

## Ten Principles of Arya Samaj

1. God is the primary source of all true knowledge and of all that can be known through it.
2. God is Existent, Intelligent and Blissful. He is Formless. Almighty, Just, Merciful, Unborn, Infinite, Unchangeable, Beginningless, Incomparable, The Support and Lord of All, Omniscient, Imperishable, Immortal, Fearless, Eternal, Holy and the Maker of the Universe. To him, alone worship is due.
3. The Vedas are scriptures of true knowledge. It is the duty of all Aryas to read them, hear them being read and recite them to others.
4. We should always be ready to accept truth and give up untruth.
5. All actions should be performed in conformity with Dharma. That is, after due consideration of right and wrong.
6. The primary aim of the Arya Samaj is to do good for all, that is, to promote their physical, spiritual and social well being.
7. We should treat all people with love, fairness and due regards for their merit.
8. We should aim at dispelling ignorance and promoting knowledge.
9. One should not only be content with one's own welfare, but should look for it in the welfare of others also.
10. One should regard oneself under restriction to follow altruistic rulings of the society, while all should be free in following the rules of individual welfare.
