Hope Lutheran Church: a Community of Faith in the Heart of Fond du Lac

The Most Amazing Mirror in the World

Most people look at themselves in a mirror more than 20 times a day. The apostle James has something to say about this habit.

In the book that bears his name, James the half-brother of Jesus, makes an interesting and perceptive comparison. The points of reference are two types of people. James says: *“For if any are hearers of the word and not doers, they are like those who look at themselves in a mirror; for they look at themselves and, on going away, immediately forget what they were like. But those who look into the perfect law, the law of liberty, and persevere, being not hearers who forget but doers who act — they will be blessed in their doing”* (vv. 23-25).

The operative word in this reading is “mirror.” And since James pins his point on this word, hoping we will understand the metaphor, let’s start there.

Studies show that people check the mirror upwards of 40 times a day. For some, looking in a mirror is simply a matter of gathering data; for others, it’s to confirm the worst. To this end, we can always find a mirror, and perhaps that’s why we take mirrors for granted. We use them for practical purposes and for décor. When driving, good drivers check their side mirrors and rearview mirrors for safety reasons. We use mirrors to reflect light. And we use mirrors to see how we look before others see us.

Our mirrors might be full-frame, wall-mounted, self-supported or full-length. They might be square, rectangular, oval, circular or trapezoid.

But what about the mirror that the apostle James used 2,000 years ago? It certainly was not a piece of glass

coated with silver nitrate. James might have been aware that the Romans were experimenting with the use of glass in the first century, but his mirror was probably a piece of polished bronze or copper. Whatever it was, there’s no doubt that his readers knew what a mirror was.

Mirrors had been around long before James wrote his letter to the Christians. Artifacts dating to 6,000 B.C. tell us that the early communities used polished stones as mirrors before going to their equivalent of Walmart.

The simplest mirror is water, as Narcissus in Greek mythology discovered. Nature lovers are thrilled when, in the early morning hours, they come across a woodland pond or alpine lake that is as still as glass, reflecting the pines and mountains above the clear water. What would you do if you stumbled on a scene like this? You’d whip out your smartphone, take a photo and post it on Instagram. That’s what you would do. It’s that spectacular!

The largest natural mirror is Salar de Uyuni. At 4,000 square miles, it is the world’s largest salt flat, about 100 times bigger than the Bonneville Salt Flats of Utah. And when water from the mountains floods this plain, the sky seems to join the earth in an impression of infinity. Amazing, isn’t it?

The Amazing Mirror

The most amazing mirror is the word of God. But why is it so incredible?

It’s amazing because it’s perfect.

(Continued from page 1)

The apostle James calls it “perfect”. It is perfect in three ways:

1. It is God’s law. Humans may pass bad laws, and we can all think of a few. This amazing “mirror,” however, is the “perfect law” because it comes from God.
2. It cannot be bettered. This law comes from God! Who would be so silly as to write another law that supersedes the law of God? This is as good as it gets, and it can’t get better. In fact, it is the law of “liberty” or freedom. Following this law, one is truly free. And liberty is what we all want, is it not?
3. It is directed toward an end. That is the basic meaning. A jar designed to hold a pint of milk is perfect insofar as it holds the milk! No cracks or leaks. God’s law is perfect because its goal, end or purpose is to fashion vessels of perfection who *are* what they are designed to be (the image of God) and who *do* what they are designed to do (reflect the glory of God), put God on display.

But if you look into this amazing mirror and walk away, that’s not going to happen, is it?

It’s amazing because it’s a mirror that makes us talk.

Have you noticed this? We tend to talk to mirrors, or to our doppelganger in the mirror. Happens all the time: You get up in the morning. You have sleep lines etched in your face like you slept all night on a waffle iron. Your hair looks like it has been supercharged with 500 volts of electricity. And those bags under your eyes look like they’ve just come off the baggage claim at LAX. You stand in front of the mirror and take a look. “Oh, my goodness! That can’t be right!”

Yes, we talk to mirrors. The wicked witch says, “Mirror, mirror on the wall, who is the fairest of them all?” And the mirror is, like: “Have you seen yourself this morning?”

It’s amazing because we must lean into the mirror to see better.

As the late, great Yogi Berra, catcher and then manager of the New York Yankees, used to say: “You can see a lot by looking.” Yes, you can. That’s why we often *lean toward the mirror to get a better look at ourselves*. The word, “mirror” which James uses, doesn’t refer to a casual glance. Instead, it

implies *bending over, or stooping*, to get a better, perhaps the best look. Here are a couple of verses where the same word is used:

- “But Peter got up and ran to the tomb; *stooping and looking in*, he saw the linen cloths by themselves; then he went home, amazed at what had happened” (Luke 24:12).
- “He *bent down to look in* and saw the linen wrappings lying there, but he did not go in” (John 20:5).

True practitioners of God’s word are those who humble themselves, who are on their knees in an attitude of contrition and repentance, who bend to the will of God and are obedient.

Finally, it’s an amazing mirror because it’s a two-way mirror, and God is on the other side!

God knows the thoughts and intents of the heart.

- “And God, who knows the human heart ...” (Acts 15:8).
- “But the Lord said to Samuel, ‘Do not look on his appearance or on the height of his stature, ... for the Lord does not see as mortals see; they look on the outward appearance, but the Lord looks on the heart.’” (1 Samuel 16:7).
- “Would not God discover this? For he knows the secrets of the heart” (Psalm 44:21).

And then there is this telling passage in Jeremiah: “The heart is devious above all else; it is perverse — who can understand it?” The answer comes quickly: “I the Lord test the mind and search the heart, to give to all according to their ways, according to the fruit of their doings” (17:9-10).

The word of God is perfect because when we stand before the “perfect law” of God, we’re really standing before God himself, who sees us as through a two-way mirror, and God sees all.

We become better versions of ourselves and the world becomes a better place when we look into God’s mirror — the perfect law — and act on what we see. James alludes to looking in the mirror when he applauds those who are able to bridle the tongue. He refers to acting on what we see when he argues that a Christian who takes care of orphans and widows in distress is a practitioner of “true religion.”

Missionaries/ Mission Statement

I would like to use this article to give you an update on our Missionaries that we are supporting. As you may recall, we voted to support Rev Dr. Fung and his family in Thailand, and Rev Dr. Bombaro and his family serving in Eurasia. I am pleased to let you know that we are almost at our goal of \$15,000. At the time of this printing, we have raised a total of \$12,600. We are almost there! Please consider donating to this great cause and help us reach our goal! To those of you that have donated already, thank you very much! Matthew 28:19 *“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit...”*

I would also like to take this opportunity to remind you of our new Mission Statement. I have written about this in the past, but I felt that it was important that I share it with you one more time.

As members of Hope Lutheran Church, united by the Holy Spirit, and brought together by God’s plan and purpose, we exist to: **Grow, Show, Share, and Care.**

Grow in grace and knowledge of Christ
Grow in grace and knowledge of your Lord and Savior Jesus Christ. 2 Peter 3:18

Show love to God and others
Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength; and love your neighbor as yourself. There is no greater commandment greater than these. Mark 12:30-31

Share the Gospel with each other and in our community
Let your light so shine before others, that they may see your good works, and glorify your Father which is in heaven. Matthew 5:16

Care for those weary and worn from life
Carry each other’s burdens, and in this way, you will fulfill the law of Christ. Galatians 6:2

I look forward to seeing you at church and around the campus!

Deacon, Bob Mengert

(Continued from page 2)

This is our call to action: let us look into the mirror, and let us act on what we see. When we do, we will be better for it, and so will our neighborhoods, communities and our part of the world. Like Salar de Uyuni, where heaven meets earth in the water’s reflection, God’s word is a mirror that elevates us to the “thin space” twixt heaven and earth, where mortals like us experience what James calls a beatific condition: “They will be blessed in their doing” (v. 25).

Voters’ Meeting Tuesday, October 19 6:30 p.m.

Our fall Voters’ Meeting will be at 6:30 p.m. on Tuesday, October 19, in the Fellowship Hall. Agenda items:

1. Election of Church Council officers, elders and board chair people for our administrative boards.
2. Approval of a budget for 2022.

All members are invited to come and learn more about our mission and ministry activities and opportunities.

Music Ministry

Trumpet en Chamade Project

The Board of Music is continuing to raise funds for the trumpet en chamade addition to the organ. At this point we have raised over \$41,000 for this project, the final cost of which will be approximately \$50,000. Thanks to the support of faithful members of Hope Lutheran Church, we are now well on our way to reaching this goal. This addition will be installed this fall in coordination with the sanctuary renovation.

This project can be supported through gifts to the music ministry (specify *trumpet en chamade* or *organ addition* on memo line of checks), through memorials, or by buying SCRIP.

Oktoberfest 2022

Oktoberfest is back! As our congregation prepares to celebrate its 75th anniversary next year, we would like to include the Oktoberfest in the list of special activities. A couple of changes: we would like to hold

this event on church premises next summer (September or October) thereby lowering the cost and making the Oktoberfest more affordable. We are forming a planning/action committee and need help in the areas of food, beverages, entertainment, outdoor shelter and publicity. Please help us to organize this great congregational event! Call Ken at 539-3977.

SCRIP Gift Cards

The Board of Music is selling SCRIP gift cards for your favorite stores. SCRIP is a great fundraiser, because it costs the purchaser nothing extra, but promotes important music projects here at Hope!

Three ways to buy SCRIP:

- Sold in the hallway between services on Sundays.
- If nobody is selling at the SCRIP table, you can still fill out an order form and leave it and a check in an envelope at the table. We'll get your order to you within two weeks.
- Go to Hope's website, print off and fill out form and leave form and check at table in hallway.

Heritage of Lutheran Music

Heritage of Lutheran Music embracing and cherishing the highest quality of music of the Church that has come down to us through the ages; The hymns and liturgy we use in our worship services comes from 3,000 years of God's people praising Him through the gift of music.

A monumental development in western music was the Baroque era: 1600-1750. During this time, not only were hymns and liturgies composed, but also great works of sacred music which are still in use in the church today. Some of these are listed below

All Sunday School offerings collected during the months of September and October will be donated to Lutheran Church Charities K-9 Comfort Dog Ministry. This is a national human-care ministry embracing the unique, calming nature and skills of purebred Golden Retrievers. The Comfort Dogs are trained to interact with people of all ages and circumstances who are suffering or are in need at the time. The dogs have brought comfort to many people including the victims of Superstorm Sandy and the victims of the Sandy Hook Elementary School tragedy. Thank you for your donations!

Mealtime Prayer

Praying as a family at mealtimes is a great way to teach your child how important prayer is in our daily lives. Here is a simple prayer idea sung to the tune of "Twinkle Twinkle Little Star":

*Thank you, God for food and prayer.
Teach us how to love and share. Amen*

Mentor Sunday

Faith Mentoring is part of the Catechism program at Hope Lutheran Church. Catechism students pair with adult mentors who will discuss faith/life issues with them during four Sundays of the 2021-2022 school year on Mentor Sundays. Faith Mentors do not take the place of parents, pastors, teachers, or peers, but provide one additional connecting point to the community of faith. Most Faith Mentors are ordinary people who play important roles in the growth of a young person's faith. Faith Mentors are special people. They offer trust and respect; they are honored to participate in another person's faith journey.

PRESCHOOL and 4K

The 2021-2022 school year is off to a great start! Our 4K program has 24 students and our 3P program has 14 students. The 3P program has grown, and we now have Monday/Wednesday morning and afternoon classes running!

Besides the new faces of our students, we also have new teachers. Ashley Carus is the new lead teacher for the 4K program, and she has two new assistants. Tina Uttendorfer is the new morning assistant, and Tammie Hanks is the new afternoon assistant. They are all enjoying teaching and working with the children. Stephanie Neff is our veteran of the group and returns for another year teaching in the 3P program. We shared information about Ashley and Stephanie in our August newsletter, and would like to introduce our two newest staff members.

Tina, her husband and four kids live in Oakfield and run a grain farm. She is an assistant teacher in her daughter's religious education classes. She earned

her substitute teaching license last year and taught in the Oakfield School District. She is very excited to learn and grow with the students this school year.

Tammie tells us that she LOVES children. They bring so much joy and happiness! She recently graduated from Moraine Park Technical College with a degree in Early Childhood Education. Her previous experience with

children includes, family childcare, daycare centers, Sunday school teacher, and volunteering at elementary and middle schools on a regular basis for several years. She lives in Fond du Lac with her husband of 27 years. Her adult children live in Fond du Lac and Arizona. Tammie also shares her home with two goofy golden retrievers and two chubby cats. She enjoys gardening, camping, crafting, and listening to podcasts and good books. Tammie feels so thankful and blessed to be a part of your children's education.

An Opportunity to Serve

In our September newsletter, we briefly talked about this being the time of year when we give a little attention to the opportunity for our members to serve on one of our nine boards. Also mentioned was the question, "What do boards do?" There is now a small pamphlet available providing somewhat brief board job descriptions along with contact information should you find this to be of interest. You'll find this on one of the small tables located on each side as you enter the worship area. It can also be found in the information rack outside the church office.

There is often reluctance to get involved in this kind of activity feeling that we don't have the talent or the time. While a particular talent is much appreciated and certainly of great value, a willingness to serve is perhaps more important. Most boards have people

who have knowledge and experience from which you can learn.

We live in a busy world and most of us value and guard our free time very carefully. We don't want to be tied down any more than is necessary. What is rather amazing is the fact that some of our busiest people are also our most frequent volunteers. Having said that, it is understood that some people really do have very little spare time.

Each person has to decide how they will use whatever time is available to them. We simply ask that you would prayerfully consider how you might offer service to our Lord and our church with whatever you bring to the table, whether you are asked to serve or you're volunteering. The opportunities go far beyond being on a board and we will try to make you aware of those opportunities in future articles.

Pews on the Move

Hope has donated a total of 28 pews (due to the renovation project) to a church in Thomassique, Haiti. The church was recently rebuilt after being destroyed by an earthquake that struck the region 10 years ago. Josias Marion and his father, Pastor Michel Jean Claude Marion run the church and the Forde Christian Academy there.

"Thank you again for the blessing of this wonderful gift!!! The congregation will enjoy sitting on the pews over the benches they are replacing," said Cathy Robinson, Branch Manager – Orphan Train Wisconsin Branch.

The Wisconsin branch of Orphan Grain Train, based in Westfield, WI, is coordinating their shipment to Haiti. Orphan Grain Train is a 501c3 Nonprofit Christian volunteer network that shares personal and material resources with needy people around the world.

"My heart abounds in thankfulness to be able to gift our pews and for Orphan Grain Train giving us the contact to make it happen. Also, I should mention the 20 or so members and friends of Hope who showed up to load them into the semi. God is good!" said Pastor Enderle
