## Who Participates?

Successful Auction depends on YOU! Parent volunteers lead the Auction Committees that solicit donations, develop school projects, design the event, secure underwriting, organize socials and perform countless other tasks that culminate into one great big Auction party on February 3, 2018.

## CLASS PETS - PRE-K, KINDER, AND T1

Breathe a sigh of relief, your child won't be bringing home Squeakers the pet hamster! Lamplighter's Class Pets are of the "stuffed" variety and each accompanies their very own story. This year, our Early Childhood teachers selected their favorite books and the pets that go along with them. In the fall, each child from Pre-K, K, and T1 will have the opportunity to take their class pet home for one night and journal about their adventures together. But these pets can't live in the classroom indefinitely. They need forever homes and can be "adopted" on Auction night!

Some of our Lamplighter specialty teachers and faculty have pets too! Dr. Hill, Ms. Mullens, Ms. Krage, and Ms. Vermillion have been known to keep pets at school. These pets can be "adopted" by Early Childhood or Lower School students.

## CHILDREN'S BASKETS

Some of the most anticipated items up for bid on Auction night are the beloved Children's Baskets. Baskets contain both items and experiences. Camping gear, toys, games, electronics, dance lessons, water-park passes, ... the list goes on. Our Baskets Committee is hard at work collecting donations and could use your help! Some of the basket themes are:

Lego	Gardening	Dinosaur	Star Wars	Minecraft
Dine Around Town	Sports	Art	Science	Camping
Music	Retro Family Night	Roller Skating	Disco Dance Party	Valentine's Day

# BIRTHDAY BOARDS

You may not pay much attention to the electronic sign on your way around the ring road, but your kids sure do! Surprise your child by announcing their birthday or half birthday with their name on the Marquee. Got a weekend birthday? Start the celebration early the Friday before or keep the party going the following Monday!

New this year, **CUSTOMIZED** Electronic Birthday Boards starting at \$100.

# LAMPLIGHTER TRIBUTES

“Lamplighter Tributes” is a full-color section of the Auction Book dedicated to Lamplighter students from their family and friends. By placing a treasured photo and personalized message in the Auction Book, your favorite Lamplighter student will have a special keepsake memory from you. Proceeds from the tributes benefit the Lamplighter Auction. The Lamplighter Auction Book is sent home to each family in late January.
