Aegis Medical Group is a comprehensive network of physicians working together to make sure your healthcare needs are met in a respectful, helpful and efficient way.

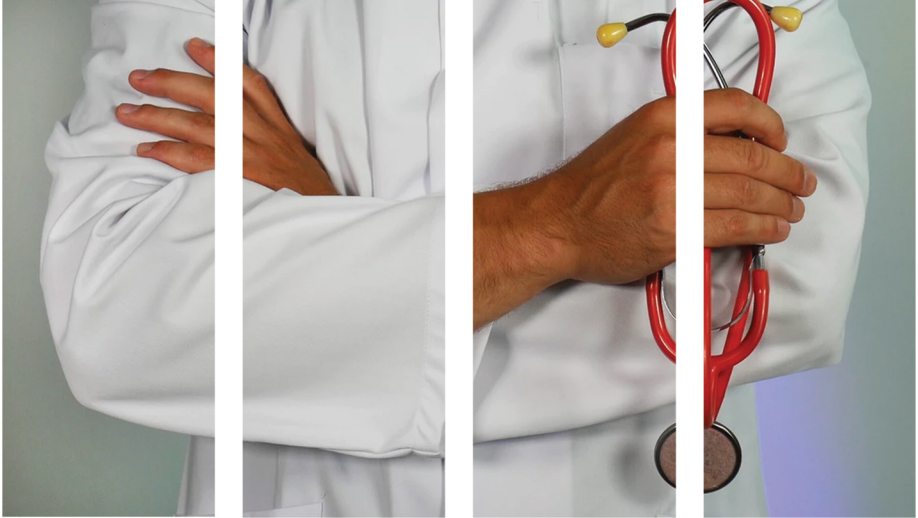

More About Us

Our healthcare network is made up of:

Primary care, Internal Medicine, Hospitalist, Endocrinology, Cardiology, Pain Management, Infectious Disease, Nephrology, Neurology, Rheumatology, Physician Assistants, and Nurse Practitioners.

It also encompasses our preferred provider network which includes home health, skilled nursing facilities, assisted living facilities and outpatient therapies. We continue to expand our service lines so that our patients can transition seamlessly from one service to another.

The end objective is that you choose to make Aegis Medical Group your home for all your medical needs.

“ Promote excellent quality of care, where a dedicated team is committed to providing a patient centered healthcare experience. ”

Respect

is when you feel admiration and deep regard for an individual. At Aegis Medical Group, a person is worthy of respect when they exhibit the values of respecting others, being dedicated, showing integrity, and supporting the team.

Teamwork

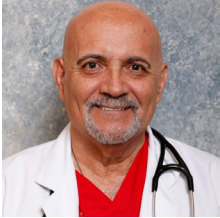

is the collaborative effort of a team to achieve a common goal or to complete a task in the most effective and efficient way. At Aegis Medical Group, being a team player is regarded as putting the mission, living the values, and serving our customers before ourselves.

Dedication

is the quality of being dedicated or committed to a task or purpose with enthusiasm, perseverance, wholeheartedness and hard work. At Aegis Medical Group, dedication is defined by our individual commitment to complete our part in the mission, in service to our team mates.

Integrity

is the quality of being honest and having strong moral principles, or moral uprightness. It is colloquially a personal choice to hold oneself to consistent moral and ethical standards. At Aegis Medical Group, integrity is regarded as the honesty and truthfulness or accuracy of one's actions.
