- 7.3.3.9. The Department will provide a temporary permit to the student/employee until the physical card is received in the mail.

Section 8. CDL Test Administration

- 8.1 An Examiner may not administer a CDL test until trained in accordance with 49 CFR § 383.75 and certified by the Department.
- 8.2 An Examiner may not charge or receive any compensation (other than normal salary or overtime pay) from the AO or Applicant for the administration of a CDL test.
Example: money, gifts, lunches, favors, goods or services, trades, or any item of value.
- 8.3 An Examiner may not administer CDL tests for family members or relatives. Examiners must never perform transactions for themselves or for their families. Additionally, an Examiner must never perform a transaction for someone who resides in the Examiner's home. Upon request, the Department will determine whether testing a specific Applicant violates this requirement.
- 8.4 An Examiner may not assist an Applicant in a manner that provides an unfair advantage in passing the CDL tests, such as giving answers to a written test, hints or excessive probing during the vehicle pre-trip inspection, stopping the vehicle before it hits a boundary during the basic control skills, or Training on the approved road test route.
- 8.5 An Examiner must administer the same CDL test that the Department's Examiners administer in accordance with provisions of law and guidelines established by FMCSA, the Department, and the CDL Examiner Manual.
- 8.6 An Examiner must hold the appropriate Class CDL with applicable endorsements and can only administer CDL skills test for a Class of license that is equal to or below what was certified by the Department.
- 8.7 An Examiner must conduct the CDL skills tests in the appropriate group/class or "representative vehicle" the driver is currently permitted for and intends to operate.
- 8.8 Prior to testing, an Examiner must inspect the vehicle to verify it meets all motor carrier safety regulations and is otherwise safe to operate.
- 8.9 The Examiner must not permit the vehicle to contain explosives or other hazardous material during testing.
- 8.10 During the skills test, there cannot be anyone else in or around the vehicle other than one (test) Applicant, the Examiner, and federal or Department auditors or Employees. A Designated Responsible Person can observe the skills test for compliance/quality control purposes; however, this person may not interact with the Applicant or Examiner during the testing process.
- 8.11 An Examiner who is also an instructor, either as a part of a school, Training program, or otherwise, is prohibited from administering a CDL test to an Applicant who received CDL Training by that Examiner. In other words, an Examiner cannot administer a CDL skills test to any Applicant if they spent any time Training the student or Employee (hands-on) vehicle pre-trip inspection, basic control skills, or BTW requirements. Classroom Training is excluded from this requirement.
- 8.12 An Examiner must examine each Applicant's MVR and refuse to test any driver whose license is currently or subject to being suspended, revoked, disqualified, or cancelled. MVR cannot be more than 30 days old on the day a CDL test is administered. An official

MVR may be obtained at the following website.
www.dps.texas.gov/driverlicense/driverrecords.htm.

- 8.13 An Applicant's initial Commercial Learner Permit (CLP), for that class of license, must have been issued 15 days or more before they can be administered a CDL skills test. The CLP is valid for 180 days.
- 8.14 No translator or other intermediary will be permitted to interpret portions of the test that are scored on the basis of an Applicant's verbal or written response. Nothing prohibits the use of a translator during Training to present questions or receive answers from an Applicant in any language on matters that do not require a scored response.
- 8.15 The Examiner may only conduct the CDL skills test in English, as required by FMCSR.
- 8.16 CDL skills testing must start on time, except in extenuating circumstances, in accordance to the schedule provided to the Department. The Department must be notified immediately through the Commercial Skills Testing Information Management System (CSTIMS) if a test is cancelled or rescheduled.
- 8.17 Complete the entire skills test without interruption. A brief (10–15 minute) break is permitted after the vehicle pre-trip inspection. Delaying the test to take care of personal matters (such as personal business, breakfast, or lunch) is prohibited.
- 8.18 Examiners are permitted to carry-over or bank scores for Applicants who successfully complete the vehicle pre-trip inspection or basic control skills portion of the CDL skills test if the following conditions are met.
 - 8.18.1 Examiners must complete the worksheet for banking scores before administering any portion of a skills test.
 - 8.18.2 Maintain on file a copy (or original) of all scoresheets and the worksheet for banking scores from previous tests administered during the current 180-day CLP period.
 - 8.18.3 All portions of the CDL skills test must be administered if the Examiner is not in possession of the driver's file to verify previous test scores or if a different type of vehicle was used.
 - 8.18.4 Previous test scores from CDL skills tests administered by the Department or a different AO are not transferrable. For example, an Applicant is not permitted to carry-over or bank any previous scores if they go from the Department to an AO or vice-versa.
 - 8.18.5 Using a different vehicle is permitted if the Examiner compares and verifies that the new vehicle is representative of the previous vehicle. The vehicles must match when it comes to these items.
 - 8.18.5.1 Class
 - 8.18.5.2 Air Brakes
 - 8.18.5.3 Auto or Manual Transmission
 - 8.18.5.4 Same articulation for combination vehicles. (5th wheel, pintle hook, etc.)
 - 8.18.5.5 Bus/Truck/Truck Tractor
 - 8.18.6 Examiners may re-administer all failed portions of the skills test.
 - 8.18.6.1 A driver who fails the pre-trip inspection due to low score or does not perform the air brake check correctly is required to start over

- from the beginning during their next test, no scores or items inspected are carried over.
- 8.18.6.2 A driver who fails the parallel parking maneuver is required to retake and successfully pass all the basic control maneuvers (straight line backing, off-set backing to the left or right, and parallel parking conventional or sight side) before going on the road test.
 - 8.18.6.3 A driver who fails the road test is required to retake the entire road test.
 - 8.18.7 Once a driver completes the knowledge tests and obtains their initial CLP, they have 180 days or until their CLP expires or is renewed to pass the skills test. Afterwards, previous scores will be voided and the entire CDL skills test will have to be retaken (pre-trip inspection, basic control skills, and road test).
- 8.19 Skills test must be administered at an approved site in Texas and passed in sequence: (1) Pre-trip inspection; (2) Basic control skills; and (3) Road test. An Applicant cannot advance to the next sequence if the Applicant fails the current sequence being administered. After failing any sequence, in any combination three times, the applicant must reapply and retake all skills tests.
- 8.20 AOs must only administer testing to their own students or Employees.
- 8.21 After being authorized to conduct CDL testing by the Department, the AO will be issued a series of controlled forms that must be completed in black ink and used in numerical order.
- 8.21.1 Complete any knowledge tests using the Department's online application, regardless if a test was passed or failed.
 - 8.21.2 Complete all applicable areas of skills test form CDL-41, regardless if a test was passed or failed.
 - 8.21.3 Upon passing or failing a CDL test, all information must be entered into CSTIMS within 24 hours of the test.
- 8.22 Any Applicant (regardless of driving experience) must wait one business day if the Applicant fails on any attempt at the test before being retested.
- 8.23 Examiners are permitted to have their CDL test administered by a Department Examiner or another Examiner within the same AO.
- 8.24 An Examiner who leaves the employment of a licensed AO and wishes to transfer to another licensed AO must:
- 8.24.1 Have the new AO submit a new Examiner application and complete all Department requirements as a new Examiner.
 - 8.24.2 Successfully complete a Skills Performance Evaluation.
- 8.25 CDL skills tests that are postponed due to severe weather or emergencies must be noted on the CDL-41, in CSTIMS and reported to the CDL TPST Audit Team within one business day.

Section 9. Penalties and Appeals

9.1 Administrative and Testing Violations

- 9.1.1 The Department reserves the right to take prompt and appropriate remedial action against an AO if the AO or Examiner of the AO fails to comply with State

or federal standards for the CDL testing program, or with any other terms of the third-party contract. This includes any serious violation which demonstrates an Examiner or AO is a risk to the public, Department personnel, or the driver, including failing to maintain a professional relationship with students at all times.

- 9.1.2 The falsification of any required records, applications, or forms by an AO, Designated Responsible Person, or Examiner can result in the suspension, or revocation, of their Third-Party Testing certification. Depending upon the egregiousness or severity of the violation, it can result in the AO's expulsion from the program. Such falsification may also result in criminal prosecution pursuant to Texas Penal Code § 37.10.
- 9.1.3 Failure to comply with all Third-Party Tester Program requirements can result in the suspension or revocation of the AO, Designated Responsible Person or Examiners certification.

9.2 Operational Violations

- 9.2.1 Within ten calendar days of occurrence, the AO must notify the Department of any of the following operational violations.
 - 9.2.1.1 The AO employs individuals currently employed by the Department's Driver License Division.

Department has the authority to suspend an AO's certification to conduct CDL testing for up to one year.

9.3 Examiner Violations

9.3.1 Suspensions

The AO penalties for non-compliance violations committed by an Examiner with this program are defined and applied as follows.

Administrative Non-Compliance: Failure to meet requirements for reporting, notifications, record keeping, or similar acts that do not compromise test integrity or public safety.

First Occurrence will result in a warning letter.

Second Occurrence (within one year of first offense) will result in a secondary warning letter.

Third Occurrence (within one year of the most recent prior offense) will result in a 30-day suspension.

Fourth Occurrence (within one year of the most recent prior offense) will result in a one-year suspension.

9.3.2 Revocations

9.3.2.1 Discrepancy in Test Procedure: If the Department determines the AO knowingly or intentionally permitted an Examiner to fail to properly administer a required portion of an otherwise complete test procedure, such as: omission of a required maneuver, failure to include all required parts of a test procedure (such as omission of the pre-trip inspection), failure to use an approved test route, use of an unsafe vehicle, erroneously scoring the Applicant to guarantee passing, or other action determined to significantly compromise the integrity of the test process or public safety will have the AO's certification revoked.

First Occurrence will result in termination of testing certification.

9.3.2.2 Fraud: If the Department determines the AO knowingly or intentionally allows an Examiner to abuse the testing authority granted to them through the certification process to gain profit through issuance of a license to an Applicant that has not passed a complete test, falsification of records or information, refusal to allow access to all documents, papers, letters and material subject to the provisions of the CDL Third-Party Skills Testing program or commits an act that, in the opinion of the Department, compromises the integrity of the Program.

First Occurrence will result in termination of testing certification.

Note: The Department will have sole discretion to determine if the level of noncompliance and Substandard Testing is a permanent removal from the program.

9.4 AO Violations

9.4.1 Suspensions

For operational violations listed in Section 8.2, the Department will take into account the seriousness of the violation, the repetitiveness, whether the violation has been corrected, and how long it took the AO to remedy the violation in determining if any penalty should be decided against the AO.

First Occurrence will result in a warning letter.

Second Occurrence (within one year of first offense) will result in a secondary warning letter.

Third Occurrence (within one year of the most recent prior offense) will result in a 30-day suspension.

First Occurrence will result in a termination of testing certification.

9.4.2.2 Fraud: If the Department determines that the AO knowingly or intentionally abuses the authority granted to gain profit through issuance of a license to an Applicant that has not passed a complete test, falsification of records or information, refusal to allow access to all documents, papers, letters and material subject to the provisions of the CDL Third Party Skills Testing program or commits an act that, in the opinion of the Department, compromises the integrity of the Program.

First Occurrence will result in a termination of testing authority.

Note: The Department will have sole discretion to determine if the level of noncompliance and Substandard Testing is a permanent removal from the program.

9.5 Denial, Suspension, Cancellation, or Revocation

- 9.5.1 DENIAL, SUSPENSION, CANCELLATION, OR REVOCATION OF APPROVAL. The Department may deny, suspend, cancel, or revoke any approval or authorization provided under this agreement if the Department finds that the action is necessary to maintain the integrity, security, honesty, or fairness of the operation or administration of CDL testing if the authorized organization or Examiner:

This agreement automatically terminates four years after the date it is signed and approved by the Department. In addition to other remedies, the Department may immediately terminate an Agreement if the AO fails to comply with the terms of this agreement or applicable laws, rules, or regulations. The Department has the sole authority to amend this agreement if necessary and will not accept proposed changes to its wording.

10.2 Confidentiality

- 10.2.1 **Ownership and use of Confidential Information.** The Department may share Confidential Information with the AO (or its affiliates, employees, subcontractors, or other agents). If sharing Confidential Information, the Department owns or has third-party permission to do so and it is given solely in connection with any duties obligated under this Agreement.
- 10.2.2 **Overall non-disclosure and protection.** AO must keep Confidential Information shared under this Agreement confidential and may not reproduce it or share it except according to the terms of this Agreement. AO must protect it in accordance with the security policies and processes in which it would protect its own Confidential Information, which should be no less than a reasonable level of care. AO may not store the Confidential Information outside of the United States.
- 10.2.3 **Destruction.** AO must destroy all Confidential Information: (1) upon termination of the Agreement; (2) when the duties necessitating the sharing are completed; or (3) the Department requests AO to do so at any time. AO must email notice of destruction to the program coordinator within three days of any of the above

occurring.

10.2.4 **Limited disclosure.** AO may only disclose Confidential Information to its affiliates, employees, subcontractors, or agents whose services are required in furtherance of AO's duties under this Agreement. AO guarantees that it will require its affiliates, employees, subcontractors, or agents to comply with this Agreement.

10.3 Severability

The parties acknowledge that if a dispute between the parties arises out of this Agreement or the subject matter of this Agreement, including a dispute over possibly ambiguous language, they would want the court to interpret this Agreement as follows:

- 10.3.1 With respect to any provision that it holds to be unenforceable, by modifying that provision to the minimum extent necessary to make it enforceable or, if that modification is not permitted by law, by disregarding that provision;
- 10.3.2 If an unenforceable provision is modified or disregarded in accordance with this section, by holding that the rest of the Agreement will remain in effect as written;
- 10.3.3 By holding that any unenforceable provision will remain as written in any circumstances other than those in which the provision is held to be unenforceable; and
- 10.3.4 If modifying or disregarding the unenforceable provision would result in failure of an essential purpose of this Agreement, by holding the entire Agreement unenforceable.

10.4 Program Coordinators

The parties' program coordinators are responsible for all communications and contacts required to manage this Agreement. Each party will notify the others of any changes within ten business days.
