2:20 p.m. Winners declared

2:30 p.m. Adjourn – transportation to airport

Competition Structure

1. Each team will have two (2) hours to work together to come up with a financial plan based on a detailed fictitious family scenario. Each team will create a PowerPoint presentation and present to a panel of expert judges. Presentations are limited to seven (7) minutes and an additional three (3) minutes to respond to questions.
 - a. Teams will be provided with the same fictitious family scenario (case study). Scratch paper, pens, calculators, markers, note cards and flash drive to submit PowerPoint presentation will also be provided.
 - b. Teams are required to bring at least one (1) laptop (and power cord) with Microsoft Office PowerPoint (enabled).
 - i. Teams can bring additional laptops or tablets for research purposes only.
 - ii. Laptops or tablets will NOT be provided.
 - c. Teams are NOT allowed to bring notes, prior research, or other supplies to the competition.
 - d. Free guest Wi-Fi access will be provided.
 - e. Presentation must be saved to a flash drive that will be provided to each team. As a backup, teams will email their presentations to jdavidson2@unl.edu
 - f. CELL PHONES AND SMART WATCHES ARE NOT ALLOWED AT ANY TIME DURING THE TWO HOUR WORK TIME OF THE COMPETITION. There will be a bucket on each table in which to deposit your phones and watches. Use of a cell phone or smart watch during this time will be grounds for disqualification from the competition.
2. Teams will be randomly selected to present in one (1) of three (3) breakout rooms. Each breakout room will have at least four expert judges.
 - a. Competing teams and chaperones/teachers are not allowed to observe any team during the preliminary presentations.
 - b. The top team from each breakout presentation room will advance to the Finals round. The decision of the judges is final.
3. Finals Round
 - a. The top three teams will make their presentation to the entire group. An elite panel of judges will determine overall place in the national competition.
 - b. These three (3) teams will remain outside of the competition room until called to make their final presentation. Order for presentation will be randomly selected.
 - c. The first, second and third place rankings will be determined by the panel of elite expert judges. The decision of the judges is final.

Team Structure

1. Team Composition
 - a. Teams shall be comprised of three or four members.
 - b. All members must be from the same high school.

- c. The state championship team may reconstitute the members of its team prior to the national competition. Students must however, meet the general student eligibility conditions.
2. Student Eligibility
 - a. Students must be currently enrolled in a high school or home-based school from the state they are representing.
 - b. Each team must be sponsored by a teacher from its school. For home-based high school teams, one parent is to serve as the sponsor/teacher.
 - c. Students may participate each year that they are attending high school.

Prizes

First place: Trophy, Banner and \$2000 NEST scholarship for each team member.

Winning teacher will receive an Apple iPad.

Second place: Trophy, Banner and \$1000 NEST scholarship for each team member.

Winning teacher will receive an Apple iPad.

Third place: Banner and \$500 NEST scholarship for each team member. Winning teacher will receive an Apple iPad.

All national finalists will receive a 2018 limited edition National Personal Finance Challenge T-shirt.

More ways to win...

During the preliminary presentations, students and teachers will compete in a trivia competition using Kahoot!

Competition Integrity

It is our desire to ensure that fair competition exists at all levels. If a student or chaperone/teacher is observed cheating the team will be disqualified. The following are strictly prohibited and will result in disqualification and immediate removal from the competition.

- a. Communication between the students, teachers, and chaperones during the case study preparation time/two (2) hour work time.
- b. Discussion of the case study or presentation during breaks with teachers or chaperones.
- c. Accessing any previously saved data, research, or other files on a personal laptop or online, such as Dropbox or Google Drives, for use on the case study or presentation.
- d. Use of cell phones/smart watches during the two hour case study work time.
