

WHITE COUNTY

THE FUTURE OF URBAN LIVING

Welcome to a whole new way of looking at living spaces. Elegant, exclusive and efficient spaces that you can call home. We believe each space is a reflection of those who inhabit them. That's why we see our projects as a canvas where you can create your own masterpiece. Welcome to the white way of thinking.

White projects is a firm built on pillars of innovation, experience, trust and customer satisfaction. With over 15 years of experience, high standards and transparency, we hope to revolutionise the future of residential spaces.

THE FUTURE IS

HERE.

THE FUTURE IS

WHITE

The security of a gated community, the convenience of an apartment complex, the satisfaction of building your own home and the flexibility of your own budget, these are the key things that we had in mind when we conceived WhiteCounty.

This future-ready development is a sprawling 40-acre self-contained ecosystem tailor-made for modern day living. It comes fully-developed with a host of futuristic amenities.
