The European Language Certificates with Flying Teachers®

The European Language Certificates are a system of linguistic examinations which follow the guidelines laid down by the European Conference for Language Learning. The examinations are offered in various European languages at all levels. The examinations test various language skills. The examinations are written according to published criteria, are organised throughout Europe with uniform regulations, and the exam papers are centrally marked in line with identical criteria of assessment. The certificates are recognised throughout the world.

Flying Teachers® works together with **WBT Further Education Test Systems**, and since 1 April 2001 has been licensed to give TELC examinations.

For further information, please visit the WBT homepage:

www.sprachenzertifikate.de

Registration dates

Registration is possible up to six weeks before the examination date.

Examination centres

The location of the exam centre and the exam times are given to the candidates one week before the examination takes place.

Exam registration and payment

Registration

The exam registration forms are available from us, and are to be filled out, signed and returned to us by post or fax. You will receive the confirmation of examination and the corresponding paying-in slip approximately six weeks before the examination date. We kindly ask you to pay the exam fee no less than 14 days before the examination.

Please note:

An expression of interest by email is not an official registration!

Withdrawal from the exam must be made in writing. Up to 4 weeks before the examination, a cancellation fee of CHF 120.– is levied. Candidates who withdraw later than that are required to pay the entire exam fee.

Results and exam repetition

The results are sent out 6 to 8 weeks after the examination.

For exams at level A2 (Start Deutsch 2), candidates receive an official examination certificate upon achieving marks of at least 60% in the written and oral papers.

In the event of the candidate not passing the exam, it can be repeated within one year (the whole exam has to be retaken).

Successful candidates at B1, B2 and C1 levels receive a certificate indicating marks and a detailed assessment.

Candidates have passed the exams when they achieve a result of at least 60% in both examination parts. Each part of the exam, whether the written or oral sections, can be retaken within a period of one year.

Should the client only repeat part of the examination, the copy of the certificate, indicating the parts of the examination passed, is to be submitted, along with the field “only written” or “only oral” indicated on the application form. Reduced charges are levied for partial examinations – please contact our offices for further information.
