The Placement Cell is a forum operated by the students of our college that aims at providing quality career opportunities to Podarites. The cell establishes a link between the students and the recruiters, enabling recruiters to recruit the best and brightest of the students that the College has to offer.

Owing to the coronavirus pandemic this year, the cell was compelled to conduct all its activities online. However, this transition to a virtual platform didn't impair the ability of the cell to facilitate the students with jobs and career opportunities of their choice.

The Cell conducts the following activities every year:

1. Articleship Hiring for CA students
2. Placements for Final Year Students
3. Internship Placements

### Lockdown Internship Drive

This year, given the unprecedented circumstances at the beginning of the academic year, the cell attempted to have a lockdown internship drive and worked rigorously to provide quality internship opportunities to the aspirants so that they could make best use of their spare time and leverage and enhance their skills during the lockdown. The Placement cell members reached out to more than 100 companies and could garner maximum engagement, thus making the drive a success.

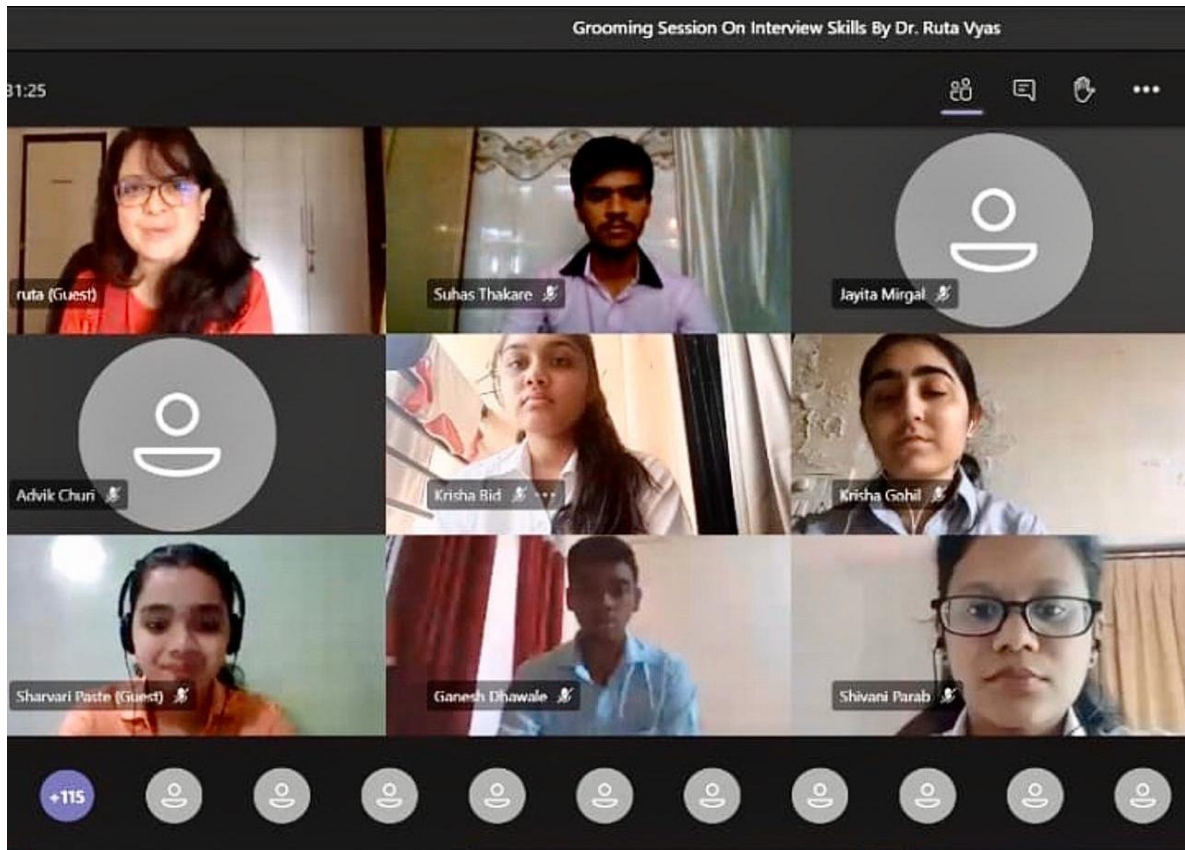

### Guidance Seminar by Dr. Ruta Vyas

Date : 3rd October, 2020

An online guidance session for students desiring to participate in the First Final Placement Week was conducted by Dr Ruta Vyas, Director at Amadeus consulting, known for conducting programs on effectiveness of communication and presentation.

The Session began with guidance on Resume building and Mock Interview Session. The students were guided on how to draft their resumes and also how to appear for interviews for the upcoming placement week. Mock interviews were also conducted along with a Q & A session.

The session proved to be substantial and moving for the students wishing to get placed in their dream companies.
