Thank you everyone for your efforts throughout the last month.

It has been a bit quiet but all the normal activities are happening – Coffee Chat, Mints, Hotel Raffle, the Newsletter, photos have been taken for the donations from last year 2019-2020 to Goulburn South Public School, Southern Tablelands Football Association and still organising the photo for the donation to FROGS (Wetlands). The presentation of the donation to Legacy has also occurred. The Soccer Catering is also back in action at the Cookbundoon Fields with the finals to be at the Workers Arena – canteen as well as the gate at the end of October.

The Car Raffle Committee has visited the car yards and a decision has been made as to which car will be raffled!

Announcement at the next meeting!

Our first 'real' guest speaker – 2VDG Lion Norm is visiting representing DG Maxine. Welcome!

Reminder that the meeting 20 October will be the Membership Meeting with PDG Lion Anne Eldridge via Zoom at the Workers Club.

Hang in there, everyone! Take Care!

September 1st Meeting

Goulburn Lions Donate \$5,000 to Legacy's Cause

Legacy is a charity providing services to Australian families suffering after the injury or death of a spouse or parent, during or after their defense force service.

They currently care for 52,000 beneficiaries, including 1,845 children and disabled dependents' throughout Australia.

Goulburn Lions have a long history with Goulburn Legacy. In 2016, passed member Lion Garry Easterby lifted our donation from \$2,000 to \$5,000 and we have donated \$5,000 a year since then, totaling \$20,000 in the last 4 years.

With our present (Covid 19) predicament, money has been hard to come by and like most charities, Lions have experienced a sharp downturn in funds.

At our first meeting in September, held in the station room Goulburn Workers Club, Lion Ray Strong moved that we donate \$5,000 to Legacy and the motion was seconded by Lion Alex Harmer.

Laughing Lions

A devout Australian cowboy lost his favorite Bible while he was mending fences out on the range. Three weeks later, a kangaroo walked up to him carrying the Bible in its mouth. The cowboy couldn't believe his eyes. He took the precious book out of the kangaroo's mouth, raised his eyes heavenward and exclaimed, "It's a miracle!" "Not really," said the kangaroo. "Your name is written inside the cover."

Fishing Buddies

A Kiwi and an Aussie went fishing one afternoon and decided to have a couple of cold beers. After a while the Aussie says to the Kiwi, "If I was to sneak over to your house and made wild passionate love to your wife while you were at work, and she got pregnant and had a baby, would that make us related?" The Kiwi after a great deal of thought, says, "Well, I don't know about related, but it sure would make us even."

If someone who speaks two languages is bilingual, and someone who speaks many languages is multilingual, then what do you call someone who speaks one language?

An 80-year-old man is having his annual check-up. The doctor asks him how he's feeling. "I've never been better!" he replies. "I've got an 18-year-old bride who's pregnant and having my child! What do you think about that?" The doctor considers this for a moment, then says, "Well, let me tell you a story. I know a guy who's an avid hunter. He never misses a season. But one day he's in a bit of a hurry and he accidentally grabs his umbrella instead of his gun. "So, he's in the woods, and suddenly a grizzly bear appears in front of him! He raises up his umbrella, points it at the bear, and squeezes the handle. The bear drops dead in front of him." That's impossible! Someone else must have shot that bear." "Exactly."
