MECHANICAL REGULATION NO. 12

ABBREVIATIONS OF NAMES OF ENGINE TERMINALS, CAR REPAIR POINTS, SHOPS AND OTHER STATIONS AT WHICH LOCOMOTIVE AND CAR MAINTENANCE WORK IS PERFORMED

GROUP NO. 1

New York, Revised April 1, 1954 mo-15

The following is a list of symbols for engine terminals, car repair points, locomotive and car shops and other stations which shall be used in stenciling or stamping locomotive and car parts as may be required by Company instructions or A.A.R. Rules.

When stenciling passenger and freight cars for journal box packing and cleaning of air brake equipment, the initials "NYC" shall be used to represent the Road for such work done at points on the Line East and Line West, the Michigan Central, the CCC&StL and the B&A.
