

## TALK ABOUT EXPERIENCE!

PARAGON transition consultants have utilized our innovative "dual representation" approach to assist healthcare professionals with thousands of practice transitions: practice valuations; immediate practice sales; pre-retirement practice sales; practice acquisitions; associateships; partnerships; immediate and progressive co-ownerships; practice mergers; practice consolidations; and more. PARAGON consultants have vast experience in every phase and type of practice transitions.

Below is just a partial list of our many clients. You may even know some of these doctors.
