## Did You Know?

- Each time the Glenelg Gladiators have won a state championship (2005 and 2008) they have also won the sportsmanship award.

- Except for the first state tournament in 1990, Winters Mill is the first team to win the state championship the first time the team made an appearance in the state tournament.

# Sportsmanship Awards

---

The Maryland Public Secondary Schools Athletic Association presents annually a sportsmanship award at the Lacrosse finals, a tradition established in 1998. The trophy will be presented to the one boys' team and the one girls' team displaying the best sportsmanship during the state tournament.

Coaches, players, cheerleaders, and spectators from each participating school will be evaluated. Raters will include state committee members, region directors, officials, and table personnel. Immediately following the last game, the trophy will be awarded to the principal of the school achieving the highest score.

## SPORTSMANSHIP AWARD

The Maryland Public Secondary Schools Athletic Association presents annually a sportsmanship award at the Softball finals, a tradition established in 1997. The trophy will be presented to the one school that displays the best overall sportsmanship while participating in the state tournament.

Coaches, players, cheerleaders, and spectators from each participating school will be evaluated and rated on a score of 1-10 by judges appointed at the tournament. Immediately following the last game, the trophy will be awarded to the principal of the school achieving the highest overall average score.
