## TRAVELOGUE Wednesday, June 21 *Bienvenido a Spain!*

## **Special Presentations**

**I**n Hollywood, in order to be famous, you have to be beautiful, smart, lucky and age well. **Reba Merrill**, author of *Almost Famous*, is all of those things. She is part of the international entertainment community in her roles as a journalist, author and producer who has lived as a star with the stars. As she has done before for us, she will present a narrative of five stars – John Travolta, Bruce Willis, Tom Cruise, Viggo Mortensen and Clint Eastwood, along with her filmed interviews of them, on **June 7** in our Galaxy room. Hear her commentary and watch her talk with them. Make reservations now for our pre-presentation **Hollywood Dinner**. Toast with champagne and adjourn to the Galaxy room at 8 p.m. for Reba's intimate **tete-a-tetes with the stars**. Reservations required for dinner and presentation.

On June 21, Renee Starr, resident and travel agent, is bringing a representative from the tourism council of Spain and a stunning video travelogue to our Galaxy room. You will see beautiful and iconic locations found around the Iberian Peninsula and hear about the fun and exciting festivals and tours. In the same way we presented Japan last month, Spanish tapas and wines will be featured in the restaurant before the show.

**is coming to the Marina City Club

## Restaurant News

Louis Estrada  
Food & Beverage  
Director

**H**Hi, I am Louis Estrada the new Food & Beverage Director. I am thrilled to join this wonderful community. Chef Jesus and I are working hard on many new, exciting events to bring to the restaurant, café, and poolside, like our new bi-weekly "Wednesday Buffet". These economically priced buffets will be paired with two wonderful presentations this month. Come in early for dinner and stay to enjoy the shows starting at 8:00pm. I can't wait to meet every single one of our members.

We start the fun this month with Reba Merrill's "International Film Stars" presentation on June 7. The show will start with a champagne toast to get us all in the swanky Hollywood mood! Then, that Friday, June 9, we bring you a new Friday night Band – the Hugh Von Kleist Jazz Trio to entertain and get you dancing. This trio's smooth music will make your dining experience more gratifying. For all you dancers, I can't wait to see you on the dance floor.

On June 14, DJ Gina will get you singing with her

fabulous selection of Karaoke tunes. I encourage everyone to come and sing their favorite song or cheer on your talented neighbors.

Lastly, on Wednesday June 21, your Social Committee has another travelogue event planned. The country highlighted this month is Spain. There will be a presentation made by a member of the Spanish tourism consul to enlighten us with facts and details of this beautiful country. We will start the night with a special buffet of delicious Spanish tapas and all time buffet favorites. Space is limited, so please speak to Janea at the host stand to make reservations for the presentation.

Remember we have a link on [marinacityclub.net](http://marinacityclub.net) where you can make your reservations for dinner any night.

# Tennis Talk

## Westside Tennis 2016-17

**T**he MCC 1 Division 5 Westside League Ladies' Team finished 2nd in the Westside League for the 2016-2017 season. The season came down to the last match, with the winner of the match taking home the first place trophy. Our MCC ladies fought hard against Riviera Country Club, but Riviera played well that day winning two of three matches. Our Women's Line 1 team defeated the Riviera Line one, with Tomoko Pizzo and Desiree Fleischmann showing true grit in a tough battle. The Line 2 team of Karen Dixon and Hillary Bibicoff also fought valiantly, losing a close three-setter. For Line

3, Maureen Hunt and Sheelagh Boyd also played a strong Riviera doubles team and lost a close three-setter. Congrats to our wonderful women for another great season.

A special thanks also go to the captains of both Westside League teams: Karen Dixon, Edie Estrada, and Vicki Micelli who organized and developed winning strategies. Our MCC 2 Division 5 Ladies finished sixth in the Westside League and also deserve recognition for a good season. If

you are looking for a league team, please contact Gene and he will put you in touch with our captains for the next season starting in September!

# La Jolla Tennis Weekend

**W**e enjoyed another wonderful tennis trip to the beautiful and historic La Jolla Beach & Tennis Club in early May. The weather was questionable, however, on Saturday we enjoyed competitive tennis in the form of Men's and Women's Doubles with the La Jolla players. As always, Conan and Doug paired us with very competitive players. We mixed around and in the end the La Jolla team swept MCC, but all was in good fun. After the matches some of our ladies participated in a La Jolla live ball clinic.

On Friday night we went to the Marina Room, the La Jolla Club's fancy restaurant right on the water. On Saturday night after meeting in Gene and Mindy's room for cocktails and joking, we all gathered at the Shores Restaurant for another delicious dinner with an ocean view. The food tasted wonderful and so was the company. Caroline Rook and Linda Pence talked about their tennis escapades from earlier in the day and John Marshall and Gene raved about the excellent competition they faced on court one that morning. All in all, despite being rained out on Sunday, the rooms and company made for a relaxing weekend in the beach community.

Our next tennis trip is scheduled for November 2017 in Palm Desert. Please keep an eye out for Gene's emails to sign up for another great tennis escape.

## ***In and Around the Club*** ***From the Editor*** By Carole Barlin, Editor

**W**ith Mother's Day now just a great memory I wanted to share the many kudos I heard about our Restaurant Manager, Louis Estrada. The buffet featured more of his creative ideas – while the harpist played, dinners partook from the beautiful buffet, extending into the Galaxy room, uniting it with the Restaurant. The rotating ice sculpture gleamed in the sunlight, with our Marina City Club logo on one side and Happy Mother's Day on the other, flanking an array of jumbo shrimp displayed on ice, beautifully balanced by the four-foot chocolate fountain atop a tiered table filled with deserts. Thank you, Louis, we look forward to more of your creativity.

On a different note, remember to return the information you must provide to get your new automobile entrance decal that will automatically open the gate for your entrance. I've heard it

said, No information, No decal. Of course, you will still be able to come in through the visitors' entrance. But, you will also want to turn in that information to Seabreeze's Shanna Alvarez so that you can use our forthcoming Building Link program on your telephone or computer to do such things as schedule your Restaurant and Event reservations, reserve a racquet court, schedule a visitor or view the calendar of MCC events.

The 2017 Restaurant Board is now formally organized and looking for MCCers with Restaurant related experiences to become part of Committees to work with that Board. Contact Restaurant Board President Neil Keliher, or Co-Presidents Peter Bergman and Barry Hirsch to work on planning the up scaling of the Restaurant, Galaxy Room and Café along with Louis Estrada and Mark Tyson, our GM.
