## THE GRACE COLLECTION

## GENERAL

Items included in this Catalog may not be represented in the Theodore Alexander showroom.

Each of the unique items featured in this Catalog are the subject of copyright protection in the United States and throughout the world.

Some items in this Catalog may not be available in certain Region or Country.

## APPEARANCE

All Theodore Alexander products are manufactured to the highest standards and with the utmost care and attention to detail. Whilst we make every effort to accurately reproduce the colours of the furniture illustrated, differences in texture, grain and colour are inherent in all natural woodwork and should be expected as the individual characteristics of materials used. Variations in these qualities are not manufacturing defects and will not be accepted as such for the purpose of claims. Some changes in colour or texture may occur during the life cycle of the product, particularly in leather, wood and veneer.

All exposed surfaces of Theodore Alexander furniture are prepared, sanded and finished, even though at times they are not visible. This includes the undersides, the back and the inside of the drawer boxes amongst others.

While our fabrics and leather are sourced from the finest upholstery manufacturers, we are unable to provide a guarantee on fabrics or leather, including COM. Theodore Alexander can take no responsibility for wearability of fabric and leather or alternations to the fabrics and leather after it has shipped. We recommend the use of a professional upholstery dry cleaner in case of soiling or wear.

Items are photographed in studio conditions and the appearance of the actual items may vary from that shown

## DIMENSION, SPECIFICATIONS AND STYLE

All dimensions listed are approximate given the hand crafted nature of our product and the variation in fabrics used. There may be a difference of up to 2" from listed dimensions.

When giving overall dimensions we may use some rounding.

Product specifications are not binding and we reserve the right to make changes without notice. Please refer to your shipment for final sizes and specifications.

Where descriptions refer to particular historical styles, this does not indicate the product stems from this period in any aspect other than in design inspiration.

## INTELLECTUAL PROPERTY

We are proud of the unique designs created by our skilled designers and craftsmen. To protect your investments, infringements of any proprietary (trademarked, patented, copy righted or otherwise protected) design or right will be pursued to the full extent of the law. #### THEODORE ALEXANDER 2020 COLLECTION "GRACE COLLECTION"

Furniture as jewellery for the home is a concept as old as interior design itself. In The Grace Collection Theodore Alexander takes this concept and lends it a modern flavour, with pure crystal and rich golden, glimmering metals. The sensibility of fine jewellery - delicate sinuous lines, precious stones, the subtle refractive glamour of pure crystal and the bright and timeless quality of golden metals.

The Grace collection pairs fashion with furnishings. Fine marble, hand cast brass and delicate inlays, carefully selected and sparkling curly maple and walnut burl veneers are combined with subtle tiara motifs, graceful forms and finely stitched and quilted leather upholstery. A subtle extravagance, a hint of Art Deco, a contemporary silhouette - eternal style.
