Accreditation – World Class CME is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. World Class CME designates this live activity for a maximum of 19.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American College of Obstetricians and Gynecologists has assigned up to 19 cognate credits to this program.

American Board of Radiology Maintenance of Certification – 19.25 *AMA PRA Category 1 Credits™* - AMA credits can be used towards ABR MOC Part 2 requirements.

Nurse Practitioners and RNs – The American Nurses Credentialing Center and the American Academy of Nurse Practitioners Certification Program accept continuing education credits sponsored by organizations, agencies, or educational institutions accredited or approved by the Accreditation Council for Continuing Medical Education (ACCME).

Physician Assistants (PA) – The American Academy of Physician Assistants accepts *AMA PRA Category 1 Credit™* for organizations accredited by the ACCME. This course qualifies for Category 1 CME for PAs.

The American Society of Radiologic Technologists has approved this activity for 22.25 Category A CE credits. The American Registry of Diagnostic Medical Sonographers (ARDMS) accepts all American Society of Radiologic Technologists (ASRT) Category A credits as fulfilling their requirements for continuing education (CE) credits. This product (service) is not affiliated with or endorsed by Interleco™. ARDMS® and APCA™ are part of the Interleco™ family of certification councils.

Disclosure – World Class CME relies on its CME faculty to provide program content that is evidence-based and free of commercial bias. Therefore, in accordance with ACCME standards, for any faculty, program director, reviewer, and/or provider industry relationships will be disclosed and resolved. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

For disclaimers and other details about this course, visit **WorldClassCME.com**.

PROGRAM

FRIDAY, NOVEMBER 12, 2021

Time	Program	Faculty
7:00	Registration and Continental Breakfast	
7:25	Welcome and Morning Announcements	Goldstein
7:30	Adnexal Masses: IOTA, ORADS and Beyond	Timor
8:05	Abnormal Bleeding: Ultrasound, Yes, Biopsy, No!	Goldstein
8:40	How to Evaluate a Patient for Infertility (in Just One Scan!)	Benacerraf

INFORMATION

Course Materials and CME Certificate

You will receive a digital syllabus containing lecture abstracts and slides, accompanied by a notebook with lecture objectives and notes pages. Your course evaluation and CME certificate will be sent to the email you provide when registering.

Lecture Slides Download

Please look for an email a few days prior to the course dates with a link to download the lecture slides to your tablet or computer, or print a syllabus if you wish to have one on hand at the course.

Exhibits

Diagnostic ultrasound equipment and medical book vendors are scheduled to be on site.

Experience New York

There is no other city in the world quite like New York City! If it's nice out, tour art galleries in Chelsea, walk the Brooklyn Bridge, or visit The Cloisters in Washington Heights- an old French monastery specializing in European art and architecture, governed by the Metropolitan Museum of Art. Walk across Central Park, the most filmed location in the world, traveling from

the Upper West to Upper East side. The city offers countless restaurants, including noted outdoor spots like Tavern on the Green (in Central Park West) or Houseman (on Greenwich Street) on a closed city block offering a sidewalk cafe experience. One World Trade Center is also a must to visit. You can check out fashion in the garment district and street art just about everywhere you look. Fabulous art, architecture and fine dining are all part of the melting pot that is New York, New York. Come and see what the city has to offer!

Hotel Accommodations

A limited number of rooms have been set aside starting at \$239 per night (note: no facility fee). Reservations can be made by calling the Crowne Plaza Times Square Manhattan directly at **(888) 233-9527** and identifying yourself as an attendee of Big Apple 2021 OBGYN US. The reservation deadline is Monday, November 1, 2021.

COURSE OBJECTIVES

Upon completion of this course, participants will be able to:

- Improve their image acquisition and interpretation
- Use ultrasound technology more efficiently
- Apply current evidence-based criteria to diagnose adnexal masses

- Add new imaging techniques to their practice
- Advise patients about pregnancies of unknown location
- Enhance their skills in early pregnancy anatomic diagnosis
- Counsel patients about pregnancy complications
- Perform better fetal heart scans
