President's Corner

Greetings Tidewater Chapter,

Welcome to 2019. I hope everyone had a safe and wonderful New Year. I have never been one for New Year's resolutions, but I am hoping that many of you resolve to become more involved in our Club. We have many exciting events happening in 2019!

We will be continuing with our monthly breakfasts in Chesapeake, which are held on the third Saturday of every month at Pop's Diner. We will resume our quarterly breakfasts, the fourth Saturday of March, June, September and December at Baker's Crust in Williamsburg. I am looking forward to our Valentine's Day Drive and lunch, our joint BBQ with the Porsche Club, and the M-Performance School, along with many other exciting events.

Last year was an exciting one for our Club. For the second consecutive year, we hosted Street Survival and, more importantly, helped educate more young drivers with the best driving practices in a safe and controlled environment. We enjoyed our first M-Performance School and had a great time in Greer, SC. We continued to slay the Dragon and made memories in the beautiful towns of Marion and Tazewell Virginia. Our joint BBQ with the Porsche Club was also a blast.

As our Chapter's Board knows I am fond of saying, we are a non-profit organization, not a charity. We are all volunteers. We all have lives, families, and commitments. That said, we all have at least one thing in common, our passion for BMW. Because of this shared passion, I am asking for your help. I request each and every one of you to become a *Steward of Membership*. You can do that by helping us by spread the word about our Club and the benefits of being a member. I have set a membership goal of 900 members by December 31st, 2019. With our current number standing at 653, reaching 900 members is lofty, but feasible; especially if everyone acts as a *Steward of Membership*. Having more members will enable us to make new friends, more easily ask for volunteers, and truth be told more membership will enable us to better support a wider variety of events. Please take a few moments and talk with someone about the benefits of membership. Invite them to an event. Share with them our joy and our passion for the brand that unites us all!

I would like to welcome to the Board our new Vice President, Brad Purvis. We have a new Newsletter Editor, Chris Boyles; Linda Williams is our new Outer Banks Representative, and Hope Boyles is our new Social Media Director. I am eager to work with our board as we grow, and strive to put on the best events for you, our membership. We are looking forward to an exciting 2019 full of great events, comradery, and awesome memories.

I am looking forward to an exciting and memorable 2019 with you all. I hope to share new memories with familiar faces as well as get to know all of you better.

Sincerely,

Shawn

Editor's Corner

Hello Tidewater and welcome to the first issue of Das Kummert 2.0. This redesign was accomplished through a true team effort and I want to thank everyone that helped us get to this point. The goals of this new design are to improve cost effectiveness and provide a better product while preserving the tradition of Das Kummert. I feel as though we have succeeded in these goals and now I need your help to refine this new design. Please feel free to call me or email me with any suggested changes or constructive criticism that you may have. Your feedback is greatly appreciated and will only help to improve Das Kummert. My contact information is located inside the front cover for your convenience.

How would you like to see your or a friend's BMW on the cover of Das Kummert? Send me your nominations for a Tidewater BMW that you feel should be on the cover. The only rule is that the car must belong to a Tidewater BMW CCA member. Lastly, if you would like to volunteer to help with Das Kummert please let me know. Until next time.

Respectfully,
Chris Boyles

OKTOBERFEST: *50 What?*

That's right, BMW CCA is 50 Years Old! This October, we will be celebrating the 50th anniversary of the BMW Car Club of America at the Oktoberfest in Greenville, South Carolina. It is fitting that this year's anniversary will take place in Greenville, the American home of BMW. A place that has given so much back to BMW, and to which we owe a great deal of our thanks for their beautiful production of the Z3 and the entire SAV line! The world owes a thanks to Greenville for that. Join us as we celebrate BMW, our history, and give our thanks to the brand that unites us as all at Oktoberfest 2019!

DATES: OCTOBER 15 – 19, 2019

HOST HOTEL: HYATT REGENCY IN DOWNTOWN GREENVILLE, SC

HOST DRIVING VENUE: BMW PERFORMANCE CENTER

Make sure to mark your calendar now for the 50th Annual BMW CCA Oktoberfest presented by Michelin, which will be held on October 15-19, 2019 in Greenville, South Carolina! Yes, this is the year we have all been waiting for! 50 years of the club and Oktoberfest! This will be an unforgettable event as club members make the journey back "Home" to the Greenville/Spartanburg area from all over the country and the world. We will have exciting social, driving, and exclusive anniversary events taking place at the BMW Performance Center, BMW Plant Spartanburg—where the X3 through the X7 are made, Michelin's Headquarters and Proving Grounds, and the BMW CCA national office. This will be an absolutely amazing event with many great surprises in store for attendees! We hope to see you there!

O'Fest registration will launch in Spring 2019.

Back of the Dragon

No better way to spend Columbus Day weekend than with friends and fellow BMW enthusiasts as we slay, for the first time ever, the Head of the Dragon! Not only will this be a first for the Tidewater Chapter BMW CCA, this will also be a first for the Head of the Dragon, having a car club slay them! 66 Miles. Countless Smiles. 1 Amazing weekend. Don't miss this opportunity, for the dragon won't dare return after we slay it, at least not for another four years.

Arrangements will be made for a group discount at the gorgeous General Francis Marion hotel.

TIRE RACK
STREET SURVIVAL
authorized by **BMW CCA FOUNDATION**

We would like to thank all of the students who attended, as well as their parents for their support. Their desire to make a positive impact on their children is the reason our club decided to do this. We could not have done this event however without our volunteers. They all have our heartfelt thanks and appreciation for allowing this event to go off smoothly!
