## Dennis Paynting Rally Sunday 28<sup>th</sup> September 2014

It was a picture perfect warm spring morning on Sunday 28<sup>th</sup> September when 17 cars and their enthusiasts waited in anticipation at Mc Donald's Edgeworth for our instructions from George and Marilyn, before heading off on the 2014 Dennis Paynting Observation run.

With pens, coffee and clip boards poised we headed off for the first leg of the run. This trek took us through Edgeworth up via George Booth drive and towards Kurri. When we reached Kurri we noticed that many drivers were doing U-turns (including us) and having domestic disputes (including us), all to make sure that they had the answer to that all important question.

When we reached our destination for morning tea at Chinaman's Hollow, Fabio had only just made it to the road with his Aussie flag – which meant that some drivers had reached Cessnock, before they realised that they had gone too far. He was doing such a great job that he was getting toots from all sorts of cars and even got the siren going on a fire engine that passed.

Morning tea was made up of delicious delights made by Marilyn, Natalie and Mary all of which I am told were very yummy.

As we were now all revived from caffeine and cake we were ready to go on the second leg of the run. This part of the run saw us turning off just before the Neath Hotel and heading through Kearsley towards Freemans and turning off at Sandy Hollow Road. This leg of the run saw some stopping, jumping from their cars to count the wheels at the local shops, more arguments and more U-turn's.

We then reached our destination at Wollombi Tavern which was picturesque and fun with the Tavern sectioning off an area for us. As we each arrived to the awaiting Fabio with his flag, Rudy promptly asked if everyone was still on talking terms.

The Tavern offered counter lunches, cold beers, a band playing in the rotunda and beer cartons so the kids could slide down the hill. It was a great way to enjoy the end of the run with a warm and sunny afternoon.

Games were played on the grounds with a Glenn Towndrow winning the ball toss and Rudy and June Galea winning the joke off. There was a clean winner in the jokes:

*2 men were fishing in the same area; one man was catching plenty of fish, the other was catching nothing. After some time the man catching nothing asked the other, 'what are you using for bait?'; the man answered 'liquorice', Curiously the man asked 'what sort of fish do you catch with liquorice?' and he responded 'all sorts'*

As the results were then tallied the winning team was Rudy and June Galea, 2<sup>nd</sup> was Don and Sandra Rumbel with 3<sup>rd</sup> going to Steve Nichols and Lyn Farmer.

A very special thankyou goes out to Marilyn Vella, George Vella, Michael Paoletti and Daniel Paoletti for a fabulous day, so much time and effort went into this run and ensuring that everyone had a fabulous time.

WELL DONE!!

Also a huge thank you to the sponsor for the day Atlantic Oil who supplied our winners with Oil and Coolant prizes and who would again like to be a part of next year's run.

For us this was our first Dennis Paynting run and we can assure you all that that it won't be the last, as we look forward to what Rudy and June have to offer next year!!

# Yarramalong Maze Run, Thursday October 16<sup>th</sup> 2014

## (Norah Head Lighthouse Run)

We set off from Macca's Edgeworth at about 9.10am heading towards our morning tea break at Cooranbong Park. On arrival we had 3 more old cars join our group. Instead of having morning tea at the lower end of the park we all walked over the bridge to a nice grassy opening surrounded by water with ducks swimming lazily upon the water.

Some of us went up to see the old grave stones in the Cemetery not far from where we had morning tea. The unnoticeable cemetery no doubt held a lot of history as the oldest gravestone that we saw was 1871. It was so lovely to see our new members Gary and Ruth Newcombe come along and be part of our Mid-Week run. A warm welcome was extended to our 3 visitors who joined us on our run; they were Darcy Wilson, Terry Sand and Steve Harris.

While everyone enjoyed their morning tea, I had to make a quick phone call to check if the Yarramalong Maze was open. When I organized this run it was open Thur to Sun but then I checked again it was only opened Fri to Sun, on phoning them the recorded message said it was opened Thur to Sun. This is why I had to ring to find out what was going on. IT WAS CLOSED.

ALL GOOD, thank heavens we had a backup plan, so off we go to Norah Head Lighthouse. On arrival we parked our cars in the top car park and made our way to the small Lookout with spectacular views. After Natalie and I took some photos we all headed to the beautifully restored Lighthouse. Lots more photos taken we checked what the tour was all about. Most of us decided that it was too high with 90 plus stairs to walk up and a narrow staircase. This led us to not want to do this tour. (A few of us were either afraid of heights or didn't like enclosed spaces).

No place here to have lunch so we went to the nearby park opposite a fish and chip shop. All settled in at the park we set up for lunch, some went over to the fish and chip shop, some bought their own lunch. I could see a container of shredded chicken which looked soooo nice, lucky they got to eat some of the chicken as the rest of that lovely chicken somehow all ended up on the grass. (No names mentioned but I think the cat was about to get a very nice dinner).

This was a wonderful day with great company and all under the beautiful blue sunny skies of Norah Head.

Enjoying the Mid-Week run were: Natalie Towndrow, Ross Skillen, Barry Hughes, Gary & Ruth Newcombe, Fabio Paoletti, George & Marilyn Vella. Visitors were Darcy Wilson, Steve Harris & Terry Sand. 11 people.....7 cars..... Mid Week Certificate was awarded to: **Ross Skillen**

Thank you members and visitors for making this a memorable day.

# Catalina Festival, Saturday 25<sup>th</sup> October 2014

NRVC left Toronto McDonalds at 7.30am and headed out to Rathmines on a beautiful sunny day.

On arriving we parked our cars and set up our portable club house, we had a great spot.

There were hundreds of vehicles on display an amazing display of ARMY Vehicles, model ARMY boats, (The Aces) singing old war time songs.

A fantastic display of Aircraft, some of the things they were performing would make anybody sick.

Twisting and turning flying through the air all before the Catalina made an appearance it was welcomed with a big cheer from the crowd.

A large variety of market stalls. Snow Cones, Fairy Floss, Ice creams, Coffee etc...

Glen Fotheringham won a trophy for his car (Best Ford)  
Bill & Collene Kalb won a trophy for Percy, (Best Entrance Choice award)  
Well Done & Congrats to you both.

Our club certificates were awarded to Phil Illfield, Richard Laney, and a visitor. (See photos)

It was a great day for NRVC. I hope everyone that attended enjoyed their day!
