THANK YOU, CHRISTMAS ANGELS

Christmas Angels from across Grey and Bruce made this Christmas one of the best ever for the Owen Sound Regional Hospital.

Over 2,800 donors gave almost \$360,000 to the Foundation's Christmas Angel Campaign for seven new automated medication cabinets needed throughout the Medicine, Surgery and Psychiatry Nursing Units at the Hospital.

"My sincere thanks to everyone who supported the campaign," said Torben Hawksbridge, Foundation Chair. "Donations are critical to having the best possible care available here."

Medications play a key role in the treatment and recovery of many patients. Every day the Hospital's Pharmacy prepares over 1,000 medication orders. Ensuring each patient gets the right drug, at the right time, in the right dose, is a complex task involving doctors, pharmacy staff and nurses.

"The new automated cabinets store up to 300 different medications and are integrated into Grey Bruce Health Services' electronic patient records and Pharmacy Information System," said Dr. Brendan Mulroy, former Chief of Staff. The system alerts nurses to patient medication allergies and conflicts. State of the art thumbprint locks give nurses fast, secure access.

Since automated cabinets will be located in each nursing unit, nurses have virtually instant access to their patients' medications. Shorter wait times improve patient comfort and care. Less paperwork means nurses enjoy more time interacting with and caring for their patients.

The equipment improves care for patients. Registered Nurses Cassy McMillan and Megan Lawes remarked, "When a patient needs a different medication, the new system enables us to respond much more quickly, especially at night, when staffing levels are lower."

Introduced in the 1980s, dispensing technology has constantly been refined and improved to meet changing needs and health standards. GBHS feels the time is right to introduce this technology at the Owen Sound Regional Hospital.

Registered Nurses Casey McMillan, left, and Megan Lawes working with a new Medication Dispensing Cabinet. Funds for the new equipment were raised through the Christmas Angel Campaign.

DID YOU KNOW?

- 10 Pharmacists and 26 Pharmacy Technicians are based at the Owen Sound hospital. They serve all 6 GBHS hospitals, the Hanover hospital and the four hospitals under South Bruce Grey Health Centre
- GBHS Pharmacy stocks more than 2,000 different medication items
- The Pharmacy typically processes 1,000 to 1,200 medication orders per day
- 1.9 million unit-dose items are dispensed each year, along with 68,000 ready-to-use IVs
- The Ontario College of Pharmacists oversees hospital pharmacies, visiting all Ontario hospitals to perform annual inspections.

Thank you for supporting the Owen Sound Regional Hospital

The following list of donors includes those who have made donations between April 1, 2016 and May 24, 2017.

This includes donations or pledge payments made to the Owen Sound Regional Hospital Foundation and the Hospital Campaign. Please note, if you donated to the Hospital Campaign through the GBHS Foundations in Southampton, Wiarton and Lion's Head, Meaford or Markdale, your name will not appear on this list. Nevertheless your support is greatly appreciated!

Founders include those individuals who have donated to the Foundation every year since the Hospital opened.

Donations by clubs and organizations, corporations, bequests and those recognized with an In Memory or In Honour donation, are listed separately.

Sometimes we slip and miss a name that should be on our list! If we missed your name, please call the Foundation office and let us know, so we can correct our records.

You can reach us at 519-372-3925.

If you wish to be anonymous so that your name will not appear in this report, contact the Foundation Office.

We value your privacy

While we publish a list of donor names we do not sell, trade or share our mailing lists!

Torben Hawksbridge, Foundation Chair

THANKS *for Your Support*

Your donations are critical to hospital care! As my term as Chair of the Hospital Foundation draws to a close, I am struck again by what a generous community we have and what a difference you make. New diagnostic and medical equipment means

faster, more accurate diagnosis, less invasive treatments, enhanced safety, shorter hospital stays, and faster return to regular activities for thousands of patients from throughout Grey and Bruce. Thank you so much for your help and support!

THANKS *to our volunteers and staff*

I would like to thank Foundation board members and our many volunteers who assist with administration and fundraising. They make events like our golf tournament, curling funspiel and the Bayshore Race possible.

Executive Director, Paul Weitendorf retired this spring after 20 years with the Foundation. Thanks to Paul for his excellent leadership.

On behalf of the Board it is my pleasure to welcome and introduce you to Amy

McKinnon, our new Executive Director. Amy begins her work on our behalf on June 26 and you can read more about her on page 5.

My sincere thanks also our staff Lori Morrison and Willard VanderPloeg who keep the day-to-day work of the Foundation happening.

*Torben Hawksbridge
Chair,*

Owen Sound Regional Hospital Foundation

HOW YOU HELPED YOUR HOSPITAL IN 2016

Every year your regional hospital needs new medical equipment. Some equipment needs replaced or upgrade worn out or obsolete items. Other equipment is new, enabling the hospital to offer the latest in tests and procedures here, close to home.

Each year specialist physicians, department & nursing managers, administrators and others come together to identify the highest priority equipment needs. Then the Foundation is asked to raise funds to support the purchase of these items.

Here are a few of the items your donations helped purchase in the last year:

Women & Childcare:

Neonatal Incubators - \$75,000 for 3
Isolette Stretcher Power Lift - \$5,700
Overhead Bilirubin Light - \$7,500

Laboratory:

Microscopes - \$75,000 for 3
Histology Processor - \$80,000
Transfusion Medicine Refrigerator - \$12,000

Ambulatory Care

YAG Laser - \$40,000
Humphrey Field Analyser - \$25,000
Urodynamic Equipment Upgrade - \$65,700

Pharmacy

Medication Dispensing Units - 320,000
IV & Pain Infusion Pumps - \$915,000

And much more!

Curling Funspiel RAISES \$19,775 for Diagnostic Equipment

16 teams of curlers took to the ice at Blue Water Curling Club on Saturday, February 18th for a day of curling to help raise funds for the Owen Sound Regional Hospital Foundation. By the end of the day, \$19,775 was raised to support the purchase of several pieces of diagnostic equipment for the Hospital.

“Thanks to all our curlers, sponsors, volunteers - everyone who helped make the day a huge success,” said Dennis Radbourne, Drawmaster and Chair of the organizing committee.

Lead sponsor of the Funspiel was Grey-Bruce Electric Supply. Draw

sponsors were Chatsworth Insurance, and Investors’ Group. More than 50 local businesses provided sponsorships, auction and raffle items, plus team prizes.

Winning the Funspiel overall was the SunLife team, skipped by Dylan Tippin, with Dave & Jack Middleton and Geoff Keleher. The top fundraising team was Team BDO, raising \$1,400.

This was the 17th Annual Funspiel supporting the Hospital. Over its history, the event has raised about \$300,000 to support the purchase of new and updated medical equipment for the Hospital.

Introducing AMY MCKINNON

The Board of Directors of the Owen Sound Regional Hospital Foundation is pleased to introduce Amy McKinnon as Executive Director. Amy will officially join us on Monday June 26.

Amy comes to the Foundation from the Toronto General and Western Hospital Foundation where she has worked since 2007 as Director, Development Research

& Strategic Analysis and Privacy Officer. As a member of the Senior Leaders Team, Amy played a key role in the development of the Foundation’s strategic and operating plans. During her tenure with TG&WHF, Amy held the position of interim Director of Major Gifts.

Amy started her fundraising career with the Vancouver General & UBC Hospital Foundation before

returning to Ontario and joining the Royal Ontario Museum’s team during their \$270 million capital campaign.

Amy grew up in Amberley and is excited to return to her roots and family and support the community she calls home. She recently relocated to Georgian Bluffs with her husband James.

Amy McKinnon, Executive Director

PAUL WEITENDORF Retires

It is with mixed emotions that we announce the retirement of Paul Weitendorf, Executive Director of the Owen Sound Regional Hospital Foundation. Paul’s last day was March 9.

Paul began working with the Owen Sound Regional Hospital

Foundation in 1996. He became Executive Director of the Foundation in 2002. Under his leadership the Foundation completed major capital campaigns for MRI and cancer care.

During Paul’s time, the foundation provided more than \$50 million for new and replacement medical

equipment for departments across the hospital.

Paul will be missed – he has been a valued and respected supervisor and colleague.

We wish Paul all the best on his next adventures. Word has it his enthusiasm for philanthropy is

equalled by his many interests and hobbies – including sailing, radio controlled aircraft, bird watching, gardening and more! Thank you for a job well done, and congratulations on your successful career and many accomplishments.

MCHAPPY DAY SUPPORTS INFANT INCUBATORS

On Wednesday May 3rd, McDonald's Restaurants in Meaford, Owen Sound and Port Elgin raised \$18,068 for three new neonatal incubators in the Intensive Care Nursery at the Owen Sound Regional Hospital.

\$1 from each Big Mac, Happy Meal and hot beverage were donated. "We are delighted to support the critical work of the Hospital, to help ensure babies get the best possible start in life," said Steve Sgro, owner/operator of the McDonald's Restaurants in Meaford, Owen Sound and Port Elgin. The Intensive Care Nursery is the only facility of its type in Grey and Bruce. 685 babies were born at the hospital in 2016 to parents from throughout the region, with 187 newborns requiring specialized care in the Nursery.

Incubators provide a controlled environment with warm, humidified air. They protect babies against light, noise, infection and other complications as their tiny bodies grow.

The new incubators replace aging equipment. State of the art technology means better care for babies with heat, light and sound carefully controlled. New incubators feature built in scales and high quality mattresses so babies are as comfortable as possible. Three new incubators cost about \$25,000 each.

"We are so pleased to receive support from McHappy Day," said Barb Severs, Foundation Board member and McHappy Day volunteer. "Our thanks to McDonald's customers and all the staff and volunteers in Meaford, Owen Sound and Port Elgin."

Christine & Steve Sgro and their staff presented \$18,068 in support of new infant incubators for the Hospital's Intensive Care Nursery. \$1 from each Big Mac, Happy Meal and hot beverage (and lots of red hearts & socks) sold on McHappy Day will benefit young families locally. Thanks to McDonald's staff, volunteers and customers in Meaford, Owen Sound and Port Elgin!

HOSPITAL RECEIVES \$455,000 FROM CARING FOR TOMORROW ENDOWMENT

On March 28, the Foundation presented \$455,000 from its Caring for Tomorrow Endowment Fund to GBHS President & CEO, Lance Thurston.

The Foundation established its Endowment in 1996 to provide a secure, ongoing source of funding for new diagnostic and medical equipment. Hundreds of will bequests and other gifts have been added to the Fund, where they

are permanently invested. A portion of the income earned is what supports new equipment at the Hospital each year.

From a new histology processor and transfusion medicine fridge in the Laboratory, new endoscopes for general surgery, cardiac monitors, to a new YAG ophthalmic laser, the Endowment disbursement helped the Foundation fund equipment across nine departments at the Hospital in 2016. \$9,950

of the total was designated for clinical staff education & training.

“This year’s disbursement brings the total provided to the Hospital to more than \$4.1 million over the Endowment’s 21 year history,” said Foundation Chair, Torben Hawksbridge. “We’re looking forward to seeing what it will accomplish for the Hospital in the years to come.”

Contributing to the Endowment through

your Will, life insurance, cash or RRSP is something almost everyone can consider. Your gift will live on after you to help the Hospital again and again – ensuring future generations get the care they need - when they need it.

More information on the Caring for Tomorrow Endowment Fund is available by contacting the Owen Sound Regional Hospital Foundation at 519-372-3925.

The Emerging Needs Fund contributed \$316,000 to the total. Contributions from named funds were:

Cardiac Trust	\$12,000.00	D.S. Fleming	\$4,000.00
Peter Di Tursi	\$10,500.00	Brian Rudrick	\$3,500.00
Jessie Calder	\$9,500.00	Percy & Kathleen Noble	\$2,600.00
Lois & Donald Dowkes	\$9,500.00	Chris Coulter	\$2,250.00
Robert Edgar	\$9,500.00	IPM 2004	\$2,000.00
Merna Litwiller	\$9,500.00	Rob & June Shouldice	\$2,000.00
Howey Memorial	\$8,750.00	Heart Care	\$1,300.00
Catherine Taylor	\$7,000.00	Diagnostic Services	\$1,150.00
Jean Clugston	\$6,500.00	Helen Foster	\$1,000.00
Large and Cardoso	\$6,000.00	Oncology	\$1,000.00
Gordon & Doris Wilkinson	\$5,750.00	Chamberlain Family	\$650.00
Tom Williams	\$4,750.00	Ruth Hindman	\$550.00
Marie & Carl Kellough	\$4,500.00	Rehabilitation	\$250.00

GBHS President & CEO, Lance Thurston receives \$455,000 in proceeds from the Foundation's endowment for 2016 from Investment Committee member, Jeremy Wentworth-Stanley, left, Foundation Chair, Torben Hawksbridge, centre right and Investment Committee Chair, Chris Frook, right.

Bequest Gifts Benefit Hospital Care

Recently, the Foundation received a \$102,000 will bequest from Christopher Parfree, formerly of Markdale. A regular donor to the Foundation over many years, Chris also remembered Markdale Hospital with a similar gift.

“Community was important to Chris,” said Estate Trustee, Don Harris. “He was

aware of the lack of government funding for medical equipment and considered his regional and local hospital to be at the heart of a strong community.”

Born in 1924 in Milford on the Sea, Lymington Haunts, UK, Chris is survived by his brother Derek, who still resides in their parents’ home. As a young man, Chris apprenticed as a Tool and Die

maker with MK Electric. As World War II heated up, he joined the Royal Air Force and was stationed in Cardington, Bedfordshire England, later serving in Egypt and Sudan.

While attending the Festival of Britain after the war, Chris heard about Canada - a country where he could practice his trade and live his passion for skiing. He

immigrated in 1951.

“Bequest gifts have a direct impact on patient services,” said Lance Thurston - President & CEO of Grey Bruce Health Services. “Those funds help us deliver better care: faster, more accurate diagnosis and less invasive surgery. So many are helped.”

VOLUNTEERS *make it happen*

Each year the Owen Sound Regional Hospital Foundation works to raise funds to support the purchase of new medical equipment and for staff development at the hospital. Many volunteers work on Foundation committees to support fundraising and administration.

From organizing our golf tournament to ensuring the proper investment of the endowment fund, volunteers make a critical difference.

Please join us in recognizing their contribution to better hospital care in Grey and Bruce.

Please note: the volunteers listed below served on committees during the period of April 1, 2016 to May 24, 2017.

To celebrate Nursing Week, May 8 - 12, RBC Royal Bank donated \$10,000 in support of continuing education and training for nurses. The gift was part of a \$70,000 commitment in Grey, Bruce, Wellington, Perth and Dufferin Counties.

Leah Funck and Brooklyn Hutton sold popcicles and popcorn recently at a Chesley Fire Department event raising \$250 for new neonatal incubators for the Intensive Care Nursery. Great work girls!!
