CARMEN'S 2.0 RESTAURANT & WINE BAR

World Tour! Next Stop: Campania, Italy

The month of September will feature the Italian region **Campania!** This region is on the southern west coast and includes the city of **Naples**. We will be preparing from scratch pasta, made in house, with fresh San Marzano tomatoes, fresh seafood including fresh Bronzino with fennel and saffron, house made buffalo mozzarella with balsamic grilled peaches, and savory semolina pudding.

We will be exploring Italy's abundant wine offerings - a true pleasure for wine-lovers to taste your favorites like Pinot Grigio or Chianti, plus some you may not have tasted like Rufusco, Montepulciano, Primitivo, or Vernaccia. Great wines to enjoy with Carmen's rendition of Italy's finest food offerings.
