylaws and policies, and oversee the operation of the Recreation Centers of Sun City West.

Governing Board members serve staggered three-year terms. Owner-Members elect three new directors each year.

Governing Board meetings are held 9 a.m. on the fourth Thursday of each month, except November and December, when the dates are moved due to the holidays. There are usually no meetings in July and August. Workshops are generally held at 9 a.m. the second Friday of each month. Workshops and regular meetings are in the Lecture Hall. Meetings are open to the general membership.

BOARDDOCS

Our centralized repository for Governing Board information is called BoardDocs. Agendas, meeting schedules and minutes can be found there, as can Bylaws, Articles of Incorporation, Policies and other important information. Visit

boarddocs.com/az/rcsw/Board.nsf/public

(If you forget this address, or you are looking for any other digital material from the Rec Centers, just start at suncitywest.com, and you can route your way to just about any information you might need.)

Call the Governing Board Office at 623-544-6115 to confirm meeting times, dates and locations.

Governing Board Elections

Beginning in March 2017, the Association began conducting its annual Governing Board elections online. Provisions also are made to allow in-person balloting on Election Day for those who do not use computers.

Only Owner-Members in good standing may vote. Information is provided well in advance through the Rec Center News, online and on bulletin boards.

If you wish to vote online, we encourage you to provide your email address well in advance of the election (which is held in March), so we can email your ballot. Each Owner-Member must have their own email address on file to vote online (spouses may not share an email address). You only need to register your email address once and it will remain in force for subsequent elections, unless you change it.

Who's Who - RCSCW & PORA

Because Sun City West is unincorporated, the community relies on the efforts of many different organizations to provide services that a city would normally provide.

Although the Rec Centers is well-known by most residents, we are not the city government. We are more of a parks and recreation department. We do not handle roads or traffic or crime or businesses, or the like.

We are responsible for the properties and

facilities owned and operated by the Association, our special events, our activities and our chartered clubs.

One of the many other organizations that helps keep the other parts of Sun City West running in lieu of a city government is PORA (Property Owners and Residents Association). Membership in this organization is voluntary, but encouraged, as it is highly affordable and they do so much good work in our community.

Below is a summary of just a few of the differences in our two organizations, to help guide you as you learn who to turn to for the different services you need.

To learn more about our other sister organizations who provide important services in Sun City West, we encourage you to take the TORCH Citizens Academy. More information about that important program can be found in the front of this magazine.

Annual Meeting

The Association operates on a fiscal year, from July 1 to June 30. As such, our Annual Meeting comes at the end of our season, in June.

Per Arizona law (ARS 33-1804), notice of this annual meeting is provided by mail to every Owner-Member. We mail a postcard to each Sun City West property address. Notice also is provided in the Rec Center News, online, and on our bulletin boards.

Attendance is not mandatory but is encouraged. It is a great opportunity to share with the Governing Board any questions, concerns or ideas you have about the Association.

An organizational chart available at suncitywest.com shows the Association's management levels. The Governing Board is responsible for hiring a General Manager. The General Manager, in turn, hires and manages the staff.

The Governing Board is responsible for setting policy, while Management is responsible for developing procedures to carry out those policies, and running the day-to-day business of the Association.

You may contact any staff member by sending

an email to info@suncitywest.com; or by sending a letter to the Administrative Offices at 19803 R.H. Johnson Blvd., Sun City West, AZ 85375. Your name and Member Card number must be included in all correspondence. In addition,

all managers maintain open-door policies and invite you to stop in and see them.

Member Comment Forms are the easiest way to bring questions or concerns to staff's attention. The forms allow staff to track issues, note trends, and ensure members are contacted personally if they want a direct response.

Member Comment Forms are available at all the recreation centers, at the Administrative Offices, and at suncitywest.com. You may submit the Member Comment Form online, or give a completed form to a monitor at any of the Association recreation centers, deliver it to the Administrative Offices, send it to info@suncitywest.com, or fax it to 623-544-6050.

Bylaws and Policy Statements that Management adheres to are available on the Governing Board pages of our website. The annual budget is available online at suncitywest.com.

Employment Opportunities

More than half of the 450-plus employees of the Association are Sun City West residents who work full-time or part-time in a variety of positions. Employment opportunities are posted at the Human Resources Office, 19803 R.H. Johnson Blvd., and online at employment.suncitywest.com.

You may apply for open positions by visiting the Human Resources Office, open between 8 a.m. and 3 p.m. weekdays; online at suncitywest.com; by fax at 623-544-6124; or by email at hrsearch@suncitywest.com.

CC&Rs

The following items do not represent all the CC&Rs (Covenants, Conditions and Restrictions) or policies set by the Recreation Centers of Sun City West. You were furnished a complete set of CC&Rs when you purchased your property.

If you are a property Owner in Sun City West, you have agreed to follow your Covenants, Conditions and Restrictions (CC&Rs). These include, but are not limited to, the following:

- No motor home, boat, RV, truck, trailer, bus or commercial vehicle may be parked for more than a total of 72 hours in any one month. Such vehicles may not be used as living quarters at any time.
- Shrubs, trees, grass and plantings must be kept neatly trimmed and may not be allowed to overhang or otherwise encroach upon sidewalks, streets or pedestrian ways. Property must be kept free of trash, weeds and other unsightly materials.
- All properties must be kept in good repair and adequately painted. Carports and garages must be kept in a tidy manner if visible from the street. No visible rubbish or debris shall be permitted.
- Only generally recognized household pets are permitted. No pet may be allowed to make an unreasonable amount of noise or to become a nuisance. Maricopa County leash laws apply.
- One member of the household must be at least 55 years of age, and no one younger than 19 may reside in Sun City West. Visiting children may not stay for more than a total of 90 days in a one-year period.

- Residential properties may not be used to conduct business.
- Signs of 6 square feet or less may be posted temporarily on the property and must be removed immediately following the rental, sale, or the advertised event.
- No storage buildings, sheds, or other structures may be erected or placed on the property other than the original single residence.
- No loud speakers, horns, whistles or other sound devices (with the exception of security devices) shall be erected that may interfere with the peaceful enjoyment of the community by its residents.
- Television antennas and satellite dishes are permitted as long as they are kept at a reasonable height and are unobtrusive. Please see complete CC&Rs for details.
- No wall, fence or hedge greater than 2 feet in height may be constructed closer than 20 feet to the front of any lot. Side and rear walls may not exceed 6 feet.
- No outside clotheslines or other facilities for drying clothes may be erected.

Because Sun City West is unincorporated, Maricopa County is the official governing body responsible for this community. The county is governed by a Board of Supervisors, and Sun City West falls into Supervisorial District 4. The county has various regulations and restrictions to which residents must adhere. For information, visit maricopa.gov, or call the District 4 Supervisor at 602-506-7642.

Guest Policy

- All residents who are on the deed of a Sun City West property, are mandatory Owner-Members and pay annual dues.

- Those who are not on the deed but live in Sun City West with a Member, or are renting and choose not to purchase a Tenant or Associate membership, may not use Association facilities as a guest. If they rent in Sun City West, they may purchase a Tenant card. If they are living in the household of a Member, they may purchase an Associate membership.

- Guest fees apply at all facilities, including swimming pools, spas, tennis and pickleball courts, walking tracks, etc. Non-residents pay open/public rates when using our golf courses or bowling; no guest pass is required for golfing or bowling.

- Guests 16 years and older must take the host's Member card with or without the Member for their first activity. The monitor will deduct the ap-

propriate fees from the account and issue the guest a printed receipt; that receipt will provide the guest with access to other facilities for the rest of the day (except for bowling and golf, where separate fees apply). Guests will need to keep and show their receipt for the remainder of the day.

- The legacy pink guest cards are no longer sold but are still honored. These guest cards will be date stamped by the monitor (one date stamp per guest) and afterward, for that date only, the guest card alone is required for use of the facilities.

- Children under age 16 must be accompanied by a responsible adult at all times.

- Guest credits may be preloaded onto the Member's account by calling or visiting Member Services during business hours: 8 a.m. to 3 p.m. Monday through Friday; and at Grandview Golf Course seven days a week during business hours, which fluctuate with the season.

- Guest credits for one-day's use may be purchased at any rec center monitor's station or at the Sports Pavilion, using credit cards only.

- Members and tenants who require a "caregiver card" should stop by Member Services or call 623-544-6100.

- Guest cards and credits are not accepted for checking out materials from the Library. Only Members may check out library materials.

- Guest credits, once redeemed, are not refundable.

We have four beautiful recreation centers to meet your social, physical, educational, and creative needs. Each has something special to offer, so be sure to check out all of them, not just the one closest to your new home!

Public Wi-Fi is available at all four Recreation Centers, the Library, Sports Pavilion and all seven Golf Courses.

SCW'S CHARTERED CLUBS:

Sun City West is built and managed on the philosophy of "Something for Everyone!"

That theme couldn't be more true than in our chartered clubs, which are about 110 strong now. From Agriculture to Zymurgy, there truly is something for just about every

interest out there. Contrast the calm of Yoga with the energy of Rock 'n' Roll Dance; the earthly arts of Agriculture and Garden, with the machine-oriented work of Computers West and the Metal and Wood shops. There are those from Canine Companions and Sunshine Animal clubs who focus on fur babies, while a dozen or more groups love to hone their skills in various arts and crafts.

We have clubs for dancing, socializing, exercising, golfing, tennis, pickleball, softball and cycling.

Maybe radio broadcasting or restoring old cars is your

SOMETHING FOR EVERYONE!

thing. We've got you covered!

Perhaps you like books, or stamps or cards? How about singing? Yep, we've got those, too! Sewing, horseshoes, bowling, photography? Yep, yep, yep and yep!

We even have clubs for those who want to speak Spanish, weave, work with stained glass or paint porcelain.

Maybe you're more of the outdoors-type. We have clubs specializing in four-wheeling, RVing and rock hounding, among a host of other fun and adventurous activities.

Indeed, there's an endless list of activities to keep you busy. You won't be the first person who says you're busier now than before you reached "retirement age." Come to one of our Newcomers' Coffees, or check out the club news in each monthly Rec Center News to find out more. Better yet, browse the scwclubs.com website to find the clubs that suit your interests.

After all, this is Sun City West - where there's "Something for Everyone!"

For more information on our chartered clubs, visit scwclubs.com, or call our Chartered Clubs Specialist at 623-544-6193.

Charters come with perks, responsibilities

The Chartered Clubs are an integral part of the Association and are supervised by the Association.

They are required to follow all Rules, Regulations and Procedures for Chartered Clubs. They do not own the equipment or facilities they use; those are all property of the Association.

The Chartered Clubs are the means by which the Association carries out its assigned task: that of providing leisure, social and recreational activities in a non-discriminatory manner. Chartered Clubs have priority use of Association-owned facilities.

Independent clubs, on the other hand, are free to organize and operate in any manner they see fit. They may tailor their membership to serve selected groups, and they may include people from outside Sun City West. They may also spend their money as they wish. Use of Association-owned facilities is on a space-available basis, and rental charges are assessed.

The buildings and other facilities of the Association are owned and operated for the benefit of its members. Ongoing operational costs (utilities, maintenance and supervision) are supported by the annual dues charged to all members.

A Community of Volunteers

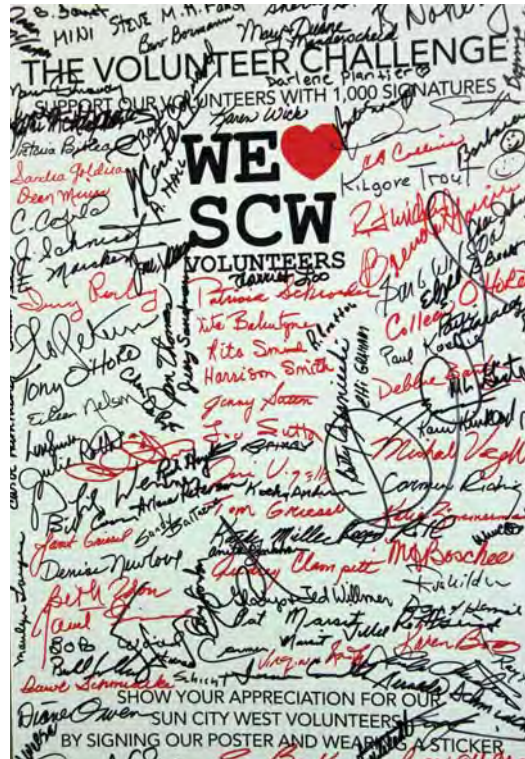

We're so glad you have chosen to live in our premier active-adult community. Hopefully, this bit of history will help you gain a better appreciation of how Sun City West has evolved to become such an amazing place and how it is we're able to continue to offer such a uniquely special lifestyle to our residents.

Del Webb's first Sun City retirement community just east of us was such an overwhelming success that he planned Sun City West as a natural follow up. Our construction began in 1978. Drove of "pioneer" residents moved here beginning in 1979. We always have been and continue to be an unincorporated "island" within Maricopa County. That concept is foreign to many of us, for our life's experiences generally include living within structured municipalities. We have no mayor, no chief of police, no layer of local government (and its associated expense).

So how does it all work? It works, and has worked very well for decades, because of the dedication, cooperation, and participation of our fantastic volunteers. Volunteers are the heart of Sun City West! That's what makes this whole experience in retirement living so unique. For more than 35 years, supportive residents have contributed to protect, maintain, preserve, and further enhance this town of about 17,500 home-sites and all the activities and amenities we enjoy here. They've "paid it forward"- making it such an attractive environment that you've decided to buy a home here.

Although we have no umbrella organization that coordinates all of this for us, numerous organizations work individually and collectively to make Sun City West the success it is.

In 1979, our pioneer residents organized the Property Owners and Residents Association (PORA). Besides providing many other important services, PORA is our liai-

son with Maricopa County and has been successful as our lobbying voice. In 1979, Del Webb Corp. formed the Recreation Centers of Sun City West (RCSCW) to manage and maintain the Association's facilities and programs.

In January 1981, residents ran for our first Advisory Board election. These volunteers worked closely with the developer who was still supporting the facilities, programs, and amenities as the community grew. As the Del Webb Corp. came closer to selling all homes, oversight of the operations and maintenance personnel was turned over to residents in January 1993. Today, a nine-member volunteer Governing Board provides oversight to our Association.

Sun City West is not just comprised of one or two organizations. The Sheriff's Posse of Sun City West was developed in 1978 to supplement the services of our county's Sheriff's Office. Its volunteers work countless hours to help keep us one of the safest communities of its size in the nation. PRIDES was formed in 1982, and works tirelessly to keep Sun City West looking so pristine.

Together, just those two volunteer organizations save our residents hundreds of thousands of dollars each year for services they render that would otherwise appear in tax bills. The Sun City West Foundation, Community Fund, Sun Health Auxiliary, and Arizona Fire and Medical Authority's Fire Corps Volunteers are just a few of the other local organizations making this community safe and successful.

We realize residents want to keep living costs as low as possible. By volunteering, you can help maintain the best

financial bargain for an active-adult community in the country. Look for opportunities to become involved. And don't forget that Sun City West has a lower sales tax than surrounding cities. Shop local merchants to help keep your costs low!

Coyotes: Resident Responsibilities

Wildlife is a natural part of living in Sun City West and, during your residency here, you may encounter coyotes, javelina, snakes and other creatures that call the desert home.

Coyotes in particular are very common, especially at dusk and dawn. You may see them lounging on golf courses, striding up the sidewalk, even sniffing around your yards. These animals are generally unaggressive toward humans, particularly adults. In the last 10 years, there have been fewer than 10 coyote bites to humans in Maricopa County, most involving children. In contrast, Maricopa County Animal Care and Control reports more than 5,300 domestic dog bites during that period.

Coyotes will, however, go after small pets if given the opportunity. Don't take any chances: Keep your pets on short leashes, use the Rec Centers' dog parks, don't leave them outside unattended, and avoid walking your pets at dawn and dusk. If a coyote appears to be pursuing you and your pet at a leisurely pace, use loud noises to scare it away. As long as it maintains a certain distance from you without attempting to close the gap, it is displaying typical coyote behavior.

Asset Preservation Fee

As the facilities and equipment of the Recreation Centers of Sun City West age, there is an increasing burden on the membership to provide financing for major maintenance, repair, replacement and remodeling of these assets.

Members provide this financing through facility investment fees, membership fees, and other charges or assessments. New members of the Recreation Centers of Sun City West have not participated in this financing but receive the benefit of the investment made by past and existing residents.

As of July 1, 2004, new members of the Association share in the investment already made in the assets of the Recreation Centers of Sun City West through the payment of a one-time Asset Preservation Fee. This is in addition to the Resale Transfer Fee.

The Asset Preservation Fee does not apply to those residents who have been Owner-Members and sell their home to change their primary residence within Sun City West. The fee also will be waived for former Owner-Members who purchase another home in Sun City West as their primary residence within one year of selling their other home. Investment-property owners are required to pay this fee on each unit they own.
