**Fuel economy and CO<sub>2</sub>\* results for the Suzuki Swift range in mpg (l/100km): Combined 46.9 (6.1) to 55.4 (5.1). CO<sub>2</sub> emissions: 121 to 98g/km.** Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. \*There is a new test used for fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figures shown, however, are based on the outgoing test cycle and will be used to calculate vehicle tax on first registration. Specifications and equipment vary depending on engine, transmission and model grade. Please contact your local Suzuki Dealer for full details. All details correct at time of going to print: May 2019. Vehicles shown throughout this brochure are for illustration only and may feature non-UK/ROI equipment. Suzuki GB PLC, Steinbeck Crescent, Snelshall West, Milton Keynes, Bucks MK4 4AE. Suzuki Information Service: 0800 804 8828 (UK) or 01 906 1862 (ROI). Calls may be recorded or monitored.

RANGE BROCHURE

# EXCITING

# EVERYDAY

## THINK YOU KNOW EXCITING?

Think again, because when you experience the Suzuki Swift range, you'll discover a dynamic and agile hatchback that's fun to drive, effortlessly stylish and so versatile that it's got something for everyone.

The Swift range has been built for fun, inside and out. And it starts with our clever Boosterjet turbocharged engine\*,

which ensures a responsive, nimble and exciting drive. Our HYBRID system\*\* combines excellent efficiency and performance. A standout design is guaranteed to turn heads, and it's packed with the latest technology and safety features, so you can feel in control every mile of the drive.

When it comes to powerful performance, the Swift Sport really delivers. It combines a powerful 1.4 Boosterjet turbocharged engine with high torque, a lightweight chassis and dynamic sporty style, ensuring an evolutionary hot hatch performance. Get ready for a more exciting drive.

\*Available on SZ-T, SZ5 2WD and Sport models only.  
\*\*Available on SZ5 manual models only.

# STYLISH

## IS AN UNDERSTATEMENT

**EXPERTLY DESIGNED TO BE EFFORTLESSLY STYLISH, THE SWIFT IS HERE TO BRING THE FLAIR TO YOUR EVERY DAY.**

Its beautifully sculpted curves and angles give it standout appeal which, when coupled with its dazzling LED headlamps\* and striking 16" alloys\*\*, will ensure that all eyes are on you. And with a wide range of personalisation options to choose from, wherever you're going, you can be sure to arrive in style.

\*SZ5 models only.

IF LOOKS COULD

THRILL

CAN'T TAKE YOUR EYES OFF IT, CAN YOU?

That's what we thought, as all it takes is one look at the Swift Sport to see that this really is something special. It's been carefully designed with your driving experience in mind. Bold design details, exclusive to the Sport, include a striking mesh front grille and bumper, eye-catching carbon-effect aerodynamic under spoilers, and some pretty impressive 17" alloys. And the bold style continues when you step inside, with standout red accents complementing its impressive sports seats and D-shaped steering wheel, delivering style and comfort every minute of your driving experience.

# DRIVING HAS NEVER BEEN THIS FUN

**IF YOU'RE LOOKING FOR EXCITEMENT, THEN THIS IS THE PLACE TO FIND IT, BECAUSE ONCE YOU GET BEHIND THE WHEEL OF THE SWIFT, YOU'LL DISCOVER A DRIVE THAT BRINGS THE FUN, EVERY SINGLE JOURNEY.**

And it's all down to our range of expertly crafted engines, together with a light and agile chassis.

Our compact and lightweight Dualjet\* engine delivers great fuel economy, while the intelligent HYBRID\*\* system improves efficiency, lowering emissions, and our Boosterjet turbocharged engines^ delivers a really responsive drive.

Or if you want to take the fun to a new level, the Swift Sport comes with a 1.4 Boosterjet turbocharged engine which, when combined with the Swift Sport's strong and light body, ensures an exciting performance that handles like a dream. So, if you want your heart to beat that little bit faster, then step inside a Swift, start the engine and drive.

\*Dualjet available on SZ3 and SZ5 ALLGRIP models only.

\*\*HYBRID available on SZ5 manual models only.

^Boosterjet available on SZ-T, SZ5 2WD and Sport models only.

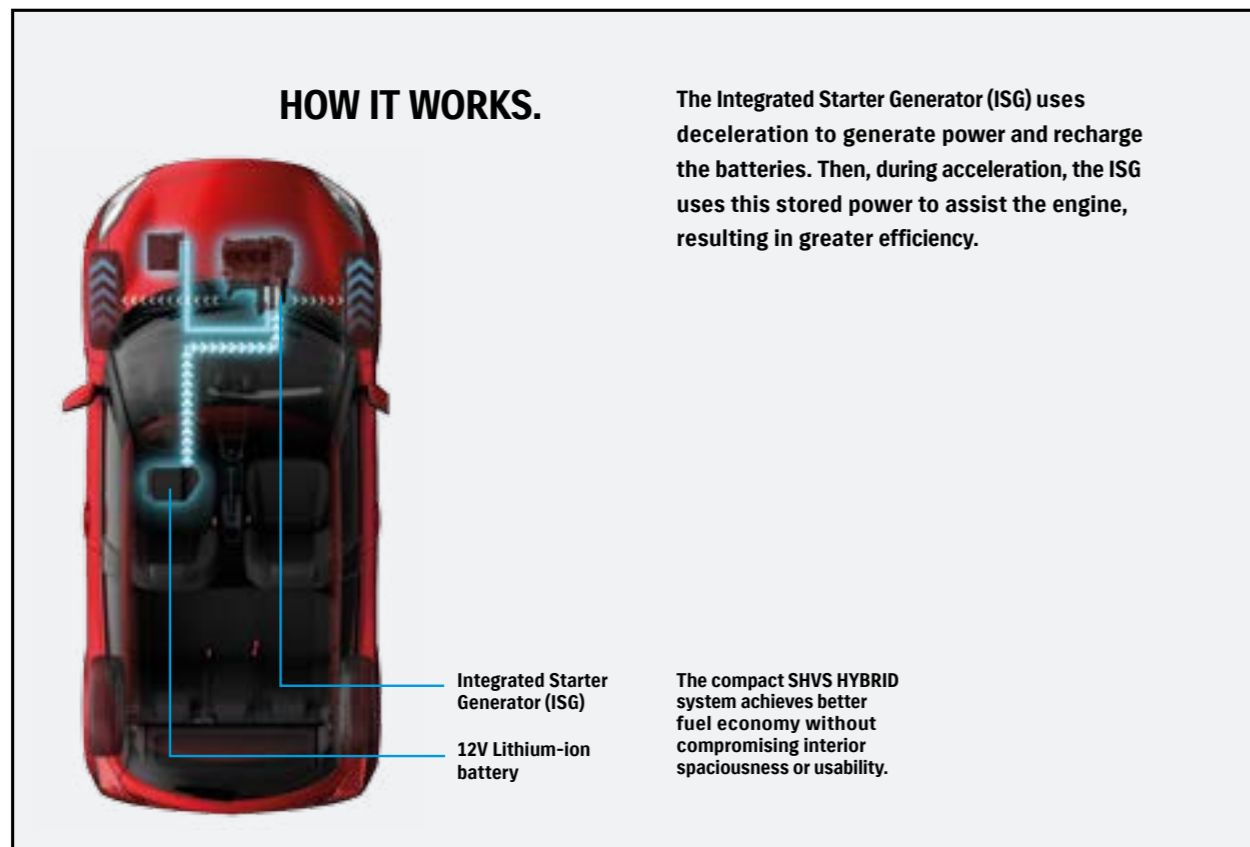

# SAY HELLO TO HYBRID

**AT SUZUKI,  
WE'RE ALWAYS  
INNOVATING,  
AND ALWAYS  
LOOKING FOR WAYS  
TO MAKE YOUR  
DRIVING EXPERIENCE  
ONE TO REMEMBER.**

And it's this spirit of innovation that led us to developing our Smart Hybrid Vehicle by Suzuki (SHVS) mild HYBRID driving system\*, which helps reduce CO<sub>2</sub> emissions and improves fuel efficiency. Plus, the electric system is extremely light and compact, which means that you'll still enjoy the Swift's agile performance without any reduction in interior space. Clever or what?

\*Available on SZ5 HYBRID models only.

# FUN

# AT YOUR

# FINGERTIPS

**WHEN IT COMES TO EXCITING TECH AND SPEC,  
THE SWIFT REALLY DELIVERS.**

The range comes equipped with all the latest technology to help make your journey easy and enjoyable. The satellite navigation system\* will make getting to your destination a breeze, and our Bluetooth® hands-free phone connectivity, USB connectivity and DAB digital radio put you in control at every stage of your journey. Plus, with Apple CarPlay\*\* and Android Auto connectivity\*\*, and an intuitive dashboard control, you know you're in for some fun.

# ROOMY AND REMARKABLE

**THE SWIFT MIGHT BE COMPACT ON THE OUTSIDE, BUT THERE'S NO SHORTAGE OF SPACE INSIDE.**

It's got an impressive 256 litres of boot space, so from packing for adventure to popping to the shops, you're totally covered. Plus, it's got lots of legroom for all passengers, as well as practical little touches like side and front pockets. You've got the space, you've got the practicality, now it's time to plan the adventure.

# YOU'RE IN SAFE HANDS

**AT SUZUKI, WE'VE ALWAYS BEEN DEDICATED TO SAFETY AND OUR SWIFT RANGE IS NO EXCEPTION.**

It comes equipped with all the latest safety features to help keep you protected behind the wheel, including High Beam Assist\*, lane departure warning\* and six separate airbags as standard. Plus, with Dual Sensor Brake Support\*, which uses two sensors to determine the risk of a collision and helps you avoid it or reduce possible damage, you can be sure that you're in complete control and, above all, safe.

\*SZ5 and Sport models only.

†Optional extra on SZ3 and SZ-T models and as standard on SZ5 and Sport models.

For more details on the Swift's safety equipment, please refer to the Specification Guide.

#### Dual Sensor Brake Support (DSBS)\*

When moving, the Swift senses if there is a risk of forward collision. Upon detecting a potential collision, the vehicle acts to mitigate the impact, including automatically applying the brakes, if necessary.

#### High Beam Assist\*

At 25mph or faster, High Beam Assist is designed to automatically switch the headlights between 'High' and 'Low', depending on the presence of other vehicles and the lighting environment (standard on vehicles with DSBS).

#### Adaptive Cruise Control (ACC)\*

When there is a vehicle in front, the Adaptive Cruise Control system uses millimetre-wave radar designed to gauge the distance between two vehicles and automatically maintain vehicle-to-vehicle distance.

#### Lane departure warning\*

At 37mph or faster, the lane departure warning function can predict the path of the vehicle and issue warnings to the driver, if necessary, to help avoid straying out of a lane.

#### Lane departure prevention\*

At 37mph or faster, lane markings are recognised and when predicting that lane departure is likely to occur, the car automatically assists the driver in returning the vehicle back into its lane by controlling the steering.

#### Weaving alert\*

At 37mph or faster, weaving alert calculates the driving pattern and issues audio and visual warnings if the vehicle is weaving within a lane due to, for example, driver drowsiness.

#### Radar Brake Support (RBS)\*

A clever system which, when the vehicle is moving, uses millimetre-wave radar to detect the vehicle in front. Upon detecting a potential collision, the car reacts.

# INTELLIGENT CONTROL

Taking control of the road has never been easier and it's all thanks to our ALLGRIP AUTO system\*\*. Its intelligent 4-wheel Drive set-up smartly reads different road surfaces, and adjusts drive between the front and rear wheels to help maximise traction.

So, whether driving on wet or snowy roads, ALLGRIP AUTO gives you complete peace of mind.

\*\*SZ5 ALLGRIP models only.

# WE'LL TREAT YOU

# RIGHT

**AT SUZUKI, WE'RE  
PRETTY SERIOUS WHEN IT  
COMES TO OUR CARS.**

Serious about the design, serious about the driving experience, and serious about the fun. Not surprising, considering we've been around since 1909, so we've got over a century of experience and innovation behind us. And throughout that time, our philosophy has always been about the joy of driving, so we're dedicated to making cars that offer something for everyone and are, above all, fun to drive. Plus, your Suzuki experience

doesn't stop when you buy the car. We'll continue to look after you long after you've driven off the forecourt. Our Suzuki Service Promise guarantees that every Suzuki customer will receive superior levels of care when their car needs servicing, plus every new Suzuki comes with a 3-year or 60,000 miles/100,000 kilometre warranty, and Free Driveway Insurance\*. Because when you're with us, we want you feeling looked after.

So, at this stage we're sure you're itching to try one of our Swift range. And it's really easy to set up. Just find your local Dealer on our website and book a test drive at your own convenience. But be warned, after five minutes behind the wheel of a Swift, you might not want to give it back.
