Michael R. Ezzy

Dear Valued Canadian Customers:

Welcome to our latest "Duty Free" Musical Instrument Catalog. We are still the only U.S. music supplier who offers our Canadian customers musical instruments delivered to Canada "Duty Free" and with prices listed in Canadian currency. It's an easy way of cross border shopping.

We offer a wide variety of musical instruments and accessories "Duty Free" to Canada. You benefit from our discount prices payable in Canadian money and are charged only one tax so you know exactly what your total cost will be.

When comparing prices, Canadian customers please be cautious: since the free trade agreement, some musical instruments made in the USA and Mexico have no duty; however, if you order from some other U.S. suppliers you could still be charged for importer or brokers fees and taxes along with duty on items manufactured in other countries.

At Ezzy's Music, you pay no duty, no double tax and no importer's or broker's fees. It's easy to shop at Ezzy's Music Shop.

I wish to thank our many loyal customers for your past business and pledge to continue to offer you top value for all your music needs.

Sincerely,  
Michael R. Ezzy

Lita Madore

Patricia Ezzy
