

The Abingtons Directory

of Activities and Services

for every generation

Welcome to the villages of Great and Little Abington

This booklet aims to help you to connect with the clubs, groups, facilities and services that are to be found in our lively community, and to encourage you to take part in the many sporting, cultural, special interest and social events that take place within the villages.

The Abingtons have much to offer and, as ever, you will gain most by getting involved yourself in some of the activities.

Our community is friendly, helpful and caring and the village residents have wide ranging skills and abilities, which they share willingly. We warmly welcome the fresh approach and different skills which new friends and neighbours can bring.

We hope that you will enjoy living here.

The two Parish Councils and Parochial Church Council have compiled this booklet. Inclusion in the listings does not imply endorsement and, while best efforts have been made to ensure accuracy of the information contained, no responsibility can be taken for any errors or omissions.
