

## FROM THE PRINCIPAL'S DESK

### Dear Parents

Here we are at the end of term one of 2019; time certainly does fly by quickly. The children have achieved many things, both in their learning and in extracurricular activities. As always, the students of Bletchley Park Primary continue to be a credit to both their families and whatever they do at BPPS. I would like to take this opportunity to thank all the staff for their hard work and care for the children at our school. Thank you too to all of you for your support throughout the term, the school community continues to be a real strength here at BPPS.

### Anzac Day

Bletchley Park Primary will hold our ANZAC Day ceremony on Tuesday the 30<sup>th</sup> of April at 10.30 a.m. in our Anzac Memorial Garden. We hope to see members of the school community attend this commemoration to those who have fought for our freedom. I would sincerely like to thank the P&C and our school gardeners Henry Houghton and Bob King for supporting the creation of such a beautiful reflective space. I have attached a description of the various plants growing in the garden. Please read it to your children and encourage conversation about the garden being a respectful place.

### Students Arriving Late At School

Just a reminder to parents that lessons start at 8:30 a.m. For many students the first lesson of the day is spelling and it is important that students come to school on time so they are not missing this essential learning. If students come late, our office staff have been instructed to ask politely why the students are late. In recent days, several of our parents have not answered them politely. Swearing at our office staff is never appropriate.

### KEEP YOUR CHILD SAFE

Skateboards, Scooters and Bikes

Can you remind your child to be considerate of pedestrians? Your child should keep to the left and ride in a courteous manner that does not cause other road users to react suddenly. They need to slow down or walk in busy areas. It is very important that your child needs to hop off their scooter, skateboard or bike when they are crossing with a traffic warden. Thank you for your support, children's safety is always a priority. Thank you also to the P&C for their ongoing support and an anonymous donor for contributing the fabulous prizes on our "Ride to School Day".

*\*\*\* Principal Appointed \*\*\**

---

Dear School Community,

We recently ran a selection process for a Principal.

I am pleased to inform you that Beatrice Bouska has been successful in securing the position of Principal at our school for the rest of 2019 and possibly till the end of 2020.

Our school is on track with our current Business Plan. Staff morale is high and the feedback I've received says parents are feeling happy with the stability of our current school administration.

I would like to reassure everyone that our school is in very experienced and capable hands, as Beatrice has a sound and demonstrated understanding of our students, staff and community. She has been a valuable part of our school and management for the past 10 years.

Congratulations to Beatrice and I'd like to once again reiterate to the school community that Beatrice has the continued support of the School Board and Staff of Bletchley Park Primary School.

School Board Chair

## VETERANS HONOUR

*So named to remember the courage and sacrifice of our service men and women*

One of the most magnificent red roses ever is a fitting tribute to the men and women who serve our country.

Set on a statuesque plant 50mm buds unfurl into triumphant, high centred blossoms in glorious cherry red. As the fragrant flowers mature their colour can be softened by pastel pink overtones.

The long lasting, long stemmed beauties that this rose produces is hot property amongst competitive rosarians, testament to the lasting quality and perfect form of a truly great rose.

**COLOUR:** Clear bright red  
**FRAGRANCE:** Slight raspberry tones  
**FOLIAGE:** Semi gloss, dark green  
**HEIGHT:** 170cm  
**PETAL COUNT:** 25-30  
**FLOWER SIZE:** 125mm  
**BREEDER:** Zary  
**AWARDS:** Passed Swane's arduous evaluation  
**GROWERS NOTES:** Best red rose of recent times. Ageing blooms acquire a pinkish overtone. Cut long stems to promote even more bloom  
**ROSE CLASS:** Hybrid Tea

"Veterans Honour" has been promoted and released in Australia by Swane's Nurseries Australia Pty Ltd in the course of its nursery business.

Any person passing off a plant or plants as being those of Swane's Nurseries Australia Pty Ltd or their distributors by using the name "Veterans Honour" or imitating this label will be liable to civil action.

## Gallipoli Centenary Rose

*Modern Shrub Rose*

This stunning rose has been carefully selected to commemorate one of the most significant moments in Australia's history, the Gallipoli Centenary in 2015. It is bred by world renowned rose breeders, Kordes of Germany and has the exceptional health and disease tolerance that they are famous for. The dense bush grows to around 1.2m tall. The large, elegant, deep red blooms, produced adorningly in clusters or singly, show why this rose has been awarded gold overseas, along with 'Best Shrub' and 'Bronze Medal' here at the National Rose Trial Garden in Australia.

**PLANTING GUIDE**

**BARE ROOT PLANTING (WINTER)**

- Keep roots moist at all times
- Dig hole with moat for roots to sit over
- Place rose in hole and cover with soil leaving the graft above the soil about 25mm
- Water in well

**PLANTING FROM THE POT**

- Dig hole bigger than pot
- Remove plant from the pot gently without disrupting roots of the plant
- Sit in hole and backfill with soil
- Water in well

**SOIL:** Medium to heavy loam. Build up with well rotted cow or sheep manure if needed

- DO NOT USE FOWL MANURE
- DO NOT REPLANT INTO OLD SOIL WHERE ROSES HAVE BEEN REMOVED
- DO NOT USE ANY FERTILISERS AT PLANTING TIME

**POSITION:**

- At least 6 hours of full sun per day
- Open, sunny, well drained position

**SPACING:** Plant approx. 1m apart

**FEEDING:** Best times are spring and late summer, or as advised on food packaging.

**PRUNING:** July is recommended.

**Created by Kordes Roses**

This variety was bred by Kordes Roses, Germany. Many of the world's famous rose varieties have been created by Kordes.

**The Gallipoli Centenary Rose project was initiated in 2010 by the ADCC as a commemorative activity with the aim of providing an enduring floral spectacle accessible to the community.**

*"This is our chance to give the people of Australia an opportunity to have a beautiful reminder of this memorable milestone in Australia's history, right in their very own gardens. With funds raised, the ADCC Qld Inc will be able to continue with its main objective of commemorating our fallen heroes and to honour our surviving veterans."*

-Arthur Burke OAM, President ADCC Qld Inc

## Senior Assembly

22<sup>nd</sup> March 2019

It was a very colourful assembly to celebrate Harmony Week on Friday 22nd March. Students from Year 5 hosted the assembly and spoke in many different languages to highlight the variety of cultures within the school. It was lovely to see them all dressed in their national costumes. Students from Year 4 LA 8 entertained us with an Indonesian version of The Very Hungry Caterpillar by Eric Carle. Thanks to all those who helped on the day.

## Senior Assembly

5<sup>th</sup> April 2019

Today LA 26 and LA 27 presented their assembly item as a News Bulletin. It began with interesting events at the Year 6 camp with Mr Cave getting a mention for his bravery and Mr Mc for his clarity even when sleeping! This was followed by a cooking show where the talent out did Master Chef. Dancing with the Stars continued the entertainment and the contestants showed they could move! Our participation and awards for sportsmanship at the Summer Carnival was the next story of the bulletin. The students then presented "Read Me Maybe" promoting reading. The next item was "So you think you can't dance!" which showed us what it was like to dance in the crazy 70's and 80's. The last part of the Bulletin was a safety message about riding safely on the road. The assembly was varied and extremely entertaining. Congratulations to all the students, Miss De Prazer and Miss Bates!

## *Meet the Teacher*

---

I have been the Music Teacher at Bletchley Primary School since 2008 when the school first opened. Over the years, I have watched our school grow from a few hundred to over a thousand students. Since that time, I have virtually taught every student in the school!

Highlights of my time during this period include being involved in the school opening and the many ANZAC Services and Presentation Night Concerts.

The instrument that I play is the guitar. I am involved with teaching music to the Year 3 classes and Senior Music Extension Group.

## *National Ride2School Day*

It was an outstanding turn out on Friday, 5<sup>th</sup> April for Ride2School Day here at Bletchley Park. There was an amazing array of decorated bikes and scooters passing through the gates of the school as families got into the spirit of the day. TED was there high-fiving students throughout the Junior Bike Parade. Members from the Canning Vale Police Station greeted students as they entered the school gates, discussing the importance of wearing a helmet when they ride on wheels, whether it is a bike, scooter or skateboard. Terry Healy local Member of Parliament spoke at both bike parades about bike safety in the community. BIG thankyou to the Health Committee for assisting with the organisation of the event and to the P & C in donating prizes for the best dressed bikes at the bike parades and participation raffle for each year group involved in the event. Riding to school is an excellent way to include at least 30 minutes of physical activity into every day.

## *Mobile Phone & Smart Watch Policy*

---

### **Purpose**

The increase of mobile phones and other mobile communication devices requires that Bletchley Park Primary has clear guidelines for the management on school premises and during school activities

### **Definition**

For the purposes of this policy, 'communication devices' refer to mobile phones, smart watches, smart glasses and other devices connected to a mobile network.

### **Rational**

Bletchley Park Primary discourages students from bringing mobile phones and smart watches and other communication devices to school. These communication devices cause disruption in classrooms and the playground and can be used inappropriately to access social media and take photos without permission. This can cause distress and breach the privacy of others.

### **Procedures**

Parents are able to contact their children by ringing the school phone number 9394 0955. If necessary, students can contact parents from the office phone. If a parent feels it is necessary for their child to bring a communication device to school, then they must inform the Principal in writing first.

If parent permission has been obtained, the rules for student use of communication devices in the school are listed below.

Students are not permitted to use communication devices at school for any reason unless supervised by a staff member and with permission. These communication devices:

1. That are brought to and kept at school are used entirely at their owner's risk. Bletchley Park Primary School cannot accept any responsibility for theft, loss or damage of these devices. Students and parents should also recognise that mobile communication devices are a highly prized target for theft.
2. Are to be with the classroom teacher at all times including; before school, recess and lunchtime, and must be switched off or on silent.
3. Smart phone communication, notification alerts, and location must be switched off. This includes during excursions and school camps.
4. Are not to be used to call home in an emergency. This is the duty of the school and the administrator/teacher in charge.
5. Are not to be used to call home in the event of a mishap at school or because belongings have been forgotten unless at a teacher's discretion and under the supervision of the teacher –in the main, these events are to be dealt with by the school. Parents will be informed of any events that have impacted on their child this includes during school excursions and camps.
6. Are not to be used in the classroom, playground or incursion/excursion for any of the following purposes; check text messages, access games, the internet, images, the camera or videos.
7. Are not to be used to harass, bully or intimidate students or staff. Breaches will be dealt with as per the school's Behaviour Policy.
8. Are not to be taken on school camps or excursions.

Any use of communication devices by a student, that is in breach of these rules, will lead to the confiscation of the device. In this instance, parents will be notified and confiscated devices will need to be collected from the Administration office by the student's parent or guardian at the end of the day.

## Ministers Statement on School Violence

# From the Minister

Every parent rightly expects that when their child is at school they will be safe, nurtured and supported to learn. Similarly, teachers and school staff should feel safe in their workplace.

It is however, a sad reality that some students come to school with the attitude that hurting other students or staff is alright. They choose to upset the good order of school life with intentional acts of physical aggression that create unsafe situations for others.

This type of attitude must change. We all know violence adversely impacts those directly involved - with physical and psychological harm a very real risk.

These acts also indirectly affect people in the wider school community; disrupting the school routine for many and impacting their sense of wellbeing, confidence and trust.

Reducing violence in our schools is a priority for the McGowan Government and we are taking action to address this growing community issue.

We have consulted stakeholders from across the community and considered their advice on the most effective ways to bring about change.

It is clear that we need to work together to address this issue in a united way. Schools alone cannot solve this problem and they need support from families and communities.

A plan has been developed to support school staff so they are clear about what is expected, and confident that their actions to maintain orderly learning environments for students will be backed by the Department of Education. The plan will also create a safer workplace for our teachers and other school staff.

Physical aggression has no place in our schools and the plan signals serious sanctions will be automatically imposed where students choose to hurt others.

The plan focuses on the intentional physical aggression and intent to harm others. Policy changes will not apply to students with a disability who either cannot control their behaviour or do not intend to harm others.

The response to violent behaviour is a shared responsibility and the plan includes actions that call for the broader community to be involved in real solutions.

Programs and resources will be available for parents to support their children, young people will have their voices heard and there will be ongoing discussion with community leaders and stakeholders.

There are no simple solutions to this complex community issue, but we must do better. This plan is the foundation for change - to take a stand together - and to ensure our schools are safe places for learning.

## *Harmony Week at Bletchley Park*

Thank you everyone for another very successful Harmony Week at Bletchley Park. Our week was full of activities to celebrate our multicultural differences, which we are so proud of at this school. We are particularly thankful to the year 6 students who were at school during the week as they helped us with all our announcements and preparations. Here are some of their reflections:

### **Indonesian Assembly**

*It was such a pleasure to watch a unique and entertaining Indonesian Assembly! There were various languages spoken such as Urdu, Mandarin, Greek and especially English. Our wonderful performers put on an interesting performance of **The Very Hungry Caterpillar** in Indonesian. So, thank you to our performers and Ibu Colquhoun, it truly was a treat to watch! (by Mahek)*

### **Canteen Multicultural Lunches**

*As you might know this week included Harmony Day and many of our wonderful students have ordered yummy harmonious lunches from our canteen including Sushi, Curry, Rice and Bento Boxes. We would like to give a huge thanks to Robyn and her helpers as they put in the effort to cook these yummy foods. Without these wonderful ladies there would not be any delicious foods and good experiences. (by Navid)*

### **Family Picnic**

*Today was our outstanding family picnic day. This was an amazing event as some of our brilliant students' parents came with all sorts of food. These wonderful parents showed the variety of harmony in our school and the food looked delicious. The students enjoyed the awesome finger painting which was all around the school. Also, the fabulous looking dresses were popping out, giving the picnic a bloom. (by Kavya)*
