Resources for 2018

Cengage learning solutions are built on the principles of learning design and developed hand-in-hand with educators and professionals. Our focus is on engagement, taking the reader through the levels of application, analysis, and critical thinking with a quality and range of resources unmatched in the market.

We are committed to helping you – from your first day of class, and throughout your career as a counselling professional, instructor and lifelong learner.

Digital solutions are available for your course! Look for the icon/s accompanying the cover image of your selected titles.

*“MindTap brings everything in your unit to one place: assignments, study guides, notes, eBooks and results. It simplifies your life.”*

*- Deakin University student*

The personalised platform that solves your eLearning needs.

*MindTap* is the digital learning solution that gives you the flexibility to completely customise the learning path of your course to suit your approach to teaching.

Track student progress in real time with the powerful analytics of the *MindTap* Progress App - the only tool in the market that measures engagement. With 12 distinct metrics giving you actionable insights into student engagement, it's easy to pinpoint the students who need you most.

*MindTap* is full of innovative resources to support critical thinking, and help your students move from memorisation to mastery!

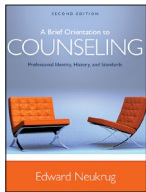

Reinforce student learning with online study tools.

*CourseMate* includes a fully integrated eBook, and interactive teaching and learning tools such as quizzes, flashcards, web links, and videos, to bring course concepts to life.

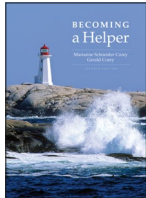

Whether you teach your class on campus, or blended or flipped online, effectively introducing digital solutions into your classroom is now easier than ever. When you choose a Cengage digital solution, a dedicated team of Digital Solutions Specialists will provide you with hands-on, end-to-end support, making digital course delivery a success for you and your students.

# MindTap Mobile App

GIVES STUDENTS THE FREEDOM TO LEARN ANYTIME, ANYWHERE > ON- OR OFFLINE

## MindTap eReader = convenience

Students can read their full course eBook on a smartphone. This means they can complete reading assignments anyplace, anytime. They can take notes, highlight important passages, and have their text read aloud, whether they are on- or offline.

## Flashcards and quizzing cultivate confidence and elevate outcomes

A fun and engaging way to encourage recall of key concepts. Students can use pre-built quizzes or generate a self-quiz from any flashcard deck.

## The gradebook keeps students motivated

Students can instantly see their grades and how they are doing in the course

## Notifications keep students connected

MindTap Mobile App pushes course notifications directly to them, making them more aware of what's ahead with:

- Due date reminders
- Changes to activity due dates, score updates, and instructor comments
- Messages from their instructor
- Technical announcements about the platform

DOWNLOAD THE MINDTAP MOBILE APP TODAY
