Missing fathers and America's broken boys - the vast majority of mass come from broken homes

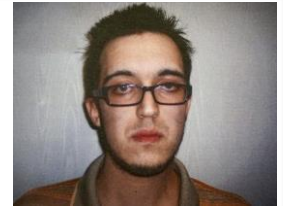

Cleveland anarchist bomb plot aided and abetted by the FBI
2012-11-28, *The Guardian* (One of the UK's leading newspapers)
<http://www.guardian.co.uk/commentisfree/2012/nov/28/cleveland-anarchist-bomb-...>

On 20 November, district court Judge David D Dowd Jr sentenced three anarchists with the Occupy Cleveland movement to prison terms ranging from 8 to 11.5 years for attempting to bomb a highway bridge last spring. Shaquille Azir, a paid FBI informant with a 20-year criminal record, facilitated every step in the plot. Azir molded the five's childish bravado and drunken fantasies into terrorism. He played father figure to the lost men, providing them with jobs, housing, beer and drugs. Every time the scheme threatened to collapse into gutterpunk chaos, he kept it on track. **FBI tapes reveal Azir led the brainstorming of targets, showed them bridges to ease out, pushed them to buy**

“He played father figure to the lost men, providing them with jobs, housing, beer and drugs.”

Ciccolo's parents divorced when he was in grade school. He lived with his mother on Cape Cod. He was charged with attempting to commit domestic terrorism.
