RIZAL COMMERCIAL BANKING CORPORATION AND SUBSIDIARIES NOTES TO INTERIM CONDENSED FINANCIAL STATEMENTS MARCH 31, 2021 AND DECEMBER 31, 2020

(Amounts in Millions of Philippine Pesos)

1. CORPORATE MATTERS

1.1 Incorporation and Operations

Rizal Commercial Banking Corporation (the Parent Company, the Bank or RCBC), a universal bank engaged in all aspects of banking, was originally incorporated on September 23, 1960. The Bank renewed its corporate existence on December 10, 2009. It provides products and services related to traditional loans and deposits, trade finance, domestic and foreign fund transfers or remittance, cash management, treasury, and trust and custodianship services. It also enters into forward currency contracts as an accommodation to its clients and as a means of managing its foreign exchange exposures. The Parent Company and its subsidiaries (together hereinafter referred to as the Group) are engaged in all aspects of traditional banking, investment banking, retail financing (credit cards, auto loans, mortgage/housing and microfinance loans), remittance, leasing and stock brokering.

As a banking institution, the Group's operations are regulated and supervised by the Bangko Sentral ng Pilipinas (BSP). As such, the Group is required to comply with banking rules and regulations such as those relating to maintenance of reserve requirements on deposit liabilities and deposit substitutes and those relating to the adoption and use of safe and sound banking practices, among others, as promulgated by the BSP. The Group's activities are subject to the provisions of Republic Act (RA) No. 8791, the *General Banking Law of 2000*, and other related banking laws.

The Parent Company's common shares are listed in the Philippine Stock Exchange (PSE).

The Parent Company is a 41.72% owned subsidiary of Pan Malayan Management and Investment Corporation (PMMIC), a company incorporated and domiciled in the Philippines. PMMIC is the holding company of the flagship institutions of the Yuchengco Group of Companies.

The registered address of the Parent Company is Yuchengco Tower, RCBC Plaza, 6819 Ayala Avenue cor. Sen. Gil Puyat Avenue, Makati City. PMMIC's registered business address is 48th Floor, Yuchengco Tower, RCBC Plaza, 6819 Ayala Avenue, Makati City.

The condensed consolidated interim financial statements of the Group as of and for the three months ended March 31, 2021 (including the comparatives for the three months ended March 31, 2020) and the year ended December 31, 2020 were approved and authorized for issue by the Bank's Audit Committee on May 11, 2021.

1.2 Merger with RCBC Savings Bank, Inc. (RSB)

The Bank, together with RSB, a wholly-owned subsidiary, executed a Plan of Merger on November 27, 2018, which was previously approved by all members of the Bank's Board of Directors (BOD) and by all the stockholders of the Bank on February 26, 2019. The same was filed with the SEC and was subsequently approved on July 22, 2019.

Upon issuance by the SEC of the Certificate of Filing of the Articles and Plan of Merger, RSB was merged into the Bank, which is the surviving corporation of the merger. As such, the financial information in the Parent Company's financial statements are restated for the periods prior to the combination of the Parent Company and RSB to reflect the combination as if it had occurred at the beginning of the earliest period presented in the financial statements, regardless of the actual date of the combination.

Upon the effective merger date, RCBC, as the surviving corporation, continues its existence as a corporation and conducts its business under its existing name. Issued and outstanding common shares of RSB was cancelled and exchanged with RCBC's shares. The Bank issued a total of 315,287,248 shares to the shareholders of RSB, in exchange for their respective shares, based on a share exchange ratio agreed by both parties. Correspondingly, effective July 22, 2019, the Bank holds certain real properties of former RSB which are classified under Bank Premises, Furniture and Equipment and Investment Properties in the Statements of Financial Position acquired through a tax-free exchange as a result of the merger.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies that have been used in the preparation of these financial statements are summarized in the succeeding pages. The policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of Preparation of Financial Statements

(a) Statement of Compliance with Philippine Financial Reporting Standards

The interim financial statements of the Bank have been prepared in accordance with Philippine Financial Reporting Standards (PFRS).

There were no changes in the accounting policies and methods of computation followed in the interim financial statements as compared with the most recent annual financial statements.

(b) Presentation of Financial Statements

The financial statements are presented in accordance with Philippine Accounting Standards (PAS) 1, *Presentation of Financial Statements*. The Group presents its statement of financial position broadly in order of liquidity and presents all items of income and expenses in two statements: a "statement of profit or loss" and a "statement of comprehensive income."

(c) Functional and Presentation Currency

These financial statements are presented in Philippine pesos, the Group's functional and presentation currency. All amounts are in millions, except per share data or when otherwise indicated.

2.2 Basis of Consolidation and Accounting for Investments in Subsidiaries and Associates in the Separate Financial Statements

The Group's consolidated financial statements comprise the accounts of the Parent Company and its subsidiaries, after the elimination of material intercompany transactions. All intercompany resources and liabilities, equity, income, expenses and cash flows relating to transactions with subsidiaries are eliminated in full. Unrealized profits and losses from intercompany transactions that are recognized in assets are also eliminated in full. Intercompany losses that indicate impairment are recognized in the consolidated financial statements.

2.3 Financial Assets

Financial assets are recognized when the Group becomes a party to the contractual terms of the financial instrument. For purposes of classifying financial assets, an instrument is considered as an equity instrument if it is non-derivative and meets the definition of equity for the issuer in accordance with the criteria under PAS 32, Financial Instruments: Presentation. All other non-derivative financial instruments are treated as debt instruments.

(a) Classification, Measurement and Reclassification of Financial Assets

Under PFRS 9, Financial Instruments, the classification and measurement of financial assets is driven by the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets. The classification and measurement of financial assets are described in the succeeding paragraphs.

(i) Financial Assets at Amortized Cost

Financial assets are measured at amortized cost if both of the following conditions are met:

- the asset is held within the Group's business model whose objective is to hold financial assets in order to collect contractual cash flows; and,
- the contractual terms of the instrument give rise, on specified dates, to cash flows
 that are solely payments of principal and interest (SPPI) on the principal amount
 outstanding.

Financial assets meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at amortized cost using the effective interest method, less any impairment in value.

(ii) Financial Assets at Fair Value Through Profit or Loss (FVPL)

The Group classifies financial assets as FVPL when they have been purchased or issued primarily for short-term profit making through trading activities or form part of a portfolio of financial instruments that are managed together, for which there is evidence of a recent pattern of short-term profit taking.

Debt instruments that do not meet the amortized cost criteria, or that meet the criteria but the Group has chosen to designate as at FVPL at initial recognition, are measured at FVPL. Equity investments are classified as financial assets at FVPL, unless the Group designates an equity investment that is not held for trading as at *Financial Assets at Fair Value Through Other Comprehensive Income* (FVOCI) at initial recognition. The Group's financial assets at FVPL include government securities, corporate bonds, equity securities, which are held for trading purposes or designated as at FVPL.

Financial assets at FVPL are measured at fair value. Related transaction costs are recognized directly as expense in profit or loss. Unrealized gains and losses arising from changes (mark-to-market) in the fair value of the financial assets at FVPL category and realized gains or losses arising from disposals of these instruments are included in Trading and Securities Gains under Other Operating Income account in the statement of profit or loss.

(iii) Financial Assets at Fair Value Through Other Comprehensive Income (FVOCI)

<u>Debt Instruments at FVOCI</u>

The Group classifies debt instruments under FVOCI when both of the following conditions are met:

- the asset is held within the Group's business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and,
- the contractual terms of the instrument give rise, on specified dates, to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

FVOCI debt securities are subsequently measured at fair value with gains and losses arising from changes in fair value recognized in Other Comprehensive Income (OCI). Interest Income and foreign exchange gains and losses are recognized in profit or loss in the same manner as for financial assets measured at amortized cost. On derecognition, cumulative gains or losses previously recognized in OCI are reclassified to profit or loss.

Equity Instruments at FVOCI

At initial recognition, the Group can make an irrevocable election (on an instrument-by-instrument basis) to designate equity investments as at FVOCI; however, such designation is not permitted if the equity investment is held by the Group for trading. The Group has designated certain equity instruments as at FVOCI on initial application of PFRS 9.

Financial assets at FVOCI are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value, with no deduction for any disposal costs. Gains and losses arising from changes in fair value, including the foreign exchange component, are recognized in other comprehensive income, net of any effects arising from income taxes, and are reported as part of Revaluation Reserves account in equity. When the asset is disposed of, the cumulative gain or loss previously recognized in the Revaluation Reserves account is not reclassified to profit or loss, but is reclassified directly to Surplus account.

(b) Impairment of Financial Assets

PFRS 9 requires the Bank to record an allowance for Expected Credit Losses (ECL) for all loans and other debt financial assets not held at FVPL, together with loan commitments and financial guarantee contracts. The allowance is based on the ECLs associated with the probability of default in the next twelve months unless there has been a significant increase in credit risk since origination. If the financial asset meets the definition of purchased or originated credit impaired, the allowance is based on the change in the ECLs over the life of the asset.

The Group has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Group classifies its loans into the following stages:

- Stage 1: When loans are first recognized, the Group recognizes an allowance based on the twelve-month ECLs. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.
- Stage 2: When a loan has shown a significant increase in credit risk since origination, the Group records an allowance for the lifetime ECLs. Stage 2 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 3.
- Stage 3 : When a loan is considered as credit impaired, the Group records an allowance for the lifetime ECL.

The key elements used in the calculation of ECL are as follows:

Probability of Default – is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously derecognized and is still in the portfolio.

Loss Given Default – is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the Bank would expect to receive, including the realization of any collateral.

Exposure At Default – represents the gross carrying amount of the financial instruments subject to the impairment calculation.

(c) Derecognition of Financial Assets

A financial asset (or where applicable, a part of a financial asset or part of a group of financial assets) is derecognized when the contractual rights to receive cash flows from the financial instruments expire, or when the financial assets and all substantial risks and rewards of ownership have been transferred to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

(i) Modification of Loans

When the Group derecognizes a financial asset through renegotiation or modification of the contractual payment terms of the loans due to significant credit distress of the borrower, the Group assesses whether or not the new terms are substantially different to the original terms of the instrument.

In making such assessment, the Group considers, among others:

- If the borrower is in financial difficulty, whether the modification merely reduces the contractual cash flows to amounts the borrower is expected to be able to pay;
- Whether any substantial new terms are introduced that will affect the risk profile of the loan;

- Significant extension of the loan term when the borrower is not in financial difficulty;
- Significant change in the interest rate;
- Change in the currency the loan is denominated in; and/or,
- Insertion of collateral, other security or credit enhancements that will significantly affect the credit risk associated with the loan.

2.4 Financial Liabilities

Financial liabilities which include deposit liabilities, bills payable, bonds payable, subordinated debt, accrued interest and other expenses, and other liabilities (except tax-related payables, post-employment defined benefit obligation and deferred income) are recognized when the Group becomes a party to the contractual terms of the instrument.

Financial liabilities are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method, for those with maturities beyond one year, less settlement payments. All interest-related charges incurred on financial liabilities are recognized as an expense in the statement of profit or loss under the caption Interest Expense.

2.5 Provisions and Contingencies

Provisions are recognized when present obligations will probably lead to an outflow of economic resources and they can be estimated reliably even if the timing or amount of the outflow may still be uncertain. A present obligation arises from the presence of a legal or constructive obligation that has resulted from past events (e.g., legal dispute or onerous contracts).

2.6 Revenue and Expense Recognition

Revenue is recognized to the extent that the revenue can be reliably measured; it is probable that the economic benefits will flow to the Group; and the costs incurred or to be incurred can be measured reliably.

2.7 Impairment of Non-financial Assets

For purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows [cash-generating units (CGU)]. As a result, some assets are tested for impairment either individually or at the CGU level.

Impairment loss is recognized in profit or loss for the amount by which the asset's or CGU's carrying amount exceeds its recoverable amount which is the higher of its fair value less costs to sell and its value in use. In determining value in use, management estimates the expected future cash flows from each CGU and determines the suitable interest rate in order to calculate the present value of those cash flows. The data used for impairment testing procedures are directly linked to the Group's latest approved budget, adjusted as necessary to exclude the effects of asset enhancements. Discount factors are determined individually for each CGU and reflect management's assessment of respective risk profiles, such as market and asset-specific risk factors.

All assets, except for intangible assets with indefinite useful life and goodwill, are subsequently reassessed for indications that an impairment loss previously recognized may no longer exist. An impairment loss is reversed if the asset's or CGU's recoverable amount exceeds its carrying amount.

2.8 Income Taxes

Tax expense recognized in profit or loss comprises the sum of current tax and deferred tax not recognized in other comprehensive income or directly in equity, if any.

Current tax assets or liabilities comprise those claims from, or obligations to, tax authorities relating to the current or prior reporting period, that are unpaid at the end of the reporting period. They are calculated according to the tax rates and tax laws applicable to the periods to which they relate, based on the taxable profit for the year. All changes to current tax assets or liabilities are recognized as a component of tax expense in the statement of profit or loss.

Deferred tax is provided using the liability method, on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Under the liability method, with certain exceptions, deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences and the carry-forward of unused tax losses and unused tax credits to the extent that it is probable that taxable profit will be available against which the deferred tax assets can be utilized. Deferred tax assets are reassessed at the end of each reporting period. Previously unrecognized deferred tax assets are recognized to the extent that it has become probable that future taxable profit will be available to allow such deferred tax assets to be recovered.

2.9 Related Party Relationships and Transactions

Related party transactions are transfers of resources, services or obligations between the Group and its related parties, regardless of whether a price is charged.

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial and operating decisions. These parties include: (a) individuals owning, directly or indirectly through one or more intermediaries, control or are controlled by, or under common control with the Group; (b) associates; (c) individuals owning, directly or indirectly, an interest in the voting power of the Group that gives them significant influence over the Group and close members of the family of any such individual; and, (d) the funded retirement plan of each of the entities under the Group.

2.10 Events After the End of the Reporting Period

Any event that provides additional information about the Group's financial position at the end of the reporting period (adjusting event) is reflected in the financial statements. Post-reporting events that are not adjusting events, if any, are disclosed when material to the financial statements.

10.1 Hybrid Perpetual Securities

On August 27, 2020, the Parent Company issued US\$300 non-cumulative, unsecured, subordinated capital securities which qualify as AT1 capital under Basel III standards. As of March 31, 2021, the hybrid perpetual securities amounted to P14,463, net of issuance costs.

The capital securities are perpetual in respect of which there is no fixed redemption date. The Parent Company may redeem the capital securities only in certain circumstances as described in the conditions of the securities and with prior written consent of BSP. Distributions are non-cumulative and payable semi-annually in arrear at a rate of 6.5%. Certain conditions provide for circumstances under which the Parent Company will not be obliged to pay any distribution on the applicable payment date.

The proceeds of the hybrid perpetual securities are used to support and finance medium-term to long-term asset growth, loans to customers, other general corporate purposes and to maintain sufficient buffers above the minimum capital thresholds required by BSP.

12. COMMITMENTS AND CONTINGENCIES

In the normal course of operations of the Group, there are various outstanding commitments and contingent liabilities such as guarantees, commitments to extend credit, tax assessments, etc., with amounts not reflected in the financial statements. Management does not anticipate losses from these transactions that will adversely affect the Group's operations.

In the opinion of management, the suits and claims arising from the normal course of operations of the Group that remain unsettled, if decided adversely, will not involve sums that would have material effect on the Group's financial position or operating results.

12.1 Contingent Accounts, Guarantees and Other Commitments

12.2 Sale of National Steel Corporation (NSC) Plant Asset

In October 2008, Global Steel Philippines (SPV-AMC), Inc. and Global Ispat Holdings (SPVAMC), Inc. (collectively, "Global Steel"), which purchased the Iligan Plant assets ("NSC Plant Assets") of the National Steel Corporation ("NSC") from the Liquidator (as defined in the Asset Purchase Agreement ("APA") dated September 1, 2004), initiated arbitration proceedings with the Singapore International Arbitration Centre ("SIAC") seeking damages on account of the non-delivery of the NSC Plant Assets free and clear from liens and encumbrance, which purportedly deprived Global Steel of the opportunity to use the same to secure additional loans for the operations/upgrade of the NSC Steel Mill Plant.

On May 9, 2012, the SIAC Arbitral Tribunal rendered a partial award in favor of Global Steel in the amounts of (a) US\$80 Million, as and by way of lost opportunity to make profits, and (b) P1,403, representing the value of the undelivered billet shop land measuring 3.41 hectares. On appeal, the Singapore High Court set aside the partial award, which was affirmed by the Singapore Court of Appeals on March 31, 2015. The Liquidator and Secured Creditors were, however, still required to deliver clean title to the NSC Plant Assets.

The Bank's total exposure in connection with the obligation to transfer clean title to the NSC Plant Assets to Global Steel is approximately P217 in terms of estimated property taxes and transfer costs due on the NSC Plant Assets, as a result of the Philippine Supreme Court's affirmation of the ruling that all pre-closing taxes on the NSC Plant Assets are deemed paid. The Bank's exposure, however, may be varied depending on the validity of the Iligan City's post-closing tax assessment (including those imposed on non-operational machineries).

Notwithstanding the finality of the Supreme Court's ruling on the pre-closing taxes, the City of Iligan insisted on collecting the taxes covering the period 1999 to 2016, and foreclosed the NSC properties in October 2016. In an Order dated April 4, 2017, the Makati City Regional Trial Court ("Makati Trial Court") nullified the public auction, and enjoined any and all real property tax collection actions against the NSC pending the full execution of the decision on the pre-closing taxes/the correct computation of NSC's remaining tax liability. The City of Iligan filed a motion for reconsideration but this was denied.

Aggrieved, the City of Iligan filed a Petition for Certiorari with the Court of Appeals. Due to non-submission of the documents by the City of Iligan, the Court of Appeals dismissed the Petition for Certiorari. On appeal, the Supreme Court ordered the Court of Appeals to either determine the propriety of consolidating the same with CA-G.R. SP No. 1249852, or resolve the merits of the case.

To stop the take-over of the NSC Plant/other assets by the City of Iligan, the NSC Liquidator filed a Prohibition case against the City of Iligan, arguing that this is illegal given the nullification of the public auction, and citing the earlier Stay Orders of the Securities and Exchange Commission ("SEC") in SEC Case No. 12-99-6959 against the City Treasurer/her agents. The Court of Appeals, however, dismissed the same in its Decision dated July 24, 2019, citing NSC's alleged forum-shopping/failure to observe the hierarchy of the courts, and denied its Motion for Reconsideration on December 18, 2019.

The NSC elevated the case to the Supreme Court on February 20, 2020, assailing the Court of Appeal's ruling on the supposed commonality of interest between the NSC/Global Steel vis-à-vis the charge of forum-shopping. In a Resolution dated March 2, 2020, the Supreme Court directed the Iligan City LGU to file its Comment to the Petition for Review.

12.3 Verotel Merchant Services B.V. Case

In 2011, Verotel Merchant Services B.V. ("VMS"), a Dutch corporation, and Verotel International Industries, Inc. ("VII"), a Philippine corporation, civilly sued the Bank, Bankard, Inc. ("Bankard"), Grupo Mercarse Corp., CNP. Worldwide, Inc. and several individuals before the Los Angeles Superior Court for various causes of action including fraud, breach of contract and accounting, claiming that VII and its alleged parent company, VMS, failed to receive the total amount of US\$2, which the defendants allegedly misappropriated. VMS is an internet merchant providing online adult entertainment and online gambling, in addition to the sale of pharmaceuticals over the internet.

Following the initial jury verdict in favor of VMS, and the subsequent reduction of the monetary damages awarded to VMS, the Bank/Bankard filed their Notice of Appeal with the California Court of Appeals on July 11, 2016. VMS followed suit to overturn the deletion of the punitive damages award in its favor. The parties filed their required Briefs between October 2, 2017 and October 31, 2018, and oral arguments were heard on November 12, 2020. In a Decision dated January 13, 2021, the Court of Appeals affirmed the modified ruling of the Los Angeles Superior Court on the monetary award in favor of VMS, and the deletion of the US\$8 punitive damages award. On February 16, 2021, the Bank/Bankard remitted and fully settled the monetary award in favor of VMS, inclusive of interest and other charges.

12.4 RCBC Securities Case

In December 2011, RCBC Securities ("RSEC") initiated criminal proceedings against its former agent, Mary Grace V. Valbuena ("Valbuena"), due to questionable transactions with her personal clients, followed by additional criminal/civil cases. In November 2016, the Metropolitan Trial Court of Makati City convicted Valbuena of the crime of violation of BP 22. Valbuena's conviction has since been sustained further by the Court of Appeals, which directed her to pay RSEC the amount of P7.2 Million, and interest at the rate of 12% per annum from January 18, 2012 to June 30, 2013, and six percent 6% per annum from July 1, 2013 until full satisfaction. On September 21, 2020, Valbuena filed a Petition for Review with the Supreme Court, seeking the reversal of the Decision of the Court of Appeals.

In May 2012, the Capital Markets Integrity Corporation ("CMIC") investigated the complaint filed by Francisco Ken Cortes against RSEC. After due proceedings, the CMIC dismissed the complaint filed by Mr. Cortes and denied his Motion for Reconsideration. The aforesaid Resolutions have since become final and executory.

In December 2013, Cognatio Holdings, Inc. ("Cognatio") filed a complaint against Valbuena, RSEC, and its former Operations/Chief Finance Officer, and Compliance Officer with the Enforcement and Investor Protection Department of the SEC ("EIPD-SEC"). In April 2019, the EIPD-SEC found RSEC liable for violating the Securities Regulations Code. RSEC was fined and was directed to amend its internal control procedures. In an Order dated July 16, 2019, the EIPD-SEC accepted RSEC's negotiated settlement offer of P2.5 Million, sans any finding of fault. RSEC likewise submitted its Board-approved Amended Internal Protocols on August 5, 2019.

During the pendency of foregoing EIPD-SEC proceedings, Carlos S. Palanca IV ("Palanca") and Cognatio complained against RSEC before the CMIC, which dismissed the same in its Decision dated December 4, 2014, holding that Palanca/Cognatio's complaint has prescribed, if not barred by prior judgment. The matter eventually reached the Supreme Court, which reinstated the ruling of the SEC en banc, directing the CMIC to grant the request for assistance sought by Palanca/Cognatio, in its Decision dated 11 March 2020.

On February 22, 2013, Stephen Y. Ku ("Ku") filed a complaint against RSEC with the Regional Trial Court of Makati, Branch 149 (the "Makati Trial Court"), essentially praying for the return of his shares of stock/cash payments approximately valued at P103 Million, which he claims to have been turned over to Valbuena. On May 20, 2013, RSEC sought the dismissal of the complaint citing, among others, Ku's non-payment of the correct filing fees. This particular issue was eventually elevated to the Supreme Court which held, in its Decision dated October 17, 2018, that Ku's remediation of the deficient docket fees proves he did not intentionally attempt to evade paying the correct filing fees, and directed the Makati Trial Court to proceed with the trial of the case.

The Makati Trial Court terminated the pre-trial conference of the case on February 27, 2020, and set the presentation of Ku's evidence in March 2020. However, due to the COVID-19 pandemic, Ku's presentation of evidence only commenced on July 14, 2020. His cross-examination, which began on January 25, 2021 and February 24, 2021, has since been reset to April 23, 2021, due to the resurgence of COVID-19 incidents.

12.5 HHIC-Philippines, Inc. Rehabilitation Proceedings

On January 9, 2019, HHIC-Phil, Inc. ("HHIC-Phil") filed a petition for corporate rehabilitation (the "Petition") under Republic Act No. 10142, the Financial Rehabilitation and Insolvency Act of 2010 ("FRIA"), with the Regional Trial Court, Branch 72, Olongapo City (the "Rehabilitation Court"). On January 14, 2019, the Rehabilitation Court gave due course to the Petition, and eventually appointed the current Rehabilitation Receiver.

The Bank, together with the four (4) other creditor banks ("co-creditor banks"), negotiated with HHIC-Phil and HHIC-Korea for a modified rehabilitation plan, which was further revised in time for the sending of the Notice of Conference to HHIC-Phil's creditors and stakeholders. During the May 9, 2019 conference, more than fifty percent (50%) of the secured/unsecured creditors and stakeholders approved the Modified Rehabilitation Plan with Clarifications ("MRP with Clarifications").

A number of creditors (principally ship-owners with warranty claims/manufacturers of ship parts/engines) sought the revision of the Final Registry of Claims/recall of the Order confirming the MRP with Clarifications. The Korean Development Bank ("KDB") also sought to enforce its lien on the HHIC-Phil account in its possession.

While the Rehabilitation Court approved KDB's Motion in its Order dated February 7, 2020, the Rehabilitation Court sustained the Bank/co-creditor banks' opposition and ruled against the ship owners/ship engine supplier in its Orders dated February 10, 2020 and February 11, 2020, respectively.

Several ship owners affected by the February 10, 2020 Order, and a ship engine supplier affected by the Order dated February 11, 2020, filed separate petitions for Certiorari with the Court of Appeals. These Petitions have since been withdrawn after the petitioners' claims were settled by HHIC-Phil/HHIC-Korea. On December 14, 2020, the Court of Appeals deemed all the certiorari cases closed and terminated.

As of March 31, 2021, the outstanding loan obligation of HHIC-Phil to the Bank remains at USD149, inclusive of accrued and compounded interest, as well as penalty on interest and principal.

12.6 Applicability of RR 4-2011

In March 2011, the BIR issued RR 4-2011, prescribing a new way of reporting income solely for banks/other financial institutions, and issued assessment notices to banks/other financial institutions for deficiency income tax for alleged non-intra-unit allocation of costs and expenses to exempt income and income subjected to final tax within the RBU.

On April 6, 2015, the Bank/other Bankers Association of the Philippines member banks ("BAP-member banks") filed a Petition for Declaratory Relief with application for provisional remedies with the Makati Trial Court, which issued a Temporary Restraining Order prohibiting the enforcement of RR 4-2011, including the issuance of any Preliminary/Final Assessment Notice pendente lite, unless sooner dissolved; and a Confirmatory Order also prohibiting the BIR from ruling/deciding any RR 4-2011 administrative matter pending before it. The Makati Trial Court subsequently declared RR 4-2011 null and void in its Order dated May 25, 2018, and made permanent the Writ of Preliminary Injunction it issued earlier.

The Department of Finance ("DOF")/BIR elevated the matter to the Supreme Court via a Petition for Review. The Bank/other BAP-member banks countered among others that RR 4-2011 was issued by the BIR in the exercise of its quasi-legislative power, hence, original jurisdiction over the Declaratory Relief case lies with the Makati Trial Court; and RR 4-2011 was correctly invalidated for mandating banks/other financial institutions to adopt a different method of accounting from the other classes of taxpayers; unlawfully amending the NIRC or Tax Code; and depriving the Bank/other BAP-member banks of their substantive rights to fully deduct legitimate business expenses. In a Resolution dated September 30, 2020, the Supreme Court directed the DOF/BIR to file their reply to the separate Comments filed by the Bank/other BAP-member banks.

12.7 Alleged Unauthorized Transfer of Funds – Bank of Bangladesh

In February 2016, four allegedly unauthorized fund transfers were wired to four accounts with the Bank from Bangladesh Bank's account with the Federal Reserve Bank of New York ("FRBNY"), before being further dispersed to other accounts with other banks and casinos. In August 2016, the Monetary Board approved the imposition of a P1,000 fine upon the Bank which it paid in full. Such fine was fully recognized as part of miscellaneous expenses in the Bank's 2016 AFS. The Bank's payment of the penalty did not affect its ability to perform its existing obligations or unduly hamper its operations.

U.S. Litigation relating to the Bangladesh Bank Incident

On January 31, 2019, Bangladesh Bank filed a complaint with the U.S. District Court Southern District of New York ("SDNY") against the Bank, some of its current/former officers who were involved in the incident, a money service business/its principals, junket operators, and the casinos where the questioned funds passed through, alleging they conspired with North Korean hackers to steal funds from its FRBNY bank account. The complaint cited nine (9) causes of action and sought the return of the full amount allegedly stolen, plus interest, attorney's fees, and other damages, including treble damages under the Federal Racketeer Influence and Corrupt Organizations ("RICO") Act.

The Bank sought the dismissal of the case on both procedural and substantive grounds, including (a) forum non conveniens; (b) the failure of the Complaint to plead a legitimate basis for Federal court jurisdiction; and (c) lack of subject matter jurisdiction. On March 20, 2020 (NY Time), the U.S. District Court SDNY dismissed the complaint filed by Bangladesh Bank, ruling that the Complaint failed to plead all the elements of a claim under the RICO Act. The U.S. District Court SDNY then declined to retain any supplemental jurisdiction over the related state-law claims.

After initially appealing to the United States Court of Appeals and requesting that it be allowed to submit its opening brief, Bangladesh Bank withdrew its appeal.

On May 27, 2020 (NY Time), Bangladesh Bank initiated another Complaint against the Bank/the same other defendants before the New York State Court and the Bangladesh Bank was given until April 7, 2021 to serve summons and the new Complaint in accordance with the Hague Convention. On January 11, 2021, the Bank received a Notice from the Regional Trial Court of Makati City, together with the attached copies of the Summons and Complaint filed by Bangladesh Bank before the New York State Court. On February 8, 2021, counsel of the Bank filed a motion to dismiss the complaint based on lack of personal jurisdiction, that the case should be dismissed on forum non conveniens grounds, and for failure to state a claim.

On January 11, 2021, the Bank received a Notice from the Regional Trial Court of Makati City, together with the attached copies of the Summons and the Complaint filed by Bangladesh Bank before the New York State Court. On February 8, 2021, the Bank timely filed its Memorandum of Law in Support of its Motion to Dismiss, principally citing (a) New York's lack of personal jurisdiction over the Bank; (b) the impropriety of New York as a forum, given the ongoing Philippine proceedings relating to the case and the location of material witnesses/evidence; and (c) the untenable nature of the fraud charge against the Bank due to the lack of any fiduciary duty to disclose information on the RCBC accounts. Bangladesh Bank filed its Opposition to the Bank's Motion to Dismiss on March 5, 2021 (NY Time), and the Bank has since filed its Reply on March 29, 2021 (NY Time).

Philippine Litigation relating to the Bangladesh Bank Incident

On March 6, 2019, the Bank/the former National Sales Director ("NSD") filed a complaint for Injunction and Damages against Bangladesh Bank with the Makati Trial Court.

Bangladesh Bank disputed the propriety of the service of summons and refused to formally submit to the jurisdiction of the Makati Trial Court and to participate in any of the mediation conferences held.

The Makati Trial Court has since ruled that Bangladesh Bank's claim of immunity from suit cannot be sustained in view of the power to sue/be sued in its own Charter document, and the valid service of summons to Bangladesh Bank. The Makati Trial Court likewise struck down Bangladesh Bank's claim of forum-shopping.

The Makati Trial Court has since reset the hearing several times, principally due to the continuing absence of the counsel for Bangladesh Bank. After being required to give a short briefing on their respective positions during the November 24, 2020 status hearing, the counsel for Bangladesh Bank filed a Manifestation (re: Authority of Counsel) dated December 11, 2020, alleging that (a) his client is supposedly different from the named defendant in the case, and (b) he has no authority to act any further therein. The Bank has since filed a Motion to Declare Defendant in Default dated December 22, 2020.

In an abrupt turn-around, the counsel for Bangladesh Bank belatedly filed a Motion to Dismiss dated January 27, 2021, but cited the same stale grounds struck-down by the Makati Trial Court. In its Consolidated Comment/Opposition, the Bank pointed this out and emphasized, among others, that (a) the civil (not criminal) nature of the case negates any territorial consideration; (b) defamatory utterances do not fall automatically within the ambit of protected speech; and (c) the U.S case cited relative to the forum-shopping charge has been dismissed. Both Motions to declare Bangladesh Bank in default, and dismiss the case, remain pending.

Specific Litigation involving the Bank's Officers

The Anti-Money Laundering Council of the Philippines ("AMLC") initiated a second criminal complaint against five (5) current/former officers of the Bank for alleged violation of Section 4(f) of R.A. No. 9160, as amended, premised on their alleged failure to perform an act, which purportedly facilitated the money-laundering of US\$81. Acting on the complaint, the Department of Justice found probable cause and filed the corresponding Information with the Regional Trial Court of Makati City ("Makati Trial Court").

On December 26, 2019, the Makati Trial Court granted the Demurrer to Evidence of three (3) of the current/former bank officers, and dismissed the case against them, principally citing their non-participation in the opening of the beneficiary accounts/validation of the remittances and Philippine jurisprudence prohibiting banks from unilaterally freezing accounts *after* the credit of the funds. The Makati Trial Court, however, held for further trial the former Senior Customer Relationship Office ("SCRO") and the former Customer Relationship Head ("CSH") of the Makati Jupiter Business Center ("Makati Jupiter BC") directing them to present their evidence.

The Prosecution and the former SCRO filed their respective Motion for Reconsideration. The Prosecution principally argued that the failure of the three (3) current/former bank officers to conduct EDD facilitated the alleged money-laundering. The former SCRO, on the other hand, argued that the evidence against her is hearsay, and that the rationale for the dismissal of the charge against the three (3) other current/former officers is applicable to her.

On March 11, 2020, the Makati Trial Court denied the Prosecution's Motion for Reconsideration on the acquittal of the three (3) current/former bank officers. The Prosecution appealed the Order of Denial of its Motion for Reconsideration with the Court of Appeals.

On July 2, 2020, the Prosecution sought the inhibition of the Acting Presiding Judge. This, however, became moot upon the latter's transfer to another Branch. The Petition for Review on the Judge's assailed Order, however, remains pending in the Court of Appeals.

On March 8, 2021, the Makati Trial Court promulgated the Judgment (a) acquitting the former CSH of the Makati Jupiter BC, for failure of the Prosecution to prove his guilt beyond reasonable doubt; and (b) finding the former SCRO guilty beyond reasonable doubt of the offense charged, and sentencing her to suffer imprisonment of four (4) to five (5) years, and directing her to pay a fine of P1.5 Million. The former SCRO was granted provisional liberty pending appeal.

Acting on the criminal complaints filed by the Bank and the Centurytex Trading account owner in connection with the unauthorized acts/transactions relating to the money-laundering of US\$81 Million, the Office of the City Prosecutor of Makati City found probable cause to charge former Branch Manager Maia Deguito ("BM Deguito") and the former SCRO with several counts of falsification of commercial document and perjury, respectively, before the Metropolitan Trial Court of Makati City ("Makati MTC").

On account of the death of the Centurytex Trading account owner, the Prosecution in the falsification of commercial document cases sought to present the bank teller who processed the questioned transactions in 2016, which former BM Deguito opposed. In a Resolution dated February 28, 2020, the Makati MTC denied the Prosecution's motion to present the testimony of the bank teller; and directed the Heirs of the Centurytex Trading account owner to present their evidence. The Prosecution filed its Motion for Reconsideration, arguing that it should be allowed to present additional witnesses in the interest of greater Justice. To date, the incident remains unresolved, and the hearing in this case has been further reset to May 4, 2021.

The trial before the Makati MTC hearing the perjury case against the former SCRO, which grounded to a halt due to the COVID-19 pandemic, resumed on February 18, 2021 with the presentation of the Internal Auditor who conducted the investigation/audit of the Makati Jupiter Business Center. The Prosecution then rested its case and filed its Formal Offer of Evidence on March 5, 2021. The presentation of evidence for the former SCRO is tentatively set on June 17, 2021, and August 12 and 26, 2021, all at 9:00 a.m., and all via videoconferencing.

The Bank has several petitions for review currently pending in relation to actions that it has initiated against former Bank employees in relation to the Bangladesh Bank incident. There are no known trends, demands, and commitments, events, or uncertainties that will have a material impact on the Bank's operational performance and ability to service obligations.

Except for the above-mentioned proceedings, the Bank is not aware of any suits and claims by or against it or its subsidiaries, which if decided adversely, would have a material effect on its financial position or operating results.

13. OTHER MATTERS

13.1 Continuing Impact of COVID-19

In December 2019, COVID-19 was reported to have surfaced in China. The World Health Organization has declared the outbreak as a 'public health emergency of international concern'. COVID-19 started to become widespread in the Philippines in early March 2020 causing the government to declare the country in a state of public health emergency followed by implementation of ECQ and social distancing measures and restrictions within the Luzon area with other cities and provinces in the country enacting similar measures thereafter. This resulted in a wide-ranging business suspension – disrupting the supply chains, affecting production and sales across a range of industries, and weakening the stock market. While the disruption is currently expected to be temporary, management expects the suspension of businesses to negatively impact the Group's financial condition and results of operations.

On March 23, 2020, BAHO Act was signed into law declaring a national health emergency throughout the Philippines as a result of the COVID-19 crisis. The implementation of Section 4(aa) of said law has directed banks and other private and government financial institutions to implement a minimum thirty (30)-day grace period on all loans with principal and interests falling due within the period of the Enhanced Community Quarantine (ECQ), which started on March 17, 2020 up to April 30, 2020, which was extended until May 31, 2020, without incurring interest, penalties, fees or other charges. On September 11, 2020, BARO Act was signed into law which directed banks and other private and government financial institutions particularly under Section 4 (uu) the grant of one-time sixty (60)-day grace period for payments and/or maturity periods of all existing, current and outstanding loans as of September 15, 2020, falling due, or any part thereof, on or before December 31, 2020, without incurring interest on interests, penalties, fees or other charges, thereby extending the maturity of the said loans, subject to compliance with regulatory requirements.

The Group has continued to operate and provide banking services to its customers since the imposition of ECQ in the Philippines commencing in mid-March 2020. To safeguard employee health and well-being, the Group activated its business continuity plan (BCP) and implemented precautionary workplace measures such as work from home arrangements and skeletal work force. The Group's BCP has back-up sites for critical functions such as client servicing, trading and treasury operations and information technology. Key personnel have also been identified to facilitate both critical and non-critical units and senior management have been spread across different sites to ensure banking operations continue even in the event of a severe business interruption such as when one site becomes contaminated. Meanwhile, information campaigns on health preparedness and preventive measures are being applied by the Group to fight the spread of the virus.

These measures include travel restrictions, controlled entry designated points equipped with thermal scanners and personal disinfectants and protocols on visitors, meetings and events. Management believes that these measures can mitigate the further negative impact of the outbreak to the Group's business and to its financial condition and performance.

The Group has been able to keep approximately 50-60% of its branches open during the early part of the community quarantine in mid-March 2020, and around 40-50% in April and May, with a skeletal workforce and corresponding adjustments in banking hours and cut-off times similar to adjustments instituted by the BSP and Bankers Association of the Philippines. By end-September 2020, the Group has kept about 98% of its branches open. Among the steps taken to address its customers' needs during the COVID-19 outbreak, the Group has (i) ensured cash availability at its ATMs and branches and (ii) extended loan payments for corporate and consumer loans for 60 days and waived fees on electronic and similar forms of payments for its clients. The Group has also encouraged its customers to use its online and mobile banking services to pay bills, send money, as well as use ATMs and cash acceptance machines as an alternative to branch banking. The Group also did not experience massive withdrawals from its depositors as the deposit liabilities still increased during the ECQ period.

Further, the Group focused on supporting customers who are experiencing and about to experience financial difficulties as a result of the COVID-19 global pandemic and has offered a range of financial assistance measures including temporary loan repayment deferrals (principal and/or interest) through its COVID-19 Assistance and Recovery Enhancement (CARE) Program. In accordance with regulatory guidance, the Group also implemented mandatory payment holidays to all eligible loans. The Group's CARE Program is primarily designed to provide financial assistance to customers by way of extended repayment plans. The assistance would help get the customer back into the habit of paying based on amounts they can afford. Albeit using tighter credit underwriting parameters, the Group continued its lending activities including on-boarding of new customer for both wholesale and consumer lending. Despite these challenges, cash flow remained stable given the growth in deposits and with some clients still opting to continue their amortization payments despite the loan payment moratorium provided for under the BAHO Act and BARO Act.

In 2021, the Group expects the general business environment to improve as quarantine restrictions ease and vaccination programs develop. Further, volume of transactions is expected to increase through customer acquisition to be driven by Data Science and Digital Marketing. While economic recovery is expected, the Group will stay focused on keeping efficient operations as it embarks on transformation projects such as: (1) fully automated KYC process and (2) enhanced credit and control systems. These activities include various business process reengineering exercises such as process reviews and digital enhancements that support efficiency, lower cost of transaction and reduced costs in product delivery. The Group expects these exercises to be completed during the year.

The Group set aside provisions amounting to P936 during the first quarter of 2021, which considers the continuing disruptive economic impact of the COVID-19 pandemic and the reimposition of ECQ that may lead to increased delinquencies due to the disruption in business activities, tightness in corporate liquidity, lower consumption levels, and expected contraction in gross GDP in the early part of the year. The Group's total CAR and CET1 ratio as of end March 31, 2021 were 15.31% and 11.99%, respectively, and above the required minimum ratio of 10%.

13.2 Corporate Recovery and Tax Incentives for Enterprises Act (CREATE Law)

On March 26, 2021, R.A. No. 11534, CREATE Law, amending certain provisions of the National Internal Revenue Code of 1997, as amended, was signed into law and took effect on April 11, 2021. The following are the major changes brought about by the CREATE Law that are relevant to the Bank:

- a. regular corporate income tax rate is decreased from 30% to 25% starting July 1, 2020;
- b. minimum corporate income tax rate is decreased from 2% to 1% starting July 1, 2020 until June 30, 2023;

Total Capital Funds were recorded at P102.474 billion and accounted for 12.80% of Total Resources.

INCOME STATEMENT: 31 March 2021 vs. 31 March 2020

Total interest income decreased by 11.53% or P1.098 billion from P9.531 billion to P8.432 billion and accounted for 101.43% of total operating income. Interest income on loans and receivables went down by 11.77% or P1.010 billion from P8.583 billion to P7.572 billion and accounted for 91.09% of total operating income. The decrease was mainly due to the lower average yield on loans and receivables net of the growth in average volume. Interest income on investment securities decreased by 23.0% or P179.363 million from P779.677 million to P600.314 million as a result of decline in average volume; it accounted 7.22% of total operating income. Other interest income, on the other hand, increased by 54.24% or P91.349 million from P168.424 million to P259.722 million due to the increase in volume of Overnight and Term deposits with the BSP.

Total interest expense went down by 38.75% or P1.245 billion from P3.212 billion to P1.967 billion and accounted for 23.67% of total operating income. Interest expense on deposit liabilities decreased by 45.33% or P757.492 million from P1.671 billion to P913.427 million primarily due to lower average costs, net of the increase in average volume of deposits; it represented 10.99% of total operating income. Interest expense on bills payable and other borrowings decreased by 31.61% or P487.099 million from P1.541 billion to P1.054 billion due to decline in average volume year-on-year.

As a result, net interest income increased by 2.31% or P146.113 million from P6.319 billion to P6.465 billion.

The Bank booked total impairment losses of P935.501 million, down by 41.57% or P665.587 million from P1.601 billion in the same period last year due to lower provisioning on loans and credit card receivables. It represented 11.25% of total operating income.

Other operating income decreased by 49.69% or P1.826 billion from last year's P3.674 billion now at P1.848 billion. This accounted for 22.23% of total operating income, and is broken down as follows:

- Trading and securities gains and losses net, decreased by 101.63% or P2.193 billion from P2.157 billion gain to P35.267 million loss, largely attributable to lower realized trading gains from sale of investment securities in 2021. It accounted for 0.42% of total operating income;
- Service fees and commissions increased by 49.36% or P441.231 million from P893.964 million to P1.335 billion mainly due higher credit card fees and securities and brokering fees. It represented 16.06% of total operating income;
- Trust fees increased by 30.07% or P20.930 million from P69.594 million to P90.524 million due to higher fees as a result of higher volume on unit investment trust funds and investment management account products;
- Foreign exchange gains net, decreased by 83.08% or P228.436 million from P274.970 million to P46.534 million. This was primarily due to lower foreign exchange gains during the period;
- Miscellaneous income increased by 47.69% or P132.853 million from P278.579 million to P411.432 million largely due to higher gain on sale of acquired assets and higher rental income from the Bank's leasing and finance subsidiary.

Operating expenses, which accounted for 68.47% of total operating income, slightly increased by 2.44% or P135.668 million from P5.556 billion to P5.692 billion due to the following:

- Total Manpower costs decreased by 6.88% or P117.666 million from P1.711 billion to P1.593 billion as a result of the headcount and branch rationalization programs following the merger with a subsidiary in the middle of 2019. It represented 19.16% of total operating income;
- Occupancy and equipment-related expenses increased by 2.86% or P20.092 million from P702.452 million to P722.545 million. It represented 8.69% of total operating income;

- Taxes and licenses, which accounted for 9.47% of total operating income, slightly decreased by 1.74% or P13.902 million from P801.123 million to P787.221 million.
- Depreciation and amortization was recorded at P796.289 million, up by 12.37% or P87.661 million from P708.628 million largely due to higher depreciation of office equipment and ROPAs. It represented 9.58% of total operating income;
- Miscellaneous expenses went up by 9.76% or P159.484 million to settle at P1.793 billion from P1.633 billion mainly due to the increase in deposit insurance fees as a result of the growth in deposit liabilities, higher service fees and higher litigation expenses on consumer loans. It accounted for 21.56% of total operating income.

Tax expense decreased by 79.95% or P421.711 million from P527.466 million to P105.754 million due to the combined effects of lower taxable income year-on-year and the implementation of Corporate Recovery and Tax Incentives for Enterprises Act Law reducing the corporate income tax rate by 5% effective July 1, 2020.

Net profit attributable to non-controlling interest settled at P260.3 thousand.

Overall, net income decreased by 31.55% or P728.288 million from P2.308 billion to P1.580 billion.

There were no significant elements of income or loss that did not arise from the Bank's continuing operations.

Commitments and Contingent Liabilities

See accompanying Notes to FS for the detailed discussion of Commitments and Contingent Liabilities and the summary of contingencies and commitments arising from off-balance sheet items and their equivalent peso contractual amounts (Note 12).

There are also no known trends, events or uncertainties that have had or that are reasonably expected to have a material favorable or unfavorable impact on net sales/revenues/income from continuing operations.

There were no material off-balance sheet transactions, arrangements, obligations (including contingent obligations), and other relationships of the company with unconsolidated entities or other persons created during the reporting period.

RIZAL COMMERCIAL BANKING CORPORATION Minutes of the Annual Stockholders' Meeting

Date : 27 July 2020

Time : **4:00 PM**

Place : Virtual Meeting https://www.rcbc.com/ASM2020

Pursuant to notices served to all stockholders, the Annual Stockholders' Meeting of Rizal Commercial Banking Corporation (the "Bank") was held on July 27, 2020 at 4:00 PM and conducted virtually via https://www.rcbc.com/ASM2020 in view of the COVID-19 pandemic.

Chairperson H. Y. Dee presided over the meeting, while the Corporate Secretary, Atty. George Gilbert G. dela Cuesta, recorded the proceedings. Calling the meeting to order, Chairperson H. Y. Dee welcomed the shareholders and explained that the meeting is being held in a virtual format due to the current pandemic. She introduced those who are joining her in the meeting, Mr. Eugene Acevedo, President and CEO, Mr. Cesar E.A. Virata, Vice-Chairperson, and Atty. dela Cuesta, Corporate Secretary. Thereafter, the Chairperson asked the Corporate Secretary whether proper notice of the meeting was sent to each stockholder of record and whether there was quorum for the transaction of business.

- I. <u>Proof of Notice</u> The Corporate Secretary explained that notices for the meeting were duly served to all stockholders of record in three ways (a) by posting on the Bank's website, (b) by disclosure in the Philippine Stock Exchange, and (c) by publication for two (2) consecutive days on June 30, 2020 and July 01, 2020, in the business section of two newspapers of general circulation, namely The Philippines Star and Manila Bulletin, in accordance with the Bank's By-Laws, the Revised Corporation Code, and the applicable SEC Rules and Circulars.
- **II.** <u>Quorum</u> The Corporate Secretary reported that there were present stockholders owning a total of 1,545,912,855 common and preferred shares representing 79.86% of the total outstanding common and preferred shares entitled to vote.

In view of the foregoing, the Corporate Secretary certified the presence of a quorum.

All the members of the Board of Directors and other officers of the Bank and representatives of Punongbayan & Araullo were in attendance through the live webcast.

The list of stockholders who were present, and the list of directors and officers of the Bank present, are hereto attached as Annexes "A" and "B" and made integral part of the record.

Having been ascertained of the presence of a quorum, the Chairperson declared the agenda open for deliberation.

III. <u>Instructions on Rules of Conduct and Procedures</u> — The Chairperson explained that the meeting is being held in a virtual format due to the government regulations that prevented people from conducting in-person meetings and thus, in lieu thereof, the Bank strived to provide the shareholders the opportunity to participate in the meeting to the same extent possible as in an in-person meeting.

The Corporate Secretary reported that the rules of conduct and voting procedures are set forth in the Definitive Information Statement and in the Explanation of Agenda Items, which forms part of the Notice of the Annual Stockholders' Meeting. He highlighted the following points:

- 1. Only Stockholders who notified the Bank by email at RCBC-ASM-2020@rcbc.com until 5:00 pm of July 19, 2020 and who duly registered by email are allowed to access the virtual meeting at https://www.rcbc.com/ASM2020.
- 2. Only those who registered were allowed to send their questions or comments on the agenda items to CorSecRCBC@rcbc.com. And only those questions the Bank received by 5:00 pm of July 24, 2020 were considered for the open forum at the stockholders' meeting.
- 3. The Bank will reply by email to questions and comments it received, if any, after July 24 up to 4 p.m. of July 27, 2020.
- 4. As indicated in the ballot for the voting of shareholders, there are six resolutions proposed for approval by the stockholders in the meeting. Each proposed resolution will be shown on the screen as the same is being taken up.
- 5. Stockholders or their representative cast their votes on the proposed resolutions by completing, dating, signing and emailing/sending the proxy form/ballot form to the Bank via RCBC-ASM-2020@rcbc.com together with the stockholder's registration mail by 5:00 P.M. of July 19, 2020. If the name of the proxy is not specified, the stockholder shall be deemed as having appointed the Chairperson as proxy.
- 6. The Bank has tabulated the votes cast after the end of the proxy validation process at 2 p.m. of July 20, 2020. Those votes are from stockholders representing 1,545,912,855 shares or 79.86% of the total outstanding shares.

The Bank has engaged an independent party, Punongbayan & Araullo, to count and/or validate the votes of the meeting.

The duly signed and certified Audited Financial Report also includes a statement on the adequacy of the corporation's internal controls or risk management systems, and a statement of all external audit and non-audit fees.

The President and CEO, Mr. Eugene S. Acevedo, started his speech by saying that in these trying times during the COVID-19 pandemic, the realty that being "digital" is the only option. He reported that RCBC has accelerated the country's digital transformation. He mentioned that RCBC entered this crisis with a healthy financial position and robust committed financing, and that the merger of RCBC and its thrift bank arm, RCBC Savings Bank contributed to further strengthening the Bank's balance sheet. He reported that in 2019: (1) the Bank's net income grew 25% to Php5.4 billion, as the expansion in its core business got an added boost from high margins, strong trading gains, and higher fee-based income; (2) Gross revenues surged by 35% to Php35.9 billion as interest income from loans and receivables expanded by 21%, due primarily to the solid volume growth and sustained margins across all customer segments; (3) Non-interest income jumped by 125% due to stronger contributions from treasury and fee income from deposits, branches, trust, and cards; (4) Total assets expanded 19% to Php767.1 billion, with investment securities and regular loans (net of interbank loans) anchoring the growth; (5) With capital funds at Php82.9 billion, a capital adequacy ratio (CAR) of 13.8%, and Common Equity Tier (CET1) ratio of 12.9%, the Bank continued to exceed the minimum regulatory requirements; and (6) The Bank's return on equity (ROE) improved by 69 basis points to 6.5% during the period. Mr. Acevedo said that even with the ongoing crisis, he believes that the Bank's strong performance sets the stage for the kind of growth he and the Bank want to see in the future: well-positioned businesses in the key market segments, innovative products and quality service.

Mr. Acevedo further reported that in 2019: (1) the Bank's consumer lending and SME lending booked solid double-digit growth rates of 18% and 29%, respectively; (2) Consumer loans accounted for 30% of the Bank's total loan portfolio while SME loans have a 17.0% share; (3) The Bank embarked on a massive digital transformation starting with the Bank's delivery channels. The Bank introduced new features in its mobile banking application and upgraded customer experience, digitized critical functions such as payments, collections, and check warehousing, and migrated customers from usual check disbursements to electronic funds transfer services, PESONet and InstaPay. He explained that the Bank has laid the groundwork for a digital-only bank as part of its digital banking roadmap. Mr. Acevedo mentioned that the Bank has started exploring the use of robotic process automation (RPA) in its branches. He also boasted of the Bank's best-in-class data science capability.

Thereafter, Mr. Acevedo said that as our country faces the prospect of a deep recession, RCBC regards itself as a reliable partner of its customers and local communities, as it is enabling people to bank remotely. He discussed the rapid responses the Bank made when the Philippine government implemented a lockdown in Luzon, namely: (1) The Bank ensured that its branches underwent strict health and hygiene protocols for the safety of its staff and clients, (2) Loan payments were extended for its consumer loans, credit cards and SME clients, (3) The Bank helped enable the beneficiaries of the national government's

"Pantawid Pamilyang Pilipino" to access their emergency cash subsidy using ATM Go, (4) The Bank moved up the update for its RCBC Mobile App that enabled more banking services to help clients manage their finances amidst the pandemic. He also mentioned the launch of Diskartech, a financial inclusion accelerator app, to tap unbanked and underserved Filipinos in the provinces.

He also shared the measures taken by the Bank within its organization to protect the health and well-being of its people, especially the frontliners in its branches. He explained that a month before the ECQ took effect, the Bank has already activated its crisis management response, including the adoption of a Work from Home policy. He stressed that the safety of everyone remains paramount. On behalf of the Chairperson and the Board of Directors, he thanked all the Bank's employees for what they have done to make the Bank thrive in the crisis and recognized that the employees' commitment makes all the difference.

With regard to sustainable financing, Mr. Acevedo explained that last year, the Bank have funded several renewable energy projects, foremost of which is the 330-megawatt solar farm in Vietnam, the largest in Southeast Asia. He mentioned that in September 2019, the Bank has raised US\$300 million from dollar-denominated bonds which is considered a landmark in the Philippines. He said that the Bank remains optimistic about helping meet the country's greenhouse gas reduction commitments to the Paris Agreement.

Mr. Acevedo then stressed that the pandemic is a call to action – for everyone, everywhere. He said that this is the time to make extra effort, to go the extra mile, to reach out to those in need. He encouraged the RCBC people by reminding them that over the course of six decades, RCBC has been forged in the fire of many crises. Hence, he concluded that there is every reason to believe that RCBC and its people will overcome the current crisis too.
