Mid-America AACA
A Chapter of the Lawrence Region
October 2019 Vol. 2 No. 10

President's Message

It has been a good season for shows, cruises, and awards. There are still many events and I encourage members to attend as many as possible. Of course, the Mid-America meetings in October and November are probably the most important to you as these determine the future of your club. Think seriously about nominating responsible candidates.

See you in Lawrence on Oct. 6, at the picnic on Oct. 12, and at the meeting on Oct. 20.

Bonnie

TWO MID-AMERICA OFFICIAL EVENTS

#1 - Sunday October 6th - Lawrence AACA Region's 47th Annual Car Show.

The Lawrence AACA Region's 47th annual car show is being held at the Douglas County Fairgrounds, Sunday October 6th from 9:00 am until 2:30 pm. Awards will be given at 2:00. This is our parent region's big show for the year so please plan on attending to support them. This show usually attracts more "old" cars than other shows in the area and weather is usually beautiful, cool and sunny. This year's feature car is 1955, 56 and 57 Chevys, including trucks.

Mid-America AACA will meet at the DeSoto, KS McDonald's (34225 Commerce Dr., DeSoto, KS 66018) at 8:15 am and proceed as a group to the show. The McDonald's is at the Lexington Ave. exit on K-10 West, on the north side of the highway.

To proceed to the Fairgrounds, take K-10 West and exit towards 23rd St. Continue west on 23rd St. and turn right on Harper St. Proceed north on Harper to the Fairgrounds at 2120 Harper, on your right. This is the same location as the Spring swap meet.

This is a rain or shine event as Lawrence has access to a covered, open air arena for show car and truck parking.

Please let me know if you have any questions: **Paul Williamson** (pawmew54@gmail.com) 816-529-0426.

Shawnee Wheels and Dreams Car, Truck and Bike Show

For our third consecutive event, rains the night before threatened, but then cleared for the event. The 13th annual Shawnee Wheels and Dreams show on September 8th was no different. The streets were wet when we staged up, but the skies cleared and it was a beautiful day for a show. Even though the Chief's opening game of the season was the same day and the same time, there was still a very strong turnout. Estimates were over 200 cars, trucks and motorcycles, perhaps 300.

The show is now hosted in Old Shawnee Town 1929, a restored version of a small Midwestern town. Although the Main Street and farm buildings could not be opened to the public it was still a nice backdrop for a vintage car show. Even a period correct fire truck was ready to roll at the sound of the alarm.

Mid-America AACA was present with five cars and one truck: the Boyle's 1971 Plymouth Cuda, The Johnson's 1940 Plymouth, Gary Crispin's 1960 Chevy, the Kernodle's 1970 Roll Royce and Barry Herbert's 1989 Mustang. Tom Robson's Model T truck was parked away from our group with the 1939 and earlier cars. Lots of spectators expressed interest in our cars and several membership applications were passed out.

The highlight of the day may have been when an old "boy" friend of Bonnie's showed up unannounced – this even got Bill's attention (more about this with photos at the next membership meeting?) At the end of the day our little troupe did not win any awards, but we still had a fun sunny day at the show with the Chiefs on the radio.

This tour will include access to five significant and seldom seen collections in Clinton and a meal at the museum. If there is enough interest, we will also meet as a group for the evening meal on the way back to KC.
