CAMPAGNA CENTER**

◩ 2016 ANNUAL REPORT ◪

CHILDREN. FAMILIES. COMMUNITY.

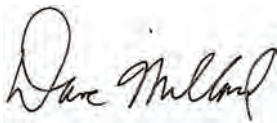

HORIZONS: CELEBRATING 40 YEARS OF CAMPAGNA KIDS AND BEYOND

Tammy L. Mann, PhD
President & CEO

“If you want to go faster, go alone. If you want to go far, go together.” This African proverb encapsulates a great way to think about the accomplishments of the past year and the amazing opportunities that are on the horizon for The Campagna Center, in large measure because you have traveled together with us!

We have much to feel proud about as we look back over the successes of this past year. This year marked our 40th year of providing best-in-class afterschool programs that make it possible for parents to have a peace of mind as they engage in the workforce to provide for their families. As working parents, we know that there is really no peace like the peace of mind that comes from knowing that your child is being safely cared for. With your help, Campagna Kids provides an environment where children and youth get support with homework, have a chance to learn new skills, and forge friendships that can last a lifetime! We have the data around these facts, but more importantly, we have firsthand accounts from program parents about what being a part of Campagna Kids has meant for them and their families. It always brings smiles to our faces when these personal letters arrive at our offices because they reinforce what we believe about our work. Campagna Center programs make a material difference in the lives of adults and children in our Alexandria community! This year we feature one such story to commemorate the 40th anniversary of our Campagna Kids program.

David Millard
*Chairman,
Board of Directors*

If that were not enough, we have so much more to celebrate! In October 2016, The Campagna Center was named the Nonprofit of the Year by the Alexandria Chamber of Commerce. Also over past year we explored new opportunities to make tutoring and mentoring possible for students that have needs for such support, but lack access. After months of due diligence on the part of board and staff from Wright to Read and The Campagna Center, we are delighted to share that Wright to Read will return home as a program of The Campagna Center. We are thrilled to share this news because we know that it will mean more than 100 young people will become better readers and better students as this program lives on in our care.

Throughout the year, we have also been very committed to keeping you informed of important developments related to our current home on 418 S. Washington Street. We will continue to share with you as our work in this regard takes shape.

As we embark upon a new fiscal year filled with the promise of new opportunities, we hope that we can count on you to stay with us! As you review these Annual Report highlights about our past program year, may it inspire you to renew your commitment to the mission of The Campagna Center. Together, we make it possible for our community’s children to enter school ready to learn, experience academic and social success, and for adults to realize their goals that foster self-sufficiency. Please accept our collective thanks.

A MESSAGE FROM A SPECIAL CAMPAGNA KIDS FAMILY

June 17, 2017

Dr. Tammy Mann, President and Chief Executive Officer
The Campagna Center
418 S. Washington St.
Alexandria VA 22314

Dear Dr. Mann:

This year marks our tenth and final year of trusting the care of our children to the Campagna Center's Campagna Kids program at George Mason Elementary. We are writing to express our appreciation for the many staff members who have provided a safe, supportive and fun after-school environment for our children over the last ten years.

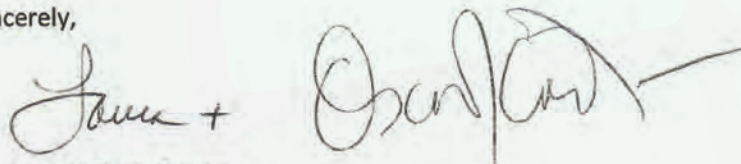

With both of us working full-time away from home, our sanity and productivity has depended upon knowing that our children were happy and engaged at Campagna Kids. Both of our children built strong friendships at Campagna Kids. In the early school years, Campagna Kids helped our children build positive social relationships with their peers. As they got older, Campagna Kids helped them develop more independence and establish positive relationships with the staff.

The Campagna Kids staff at George Mason consistently worked to build a sense of community at George Mason. Staff have attended school events and even came to one of our son's basketball games on a Saturday. Students and staff always showed respect toward each other. My children enjoyed many of the activities, including sports, plays and the talent show. Whenever we arrived for pick up, the kids and staff were engaged with each other and staff always greeted us warmly. The environment made us wish we had spent the afternoon at Campagna Kids!

Campagna Kids truly made a difference in our family's life. The current George Mason Site Director, Ms. India Traynham, has shown strong leadership in making sure the George Mason Campagna Kids program provides a caring environment for all students. Our children and we will have many fond memories of our years with Campagna Kids and we want to help ensure other families will have a great experience, too. Therefore, we are enclosing a donation of \$200 to help Ms. India and the George Mason Campagna staff continue to make a difference in the lives of Alexandria's families.

Again, thanks to you, Ms. India and the many Campagna staff members who have enriched our lives over the last 10 years.

Sincerely,

Laura and Oscar Castro
