IMPORTANT NOTICES FOR MEETING ATTENDEES

SESSION LOCATIONS

Please note: this online version of the program does not include session locations. The locations of all individual sessions will be included in the paper program that you will receive when you pick up your registration materials at the meeting (if you opted to receive a paper program) as well as in the meeting app beginning the first day of the meeting.

IMPORTANT INFORMATION ABOUT REGISTRATION

Please note: it costs \$50 less to register in advance than to register at the meeting.

Early bird registration at www.apaonline.org is available until March 14 at 11:59 p.m. Eastern Time. **Online registration will be closed from March 15 until March 27.** Beginning on March 28, registration will reopen, and you may register online or at the meeting registration desk.

Registration fees provide the major source of support for every divisional meeting. Without that income, the APA is unable to host meetings and provide quality services and resources to members. Thank you for your support and cooperation.

PRONOUN STICKERS

Beginning this year, as a show of the APA's commitment to diversity and inclusion, we are introducing pronoun stickers for your name badge, including blank stickers that will allow you to use a pronoun of your own choosing. Stickers will be available for pickup at registration and can easily be worn as a show of solidarity, and a means of making our annual conference a friendly and safe environment for all.

GENDER-NEUTRAL BATHROOMS AND QUIET ROOM

A gender-neutral bathroom and a quiet room will be available at the Westin Gaslamp. The gender-neutral bathroom is located on level three of the meeting space in the pool area. A key for the quiet room is available at the registration desk.

Journal of the American Philosophical Association

Appearing quarterly in print and online, the *Journal of the American Philosophical Association* provides a platform for original work in all areas of philosophy.

The *Journal* is committed to publishing:

- Papers that go out on a limb, papers that start trends rather than merely adding epicycles to going trends.
- Papers from early-career philosophers as well as established philosophers already recognized for their work.
- Papers on topics that draw from and appeal to diverse philosophical constituencies and traditions.
- Readable papers that can be appreciated by philosophers not already steeped in the subject matter.
