REGIONAL HEALTH 401(K) PLAN

SUMMARY OF MATERIAL MODIFICATIONS

The purpose of this Summary of Material Modifications is to inform you of a change that has been made to the Regional Health 401(k) Plan effective **September 1, 2017**. This change has affected the information previously provided to you in the Plan's Summary Plan Description. The revised portion of the Summary Plan Description is described below.

ELIGIBILITY FOR PARTICIPATION

Eligible Employee

You are an "Eligible Employee" if you are employed by Regional Health or any affiliate who has adopted the Plan. For Safe Harbor Contributions, the term "Eligible Employee" for the exclusion of classes of employees shall have the same meaning as Elective Deferrals. However, you are not an "Eligible Employee" if you are a member of any of the following classes of employees:

For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit Sharing Contributions, any leased employee.

For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit Sharing Contributions, any employee who is a non-resident alien who received no earned income which constitutes income from services performed within the United States.

Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit Sharing Contributions

You will become eligible to make Elective Deferral Contributions and receive Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit Sharing Contributions on the first day of the calendar month, coincident with or next following the date you complete 3 months of service, measured from your date of hire, provided that you are an Eligible Employee at the end of that period.

Computing Service

With respect to eligibility to and to receive Matching Contributions, safe harbor Matching Contributions, Profit Sharing Contributions, Non-Elective Contributions and Non-Elective Contributions only, "Year of Eligibility Service" means a 12-month period of time beginning on your employment commencement date. In order to determine the number of whole Years of Eligibility Service, nonsuccessive periods of service and less than whole year periods of service will be aggregated on the basis that 12 months of service (30 days are deemed to be a month in the case of the aggregation of fractional months) or 365 days of service are equal to a whole year of service. You will also receive credit for any period of severance of less than 12 consecutive months. If less than one Year of Eligibility Service is required, such service will be determined by substituting such period for "12 months" and "Year" where they appear in this paragraph. To illustrate how to determine eligibility using this elapsed time method, where service is determined from date of hire, please follow this example:

ELIGIBILITY FOR PARTICIPATION

ABC Company requires employees to have one year of service under the elapsed time method. Mr. Brown is hired on April 1. He terminates employment with ABC Company on June 15 of the same year and is subsequently rehired on November 30. His first year of service is determined by looking at the 12-month period beginning on April 1, his original hire date, and ending on the following March 31. Even though he was not continuously employed with ABC Company during this period, he was employed as of the beginning and end of the Eligibility Computation Period so he has a satisfied the one year service requirement under the elapsed time method.

All eligibility service with the Company is taken into account.

Years of service will be treated as service with the Company for eligibility purposes for the following Company(s) subject to any listed limitations: Yakima HMA, LLC; Yakima HMA Physician Management, LLC; Yakima HMA Home Health, LLC; Yakima Regional Medical and Cardiac Center; Toppenish Community Hospital for All Contributions.
