SKID STEER Mounting

Bale Grabbers are supplied with hoses and hydraulic (male & female) couplers for most tractor loader mounting. For attaching to Skid Steer (2) PN #18X15 (18 x 1.5mm) adaptors (**½" male pipe thread on coupler end**) are required. Flat Faced Skid Steer couplers **with ½" female pipe thread** must be sourced locally depending on make & model of the skid steer.

No credit is allowed for return of tractor loader hydraulic couplers.

Part #	Description	List Price
