## *Sovereign Grand Commanders Message*

---

---

As always, let me begin by thanking you for the honor of serving as your Sovereign Grand Commander. Thanks to all of you, Scottish Rite Masonry in the Northern Jurisdiction is alive and well.

The time for our next Annual Session is fast approaching and we will soon be journeying to our meeting in Colorado. Let us do so with vision, understanding and love for one another as well as for mankind. The empty slots in our membership are being filled with energetic Fraters, anxious to make a contribution and perpetuate our philosophy.

This increase in membership is most welcomed and we trust it will be continued. The Ancient and Accepted Scottish Rite have an appeal which cannot be denied. Each and every one of us has accepted the challenge we have enlisted in the cause and to that end, we intend to function.

I sincerely hope that you have had a most pleasant and enjoyable summer. I further hope and pray that the warmth of this summer season will continue in our hearts and spirits and that we will manifest that warmth into the work and good deeds of our fraternal friendship.

**ILLUSTRIOUS SOLOMON WALLACE, 33°  
SOVEREIGN GRAND COMMANDER**

It should be our earnest prayer that we will all continue to receive the rich blessings that our Heavenly Father bestows upon those that trust and believe in Him.

Fraternally,

Illustrious Solomon Wallace, 33°  
Sovereign Grand Commander

# How Scottish Rite Masonry started amongst Prince Hall Masons

## History

The first Scottish Rite organization among African-Americans was the African Grand Council of 1820 in Philadelphia, which was referred to as a Council of Princes of Jerusalem. This Council arose through West Indian migration, for Stephen Morin had propagated the Rite there. The Organization of the King David Supreme Council grew out of the conferring in Philadelphia (1850) of the 33rd Degree by Count DeSaint Laurent (also, Larine) of the Supreme Council of France and the Grand Commander of the Council of Spain on David Leary, the first Black Inspector-General of the Prince Hall Scottish Rite.

III. Edward M. Thomas petitioned the King David Council, since he was residing in the District of Columbia, for the 33rd degree to be conferred on representative Masons in D.C., and on May 5, 1856, the conferment was made and a council was established.

In New York City, a Supreme Council of the United States was established in 1864. Also in 1864, a separate Supreme Council was formed in New York, which was made up of members from the National Compact Grand Lodge, from which a Southern Jurisdiction split off with the Headquarters in Baltimore, Maryland. From the Philadelphia Council, a Southern and Western Jurisdiction defected with Headquarters at Washington, D.C. In 1871 a fifth was established in Philadelphia, and was named King Fredrick Supreme Council. In 1881-1887, these five merged into 2 United Supreme Councils of the 33rd Degree: one for Northern Jurisdiction and one for Southern Jurisdiction.

A fourth council was set up in Baltimore, Maryland and a fifth Council in Philadelphia. These 5 Councils petitioned for unity in a conference in New York City on January 13, 1881, and was responsible for the Articles of Union and two Supreme Councils of the Northern Jurisdiction (PHA) and the United Supreme Council of the Southern Jurisdiction (PHA).

The constitutions for the Southern Jurisdiction were established in 1887 and revised in 1917 and 1955. The Southern Jurisdiction for the United Supreme Council, PHA, consists of the states: AL, AR, FL, GA, KT, LA, MD, MS, Missouri, NC, OK, SC, TN, TX, VA, WV, the territories of Arizona, New Mexico, the District of Columbia, and Alaska. The Northern Jurisdiction consists of the following states: CO, Connecticut, DE, ID, Illinois, IN, IO, KA, Maine, Mass, MI, Minnesota, Montana, Nebraska, Nevada, NH, NJ, NY, ND, OH, OR, Pennsylvania, RI, SD, UT, VT, Washington, Wisconsin, Wyoming, and that of the states outside Continental United States. Alaska shall belong to the Northern also.

As a result of the conference of the Sovereign Grand Commanders of the two Supreme Councils, Northern and Southern Jurisdictions A.A.S.R., PHA, on August 2, 1966, were established at the Cathedral, Fitzwater & Mole St. in Philadelphia, Pennsylvania. The above divisions were made based on a boundary developed by a joint committee in Wilmington, Delaware on April 19, 1907 using the Mason-Dixon Line as an official boundary.

Today, Nevada, is in the Southern Jurisdiction and Arizona and New Mexico are States; Europe, England, Korea, Japan and the Middle East are also a part of the Southern Jurisdiction.

**From the Office of the Secretary General**

I hope that you enjoyed the last session in Philadelphia. If you attended the opening ceremonies you would have noticed some changes by the Sovereign Grand Commander. Many of us feel that they were a great improvement. We hope that you feel the same.

Also we want to congratulate Ill. Raynard W. Hughes who was elected Cathedral Secretary. The position has been vacant since the resignation of Ill. Winston O. Williams. He will be a great asset to the Cabinet.

The Sovereign Grand Commander's program "From the Cradle to College" is progressing very well in the Orients where it has started. If you are not a part of it, you may want to check with your Deputy and find out what it is all about. Remember we stand tallest when we reach back to help some young man move ahead.

**FROM THE DESK OF THE EDITOR**

G.I.G. Edward M. Brooks, 33°  
Editor of the Bulletin

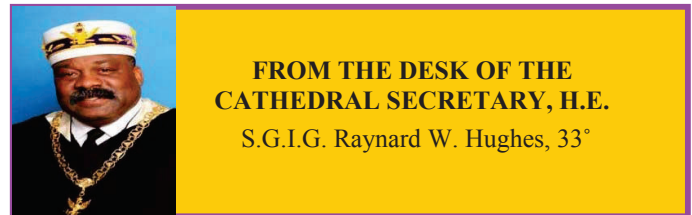

**From the Editor's Desk**

First I would like to thank Sovereign Grand Commander, Solomon Wallace and those who had any input in the decision to appoint me as Editor of the Bulletin.

I am looking forward to working with you all, and plan to make every effort to continue to produce the same quality magazine that you have become accustomed to receiving over the years. I would request that the membership get involved by sending in articles about Scottish Rite Masonry and interesting and informative articles about members of our organization. We have members who have done some exciting things that we would all like to share and read about.

As you all know, the dead line for the Fall edition of the Bulletin is **SEPTEMBER 1<sup>st</sup>** and the Spring edition is **MARCH 1<sup>st</sup>**. Please forward all articles to me, in a timely enough manner, so that no article will be left out.

Please do not copy and paste pictures into your document. Send clear glossy photos, separately with your article. If you have access to eMail you can send your articles to me in eMail format but for now, I still request that you send a hard copy of both the document and photos for my files. As I become more comfortable in this position and the way the printer would like to receive the information from me, I will most likely start using eMail strictly (for those who use eMail), for all communications dealing with the Bulletin, because postage is increasing every day, and receipt of information via eMail is much faster.

**FROM THE DESK OF THE CATHEDRAL SECRETARY, H.E.**

S.G.I.G. Raynard W. Hughes, 33°

Greetings Illustrious Sirs,

It is with humble submission that I greet you. I would like to give all praises to our Lord and Savior Jesus Christ for all his many blessings bestowed upon me. First, I would like to say that I am very appreciative to serve as your Cathedral Secretary for our historic fraternal organization.

It is my hope that I will perform the duties of managing and overseeing our historic and grandiose facility. The Cathedral is not only our headquarters but it is a shining beacon throughout the United Supreme Council, Ancient and Accepted Scottish Rite of Freemasonry, Prince Hall Affiliation, Northern Jurisdiction, U.S.A. Inc. Our historical archives are loaded with memories of the many Illustrious Peers that have been elevated in the **Senate Chamber**. Did you know that the Cathedral has a grand library full of Masonic literature, the Sovereigns Chair, and there is a Scottish-rite degree meeting room, which is presently being used today? I encourage you to visit the Cathedral when you are in the Philadelphia area to see this stupendous facility.

The Cathedral is open daily for operations. If you are thinking about touring The Cathedral, the hours are as follows: **Monday – Friday, 10:00AM – 3:30PM, and weekends by appointments (for large groups).** If you are thinking about touring the facility, please contact us at **215-545-2443**. We look forward to seeing you in the near future.

**Saving the African American Male  
“From the Cradle to College”  
Evaluation Report  
SGIG Dr. Clarence L. Stone**

Sovereign Grand Commander, Solomon Wallace, 33° announced in his Vision to the Fraternity, in May 2008 that Scottish Rite Fraters would provide mentoring services to school districts in the Orient/Valleys of our Fraternity in a caring, competent and professional manner. We would augment and support the school programs under the direction of the professional staff of our partnership districts. We will do this by offering members of the Fraternity opportunity to serve male students who need the support of a strong competent and caring adult. We will measure our success by the number of Fraters who volunteer and by the number of Fraters who volunteer and by the number of hours of service given our youths and partnership district.

**CELEBRATING SERVICE**

**Scottish Rite Mentors provided 788 hours of volunteer service for the 2009-2010 school year to their mentees and their school districts.**

The past school year 2009-2010 was an “historic year” for our Fraternity. Three out of four Pilot Mentoring Programs were successfully launched in one of the worst economic periods in our country, since the great depression. Massive layoffs, terminations, reductions in salary have been the tenor of this time. In spite of this gloomy period, 49 of our Scottish Rite Fraters stepped up and said “yes I will volunteer to mentor our boys in this time of need”. We celebrate this achievement and honor all who have worked to make this possible.

Successful Pilot Mentoring Programs were launched in the Valleys of Detroit, Cleveland and Philadelphia. The Superintendents of Detroit, Interim Superintendent Theresa Gueyser, in Cleveland, Dr. Eugene Sanders and in Philadelphia, Dr. Patricia Akerman gave approval and urged their staffs to support our Pilot Projects.

Deputy Robert P. Lewis, Michigan; Deputy Sidney Broadnax, Ohio and Deputy Herbert N. Gibbons, Pennsylvania were “Drum Majors” for our Pilot Programs. They urge Fraters to volunteer to mentor, appointed coordinators for the programs and kept in touch with their programs and reported timely about the status of the programs.

Coordinators, S.G.I.G. Carl Williams and S.G.I.G. Charles Hales with direction from G.I.G. Leonard Jackson and G.I.G. Mark Ledger and the Bazaleel Consistory #15 leadership produced an outstanding first year program for the mentees at John Adams High School. Principal Donald Jolly, his staff and all of the mentors for John Adams High deserve our highest praise for a job well done.

Coordinators, S.G.I.G. Clarence Stone and G.I.G. Horace Jackson and the excellent mentors for the Valley of Detroit; Wolverine Consistory #6 Mentoring Program under the leadership of Dr. Deborah Jenkins, Principal of Martin L. King, Jr., High School and Mr. Richard Walker, Assistant Principal were excellent supporters of our program. Mr. Norman Taylor

was responsible for securing the mentees for the program. He was very helpful and positive to work with on this effort. All who participated and supported the Detroit Program deserve our highest praise and thank you.

G.I.G. Dr. Norman K. Spencer, Sr., 33°, a retired Philadelphia Principle and Central Office Administrator was Coordinator for the Pilot Mentoring Program in Philadelphia. Dr. Spencer secured pledges from 42 Fraters to mentor and 19 Fraters gave support and time to a mentee. Mr. Darryle Quenton, Principal of Fitzsimmons High School and his staff fully supported the program. Dr. Spencer secured several very prominent speakers for the program including retired U.S. Air Force General, Dr. Henry “Hank” Frisby.

**All of the above Valleys will commence mentoring programs for the upcoming school year.**

“A journey of a thousand miles begins with the first step”. We have taken the first step and look to 2010-2011 with every thought of exceeding the good work done this year.

Thank you to every mentor, coordinator and all who supported our effort. Fraternaly, Dr. Clarence L. Stone., S.G.I.G., Executive Director for Mentoring.

Local surgeon and one of the **New Honorary Members of the United Supreme Council of the 33<sup>rd</sup> and last degree, of the SGIG Winston O. Williams Class of 2010**, becomes the first in Central PA to perform a new minimally invasive procedure to treat lung cancer

**WHEN:** 10 to 11 a.m., Thursday, Aug. 12

**WHERE:** Knoch Conference Room, York Hospital patient care tower (Enter through the Main Entrance and meet in the Atrium. Someone will escort you to the conference room).

**NEWS:** Dr. Brian Pettiford, a thoracic surgical oncologist with WellSpan Health, recently became the first surgeon in Central Pennsylvania and one of a few surgeons in the commonwealth to employ a new minimally invasive procedure to treat lung cancer.

The procedure is known as VATS (Video-Assisted Thoracoscopic Surgery) sub-lobar resection. Dr. Pettiford removed a cancerous portion of the left lung of a 71-year-old patient by using a thoracoscope, which was inserted through small incisions. In collaboration with WellSpan Radiation Oncology, the surgeon then employed a technique known as brachytherapy by implanting a mesh seeded with radiation as a means to reduce the risk of recurrence while minimizing damage to surrounding areas. The radioactive mesh allows for about two times the amount

of radiation than is provided through conventional treatment, which would have reduced capacity of a greater portion of the lung to function normally.

**BACKGROUND:** Lung cancer is the most common cause of cancer-related mortality in the United States. The elderly, who

often have other chronic conditions, are the fastest growing portion of the population affected by this disease. The VATS procedure usually requires a two-to-four-day hospital stay followed by a week at home. Traditional open chest surgery usually requires a hospital stay of five-to-seven days with a recovery period of up to a month or longer at home.

By combining the minimally invasive surgery with brachytherapy, patients receive the care they need in one day, avoiding five to six weeks of hospital visits typical of the traditional radiation therapy follow up.

This procedure provides an additional surgical option to patients and increases the pool of patients who can potentially benefit from curative treatment. This surgery also provides for better quality of life and decreased mortality.

**THE ORIENT OF PENNSYLVANIA  
HOST OF THE  
129<sup>TH</sup> UNITED SUPREME COUNCIL AND 43<sup>RD</sup>  
TRIENNium  
DEPUTY OF PENNSYLVANIA  
S.G.I.G GEORGE M. CALLOWAY, 33<sup>o</sup>**

This is the first article that I have had the pleasure of submitting since becoming “The Deputy for the Orient of Pennsylvania”. Let me first express how grateful I am to the Sovereign Grand Commander, Solomon Wallace for appointing me to this awesome position. The Challenge I have for myself and for all of you is, that I will do the very best that I can to

keep this Grand Old Orient in the forefront of Scottish Rite Masonry. My mentor, the former Deputy for the Orient of Pennsylvania, S.G.I.G. Stonewall J. Lett, once told me, “He who towers over others, must stand Tall Himself”. That is my goal, to stand tall with the grace of GOD, and the support of all of you. Fortunately for me, in writing this first article, I have the pleasure of reporting on our activities regarding the hosting of the 129<sup>th</sup> Annual United Supreme Council Session, the 43<sup>rd</sup> Triennium, held in Philadelphia, May 28 thru June 1, 2010, of which we are very proud.

Traditionally, having to host the United Supreme Council Session every triennium, we have to constantly prepare ourselves to do better. The 129<sup>th</sup> United Supreme Council Session has come and gone. We Pennsylvanians certainly hope that our preparation was as satisfactory to all of the delegates as it was to us, for we were totally satisfied with the outcome.

Our preparation began in January, 2009, under the leadership of the former Deputy S.G.I.G. Herbert N. Gibbons, Sr., and the Chairman of the Planning Committee, S.G.I.G. Threston C. Roots, with the objective of doing something “Different and Memorable” for the Friday night entertainment. A suggestion proposed by me was accepted by the committee, and with the consent of the Sovereign Grand Commander we were off and running to present to the delegates, friends and visitors what we titled “The Friday Night Motown Review”. The featured group called “Special Blendz”, a professional show band and quartet hails from nearby Chester, PA. They performed Motown songs that most of us were familiar with, and enjoyed. They also did a tribute to the late Michael Jackson that we all enjoyed.

Some 550 persons were in attendance and enjoyed what has been described by many as a very entertaining evening. A “Light Snack” consisting of a hot dog, chips and soda was served. Dancing was provided for all and during the intermission a dance contest was held under, the direction of S.G.I.G’s Raynard Hughes and Barry Lessene. Many thanks, to them for their participation in this event.

Another different aspect of the event was that the male members of the planning committee and others were regaled in white dinner jackets, black ties and trousers along with the Loyal Ladies being regaled in white suits. Thus, the objective of “Different and Memorable” had been accomplished. Our challenge now, is to equal or better that effort at the 44<sup>th</sup> triennium, in 2013.

**Loyal Lady Activities**

The ladies who accompanied the men attending the 129<sup>th</sup> Annual United Supreme Council Session were entertained with a variety of activities planned by the members of the Pennsylvania State Grand Assembly, Order of the Golden Circle, under the direction of the Chairperson of the Ladies Committee Loyal Lady Carolyn Dees Williams. The Saturday activities were (1) an exciting Black History Tour of Philadelphia, followed by a Soul Food Buffet Luncheon held at the headquarters of the Most Worshipful Prince Hall Grand Lodge of Pennsylvania, or (2) a bus trip to Atlantic City NJ for a day of shopping at the many upscale outlet stores or visiting the various casinos. On Monday most of the ladies attended a fabulous luncheon and enjoyed the fantastic music of “Blackstone the Keyboardist”. While the men were meeting; their ladies were touring, shopping, dancing, eating and having an all-round good time in the city of Brotherly Love. A great time was had by everyone.

Another Loyal Lady activity that was performed by one of our ladies was at the Golden Circle Workshop, under the direction of the Illustrious Deputy for Indiana. Past State Grand Loyal Lady Ruler Elaine R. McFadden of the Pennsylvania State Grand Assembly and her ritualistic team were charged with the task of “Demonstration of the Funeral Ceremonies of the Order of the Golden Circle” as it is described in the Golden Circle Manual. Needless to say, they did an outstanding job.

**Pennsylvania Council of Deliberation 33<sup>rd</sup> Degree Team**

Another pride filled event was performed on Tuesday, at the United Supreme Council Session, by the Pennsylvania Council of Deliberation Degree Team under the direction of G.I.G. Malcolm E. Harris, the Grand Lecturer for the Most Worshipful Prince Hall Grand Lodge of Pennsylvania.

This team, made up of members from across the Jurisdiction, after months of rehearsing, did a magnificent job exemplifying the 33<sup>rd</sup> degree in record time, without a flaw. At the conclusion of their work the **“Winston O. Williams Class of 2010”**, along with the entire assembly, gave them a standing ovation. All of us from this Grand Old Orient are extremely proud of this team for their outstanding performance. This degree team is pictured below.
