IIT-JEE (Advanced) | JEE-Main | NEET | KVPY | OLYMPIAD

SPECTRUM was established in the year 2010 with enormous vision to provide the best education in a different, innovative and pleasant learning environment in the most challenging field of Pre-Engineering and Pre-Medical entrance exams.

We are committed to help the young aspirants in their career vision to make their dreams of reaching the top premier institutes of our country.

With PRACTICE, PERSISTENCE & PERFORMANCE under the meticulous mentorship of our teachers, SPECTRUM has been delivering outstanding and quality results each year from Nashik.

What is ToRquE?

ToRquE: Talent Reward Examination is a School-level Scholarship program to Identify, Recognize and Reward students with high intellect and academic talent. ToRquE is being conducted since 2014 and has been successful in meeting its objective to identify the best talent across Nashik Region.

Why should you appear for the ToRquE Exam?

The aim of ToRquE is to identify and encourage talented and motivated students to pursue career in Engineering & Medical fields. It aims to assist the students to realize their potential and ensure that the best talent gets groomed for the National level Engineering and Medical Entrance Exams.

Generous Scholarships and prizes are provided to the selected ToRquE Scholars to start their JEE/NEET preparation. In addition, ToRquE qualified students and their parents get to attend free counseling seminars and one-on-one career guidance sessions conducted by the best mentors in this field.

Why is ToRquE the most popular School level Exam in Nashik Region?

- ⇒ This is the 7th consecutive year of conducting ToRquE Exam.
- ⇒ 4000+ Students from across Nashik Region have appeared in ToRquE till last year.
- ⇒ 500+ Students studying in Std X are expected to compete at ToRquE- 2021.
- ⇒ Chance to win upto 90% Scholarship for Spectrum's Classroom JEE/NEET Course.
- ⇒ 1 Crore* worth of Total Scholarship amount is up for grab.
- ⇒ Legacy of having given 300+ Success Stories till date.

Glimpses of ToRquE Exam

Because

Early Start over other will help Students to take a remarkable lead in grasping intricate concepts thereby improving their understanding by leaps & bounds.

FEE Structure for Session 2021-22 (Through ToRquE-2021 Exam)

Aspire 2 Year Classroom Course for IIT-JEE/Engineering Aspirants

The Aspire course is a comprehensive course, designed to inculcate the habit of internalizing concepts at an early stage, to enable students to apply them at will in both real life problems as well as in exams. Spread over a span of two years, this course is designed to help students transit smoothly through the course and build a strong foundation for Mathematics, Chemistry and Physics. More so, it guides the students right upto the level of JEE Advanced and nurtures the student for complex questions, as it is based on a pedagogical philosophy of conceptual clarity leading to structured thinking, further leading to logical problem solving.

Course Fees (2 Years)	₹ 2,40,000 + GST (Total Fees - ₹ 2,83,200)				
	1 st Inst.	2 nd Inst.	3 rd Inst.	4 th Inst.	5 th Inst.
	₹ 30,000 + GST before ESP (Last Date of Deposition)	₹ 30,000 + GST 05/05/2021 (Last Date of Deposition)	₹ 60,000 + GST 05/08/2021 (Last Date of Deposition)	₹ 60,000 + GST 05/12/2021 (Last Date of Deposition)	₹ 60,000 + GST 05/04/2022 (Last Date of Deposition)

Acme 2 Year Classroom Course for NEET/Medical Aspirants

In the Acme Classroom course, students are familiarized with the concepts and fundamentals first, in a manner, which is easy to understand. After this, application to practical situations and to complex problems is introduced, accompanied with several examples. Once the understanding of concepts is through, students are exposed to Tests followed by detailed discussion of the solutions and approach to be followed. The course is spread over a span of two years and is designed to help students build a strong foundation for their subjects. In addition to gearing up the students for NEET, this course will also cover Junior College level syllabus (PCB) and will also prepare students for other Medical Entrance exams as well.

Course Fees (2 Years)	₹ 1,50,000 + GST (Total Fees - ₹ 1,77,000)				
	1 st Inst.	2 nd Inst.	3 rd Inst.	4 th Inst.	5 th Inst.
	₹ 20,000 + GST Before ESP (Last Date of Deposition)	₹ 20,000 + GST 05/05/2021 (Last Date of Deposition)	₹ 40,000 + GST 05/08/2021 (Last Date of Deposition)	₹ 40,000 + GST 05/12/2021 (Last Date of Deposition)	₹ 30,000 + GST 05/04/2022 (Last Date of Deposition)

* ESP-Early Start Program. Last date of fee deposition will be declared after ToRquE-2021 (Stage-2) result.

Note:

- All figures of fees are in Indian Rupees (INR).
- The total course fees includes tuition fees, Goods & Service Tax @ 18% (9% CGST, 9% SGST) on Tuition Fees.
- The rates of tax is decided by Govt. of India and are subject to revision. Hence, the rate/amount of tax may increase or decrease in future. The Institute shall pass on the effect of change (increase/decrease) in these rates to students/ parents, if any change is announced by the Govt. of India. The students shall be informed at appropriate time about the same as and when the Govt. of India announces the change.
- The tuition fees includes coaching fees and other expenses like Study Material, Infrastructure & Facilities, Administration & Management and several other academic/co-academic/non-academic activities performed during the academic session.
- This fee structure is for two years Spectrum Classroom Program that will be held at Spectrum Study's Centers + Early Start Program (One month online program)
