

Test Requirements for Certification in New Jersey

Note: This document was created in accordance with the regulations currently in effect. Requirements and passing scores are subject to change without notice. This document was last updated September 2021.

In order to obtain certification, candidates must meet New Jersey's testing requirements. Below you will find requirements and registration information for Basic Skills, Praxis Subject Assessments, Praxis School Leadership Series and Performance Assessment (edTPA). Refer to the Requirements for Certification webpage for further details regarding certification. Make sure you also check the Certificate Subject Area requirements webpage for your specific testing requirements. Available tests, test requirements and test code numbers are listed on the following pages for your assistance.

Instructions for the Basic Skills Tests (Core Academic Skills for Educators) Registration

Any candidate applying for a Certificate of Eligibility (CE) on or after **September 1, 2015** must meet the <u>basic skills requirement</u>. This requirement can be met by passing a Commissioner-approved test of basic skills (Praxis Core Academic Skills for Educators: Reading, Writing and Math), or by scoring in the top one-third percentile on the SAT, ACT, or GRE for the year the test was taken. Candidates can register for basic skills tests through the <u>Educational Testing Service (ETS)</u> "New Jersey Test Requirements" webpage. Basic skills tests taken in New Jersey will automatically be sent to the New Jersey Department of Education (NJDOE). If you tested in another state, you must request to have your score sent to the NJDOE by coding R7666 on your registration form. Only official score reports from ETS are accepted for licensure. *The omission of the NJDOE code (R7666) and your Social Security number may cause a delay in your certificate issuance.*

Registration for the Praxis Series can be scheduled at various centers on the <u>Praxis Test Dates and Centers</u> webpage or by contacting <u>Prometric</u>.

Instructions for Praxis Subject Assessments Registration

Register for Praxis Subject Assessments through The Praxis Series on the ETS website. Only official score reports from the Educational Testing Service (ETS) are accepted for certification. Scores on Praxis Subject Assessments taken in New Jersey will automatically be sent to the NJDOE. If you tested in another state, you must request to have your score(s) sent to the NJDOE by coding R7666 on your test registration form and answer sheet. The omission of the NJDOE code (R7666) and your Social Security number may cause a delay in your certificate issuance. ETS provides candidates with bulletin and forms for the Praxis Series testing on their website.

Continuous testing is offered throughout the year for many Praxis tests while some are available during certain testing windows. Registration for Praxis Series tests can be scheduled at various centers or by contacting Prometric.

Instructions for the Praxis School Leadership Series (SLS) Registration

<u>Register for the SLS</u> on the Educational Testing Service (ETS) website. Only official score reports from ETS are accepted for certification. Scores on the SLS tests taken in New Jersey will automatically be sent to the NJDOE. If you tested in another state, you must request to have your score(s) sent to the NJDOE by coding R7666 and adding your Social Security number on your test registration form and answer sheet.

The omission of the NJDOE code (R7666) and your Social Security number may cause a delay in your certificate issuance. An SLS information bulletin is available from ETS.

Please note that the SLS tests are only available during certain testing windows. See available test windows on the following pages. Registration for the Praxis Series SLS tests can be scheduled at various centers or by contacting Prometric.

Instructions for Performance Assessment (edTPA) Registration

A Commissioner-approved <u>performance assessment for teacher certification (edTPA)</u> is required for candidates that graduated on or after September 1, 2017. Successful completion of this performance assessment is required for all candidates seeking a Certificate of Eligibility with Advanced Standing (CEAS) or those who hold a Certificate of Eligibility (CE). <u>Register for the edTPA Assessment</u> and designate New Jersey as a score recipient at the time of testing. *The omission of a score recipient may cause a delay in your certificate issuance.*

New Jersey teaching certification areas and the corresponding <u>edTPA Handbooks</u> should be confirmed prior to registration. **The following passing scores are effective September 8, 2021**
